About Hidden Trails

Hidden Trails is owned and operated by nature enthusiasts who love horses and adventure activities. We have been involved with riding and other outdoor vacations for over 20 years.
With our partners Voyage du Cheval (France), Pegasus (Germany) as well as Equitour (Switzerland and France) we have collected the best riding destinations all over the world in some hidden places we would like to share with you.

These rides are about galloping on endless beaches, forging rivers, cantering through forests, trotting along age-old trails, gazing at beautiful vistas and encountering foreign cultures. But most of all, these trips are about getting away from the cycle of too much work and never enough free time.

Escape from the rituals, which long ago froze our nights and days into little more than routine and away from the worries of our new tense times. It is so satisfying when we take the plunge of adventure - it's unfortunate that we invent so many reasons to put aside living our dreams of adventure. It is sometimes a tangled web that we weave through life. Some of the threads reveal a work-a-day world of commitments, duties and obligations. Other threads are of a quiet fabric of hope, responsibility and refreshment.

On our adventures you see the real country, its back country and meet the locals. The love for horses has no boundaries but possesses a common language we all speak and understand. The majority of the overseas rides are from inn to inn, some from castle to castle and a few are camping rides.
You will experience new countries and their customs and make new friends. The Hidden Trails trips are the best you can find.

They have been tested by our staff or associates and received our stamp of approval. If you are considering a special riding vacation anywhere in the world, call us first and let our experienced consultants match the perfect trip with your dream.
We will listen to you and give you objective advice to help you choose the best destination and adventure.

Your vacation is the most precious time of the year and we are committed to making it the most memorable time of your life. Wherever you go, have a great time and bring back some peace of mind.

Thank you for your continued support.

If this is your first riding vacation, you will feel right at home. We offer horseback riding lessons to our guests and can accommodate all levels of experience from old hands to greenhorns. The Horses

"There is something about the outside of a horse that is good for the inside of a man." Winston Churchill

The ranch is home to over 110 head of horses. The horses live on the ranch year round. The herd consists of approximately 80 guest horses, 20 performance horses, brood mares and new foals every spring. The ranch does not lease outside horses, this is for the protection of the herd, and the riders.

The Dude String
The horse to guest ratio is almost 2-1, giving the Wrangler the ability to find you the perfect horse. While at the ranch your horse will be just that, your horse. Once the Wranglers have found your perfect horse, you will have the same horse and tack for the duration of your stay. Horses range from kids horses that Wrangler refer to as "bomb proof" too younger horses that are more suitable for more experienced riders. Whether you are a beginner or an accomplished rider your perfect horse waiting for you.

"I own a lot of horses "say Jeff "But the most valuable horses I own are the kids horses. It takes a special horse for me to put a young person on. And I am fortunate to have some of these great horses."

Performance Horse
The ranch is also home to Beckley Reining horses. Jesse Beckley, professional trainer, rides and trains performance horses at the ranch on a daily basis. Beckley Reining is home to some of the finest quarter horse blood lines in the world. Several of the performance horses are born and raised on the Ranch.

The Wranglers

The Wrangling crew is the best in the business. Every year Tyler selects from hundreds of resumes to find the few that have the specific skill set required to be a Wrangler at this ranch. "I look for people that I would like to meet if I were on vacation" says Tyler. All Wranglers are certified through the Dude Ranch Association safety program.

The wranglers are truly diverse. Their job includes guiding raft trips, mountain bike tours, hiking, and even mixing a decent drink when behind the bar. But without a doubt every Wrangler must be an experienced and competent horseperson. In order to keep everyone as safe as possible a Wrangler must be able to anticipate what a horse is going to do before he does it. This is something that can only be learned from years of experience.

The Beckley Family have always felt that to experience the western way of life you must interact with the people that live it. For that reason the Wranglers often dine with guests and socialize in the evenings. A week at the ranch is an adventure, one that you will share with your group, and other guests, the Wranglers will be your guides though it all.

