## About Hidden Trails

Hidden Trails is owned and operated by nature enthusiasts who love horses and adventure activities. We have been involved with riding and other outdoor vacations for over 20 years.

With our partners Voyage du Cheval (France), Pegasus (Germany) as well as Equitour (Switzerland and France) we have collected the best riding destinations all over the world in some hidden places we would like to share with you.

These rides are about galloping on endless beaches, forging rivers, cantering through forests, trotting along age-old trails, gazing at beautiful vistas and encountering foreign cultures. But most of all, these trips are about getting away from the cycle of too much work and never enough free time.

Escape from the rituals, which long ago froze our nights and days into little more than routine and away from the worries of our new tense times. It is so satisfying when we take the plunge of adventure - it's unfortunate that we invent so many reasons to put aside living our dreams of adventure. It is sometimes a tangled web that we weave through life. Some of the threads reveal a work-a-day world of commitments, duties and obligations. Other threads are of a quiet fabric of hope, responsibility and refreshment.

On our adventures you see the real country, its back country and meet the locals. The love for horses has no boundaries but possesses a common language we all speak and understand. The majority of the overseas rides are from inn to inn, some from castle to castle and a few are camping rides.

You will experience new countries and their customs and make new friends. The Hidden Trails trips are the best you can find.

They have been tested by our staff or associates and received our stamp of approval. If you are considering a special riding vacation anywhere in the world, call us first and let our experienced consultants match the perfect trip with your dream.

We will listen to you and give you objective advice to help you choose the best destination and adventure.

Your vacation is the most precious time of the year and we are committed to making it the most memorable time of your life. Wherever you go, have a great time and bring back some peace of mind.

Thank you for your continued support.

## Introduction

Wicklow, Ireland  
County Wicklow "The Garden of Ireland" is renowned worldwide for its charming beauty. Wicklow is a walker's paradise and is home to the Wicklow Way, Ireland's oldest waymarked walking trail.

This popular guided walking holiday takes you through Ireland's largest National Park, covering 90,000ha in central Wicklow, part of Ireland's Ancient East. Wicklow Mountains National Park manages and protects some of Europe's oldest bog lands, heather covered mountains, broad-leaved and coniferous woodlands. The Wicklow Mountains offers a vast diversity of scenery; from woodlands and rolling hills to lush green valleys, streams and lakes. The area provides habitat for native species including sika and red hybrid deer, foxes, badgers, hares and birds of prey.

Central to the area is Glendalough, the famous and globally important monastic settlement where we will walk in the footsteps of St. Kevin. The settlement grew for centuries after its foundation in the 6th century to become Ireland's earliest proto-urban development and a European hub for education. The imposing round tower overlooks a scene of exceptional natural beauty. Glendalough, meaning a valley of two lakes (Gleann Da Loch) possesses contemplative ambience and is a landscape imbued with the spirituality of its illustrious past.

## Riding

These hiking trips show you the best of Ireland, its picturesque scenery, the grandeur of its mountains, the warmth and hospitality of its people and the magic of their music. Call it an Irish walking holiday; a hiking vacation in Ireland; even a sabbatical - maybe you're researching Ireland, perhaps for a thesis or book; or perhaps you want to see the Ireland of your Irish ancestors. Call it any or all of these, but treat yourself to a tour of Erin's Isle anyway.

This holiday, guided by someone who really knows and cares for Ireland, is the best way to see this enchanting country; imagine yourself hiking (or walking) over Irish mountains, pausing by Irish lakes, drinking in Irish pubs and listening to traditional Irish music.

Ireland has a lot to offer the walker: dramatic sea cliffs, high mountain ridges, quiet green roads, butter roads, fuchsia-lined lanes, heath and moorland, sweeping expanses of beach. And then there are the sleepy villages, oak woods, sky-blue lakes, torrential waterfalls and babbling brooks. Ireland's climate ideally suits the walker as generally it rarely gets too hot to be uncomfortable. Rain and cloud-formations are what bring the interesting light patterns and rainbows. The Western coast and islands are known for magnificent sunsets.

Don't be surprised at the very few people you will meet whilst walking, after all, the entire population of Ireland is only around four million! Ireland is a birdwatcher's paradise with many rarities such as the corncrake. It is also a great place for botanists, especially the area of the Burren, Co. Clare.

Maybe the best attraction of all is the people, you'll never find another place like it for hospitality, friendliness, warmth, generosity, humour, love of life and love of the land.

Our hiking tours of Ireland are fully escorted by experienced, professional guides. We travel through Ireland in groups of no more than twelve people. We will escort you on hikes through Ireland's most scenic trails, walk through undiscovered routes lined with extraordinary vistas. Whether you wish to hike through Connemara, walk parts of the Dingle Way, or take a ferry to the Aran Islands, sit back, relax and let us take care of your Irish hiking vacation.

## Itinerary

We follow a local's path up the heather covered Trooperstown Hill that will lead to magnificent views in all directions including rolling hills, the Irish Sea, the Wicklow Mountains, and the Round Tower of Glendalough. Our walking trail gently descends into Trooperstown Forest, over the Avonmore River and up Paddock Hill where we will join another part of the Wicklow Way.

The serenity of this ancient oak woodland is contagious and is ideally followed by lunch on the banks of the babbling Avonmore River beside the charming church of Clara (1799). We will then visit the famous Avoca Woollen Mills for an exploration of their historical and operational mill and will finish off the day with a bit of shopping and perhaps a treat.

*Distance: 9 km / 5.5 miles, Ascent: 220 m / 660 ft.*

*Meals included: Breakfast, Packed Lunch & Dinner*

*Overnight at BrookLodge Hotel & Macreddin Village*

#### Day 5: Botanic Gardens Kilmacurragh & the town of Rathdrum

Afterwards, you will have some free time to wander and explore the magnificent gardens and their surroundings.

In the afternoon we will take a short drive to the town of Rathdrum where we will do a circular walk, starting and finishing in the town.

Along the walk, we will visit an old Famine Graveyard, walk part of a mass path used in bygone days as a recognised path or track to and from church and through a Millennium Forest. Finishing with a beautiful relaxing stroll along the banks of the Avonmore River.