Evening Program

There is something for everyone in the evenings at the ranch. Whether that is a relaxing glass of wine on the porch, a beer at the Saloon with the rest of the crew, or getting involved in the ranches one of a kind evening program. Whether you're a spectator or a participant you are guaranteed to be entertained.

Activities include:

Fire Engine Games
Ever wish you could play with your very own fire truck? Well we will let you use ours. What more could you ask for than a big green toy that pumps 650 gallons of water a minute!

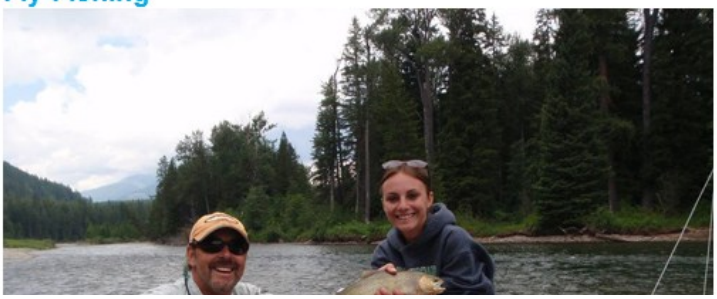

Reining horse Demo
Jeff and Jesse Beckley show reining horses and teach performance horse clinics all over North America. But once a week they perform a reining horse demonstration for the small group of guests at the ranch. Jeff and Jesse will talk you through the incredible maneuvers these horses are capable of.

Ranch Casino Night
Once a week the ranch saloon in converted into a casino. The Wranglers deal the cards and the guests compete to see who can win and cheat the most out of the house. You will be given a $25,000 marker to play with and prizes are awarded to the top gamblers.

Volley Ball

Campfire Night
There is something special about sharing a campfire with friends. Roast marshmallows over an open fire and sing along with the guitar.

Fly Fishing

The ranch is located a short walk from the St. Mary's River. The St. Mary's River is considered to be one of the finest dry fly fisheries in North America. You will enjoy Wild West Slope Cut Throats from 14 to 20 inches, and catch rates of 10 to 50 fish per day. As an added bonus, there is a good chance you will not see another angler during your float. The lack of angling pressure is due to the absence of roads along the length of the river. Fortunately, the ranch controls over 7 miles of river, giving you exclusive access. Fly fishing equipment is available from the lodge at no charge. Fishing licenses are required and are available for sale at the ranch.

For the ultimate fly fishing adventure the ranch works closely with the an Angler Guide Service. The guides will pick you up from the ranch for half or full day float trips. Because the St. Mary has limited access, the best way to fish the river is from a float boat. St. Mary Anglers provide quality equipment including waders, transportation, boat and professional guides. Day trips run approximately 8-10 hours and include a 5-course gourmet lunch on the river.

Fly fishing season opens June 15th.

Kids Activities

Put a cowboy hat on and a pair of cowboy boots and you are well on your way to having a Cowboy or Cowgirl in the family. Kids of all ages will soon feel at home here at the ranch where they have wide open spaces to just be kids. Catch frogs, go horseback riding, cook a marshmallow over an open fire. Our program is designed to keep kids of all ages busy all day long and well into the night.
Parents often comment on how they are surprised at how well all of the kids get along here at the ranch and how busy they are. With so many new things to experience a ranch vacation is a great place for kids to learn about nature and animals while just having plain old fashion fun.

Families are welcome to do the program all week as a family unit, you can go on family rides, hike together and river raft together. Or the kids are welcome to join the kids riding program while the adults choose another activity program or an adult only ride. We are small so that we can allow for custom vacation experiences.
Ranch vacations offer a safe environment that children and parents alike learn to enjoy. The ranch petting zoo gives kids the opportunity to feed the sheep, goat and gather eggs from the chickens, things their grandparents and perhaps parents had done when they were younger.

While our riding program is designed for kids of 6 years and older younger kids are welcome here at the ranch.
We don't have a formal program for the younger kids we do have a outside play area & petting zoo.
We will lead them around the area on a horse with a parent beside to help make them comfortable on the horse.
We don't want anyone to feel left out.
Make this the year you to make memories you will treasure for a lifetime here in Beautiful British Columbia, Canada.
