About Hidden Trails

Hidden Trails is owned and operated by nature enthusiasts who love horses and adventure activities. We have been involved with riding and other outdoor vacations for over 20 years.
With our partners Voyage du Cheval (France), Pegasus (Germany) as well as Equitour (Switzerland and France) we have collected the best riding destinations all over the world in some hidden places we would like to share with you.

These rides are about galloping on endless beaches, forging rivers, cantering through forests, trotting along age-old trails, gazing at beautiful vistas and encountering foreign cultures. But most of all, these trips are about getting away from the cycle of too much work and never enough free time.

Escape from the rituals, which long ago froze our nights and days into little more than routine and away from the worries of our new tense times. It is so satisfying when we take the plunge of adventure - it's unfortunate that we invent so many reasons to put aside living our dreams of adventure. It is sometimes a tangled web that we weave through life. Some of the threads reveal a work-a-day world of commitments, duties and obligations. Other threads are of a quiet fabric of hope, responsibility and refreshment.

On our adventures you see the real country, its back country and meet the locals. The love for horses has no boundaries but possesses a common language we all speak and understand. The majority of the overseas rides are from inn to inn, some from castle to castle and a few are camping rides.
You will experience new countries and their customs and make new friends. The Hidden Trails trips are the best you can find.

They have been tested by our staff or associates and received our stamp of approval. If you are considering a special riding vacation anywhere in the world, call us first and let our experienced consultants match the perfect trip with your dream.
We will listen to you and give you objective advice to help you choose the best destination and adventure.

Your vacation is the most precious time of the year and we are committed to making it the most memorable time of your life. Wherever you go, have a great time and bring back some peace of mind.

Thank you for your continued support.

Introduction

Colorado, USA
Enjoy the western vacation of your dreams. For over 70 years this 600-acre ranch, nestled in its own private mountain valley, has provided folks from around the world with authentic western vacations.

From the moment you arrive we promise nothing less than real down-home hospitality amidst unforgettable mountain scenery. Most of all, you'll enjoy a sense of total relaxation and freedom from stress. A real ranch! The spread lies nestled in aspen trees on both sides of Drowsy Water Creek and is everything you'd expect a ranch to be. Barns, stables, corrals, log cabins, ponds -- plenty of places where kids and adults love to explore. Everything at the ranch is within walking distance. Guest cabins, the Lodge, children's playground, the fishing pond, swimming pool and games area are all within a stone's throw.

The ranch has programs for children from infants to teenagers with plenty of activities for parents and grandparents alike. Singles and couples are welcomed also. We have a complete program of horseback riding, swimming, horseshoes, steak fryes, trout fishing, western dancing, jeep trips, song fests, campfires, hayrides, carnival, pack trips, staff entertainment, gymkhana rodeos, raft trips, children's programs, nearby golf, hunting and much more -- but it is your vacation so you may take part in whatever you like.

At Drowsy Water Ranch we have a very special relationship with our 95 or more horses. We've bred, raised and trained them to provide guests with the finest of riding opportunities. The Horse Program is outstanding and geared to every riding ability and age group. Horses are selected to match your own riding skills. Daily instruction, both in the arena and on the trail help to improve everyone's proficiency. Advanced riders have many opportunities to explore and blaze trails while handling their horses from leisurely walks to smooth lopes and gallops.

The Main Lodge is the daily gathering place for parents and youngsters alike. The door is always open and the coffee pot is always filled and fresh. A warm and friendly spot to kick-back and enjoy playing cards, browsing in the library or just visiting with new friends.

Under the same ownership/ management for 30 years, the ranch has developed a reputation for quality Dude Ranch vacations.

"I've never had as many healthy, hearty and delicious meals in my life," we've heard someone say. Most meals are served family style in our dining room but outdoor meals are highlights such as breakfast on a mountain top, open hearth barbecue, chuck wagon lunches, or right out of your saddlebag. Our riding program is outstanding and geared to every riding ability and any age group. Daily instruction, both in the arena and on the trail help to improve every guest's proficiency. Advanced riders have many opportunities to explore and blaze trails, while handling their horses from leisurely walks to smooth lopes and gallops.

Horses
Each of our 100+ horses has a unique personality, just like every one of our guests. We send out a questionnaire prior to arrival to gauge every guest's level of riding. Once meeting each guest we pair them with the perfect horse for their personality and riding level. Throughout the week, you will create a special bond with your horse that is lasting beyond your vacation. By doing a thorough personality match, it fosters a fun-filled week for each guest and the horse.

Buckaroos Program (5 and under)
This program is for the littler kids ages 5 and under. It is the perfect way for parents to be able to enjoy their guest ranch vacation. These young children are taken care of and entertained by our counselors, while the parents take part in the various ranch activities throughout the week. The Buckaroos participate in a number of activities including horseback rides around the ranch, games, crafts, and picnic hikes. The counselors can take care of any individual needs such as naps, baby feeding, etc. Since our Colorado dude ranch is heavily family oriented, families eat meals together, parents can partake in any of the children's programs and riding, and our evening entertainment also includes the kiddos and encourages them to get out of their shell with talent shows and line dancing.

Range Riders Program (6-13 years old)
Our Range Rider program, for kids 6 – 13 years old, is built around an instruction based horseback riding program where they practice basic riding skills in our arena first before setting out to the backcountry on their morning and afternoon trail rides. These young riders advance to loping and all day rides as their abilities improve. Before and after the rides our counselors have other group activities to do such as an obstacle course, horse brushing, zip line course for age 10+ years old, swimming, hiking, archery, rafting, lassoing a steer head, and other fun and engaging group activities.

Non-Riding Activities
Other possible activities include fishing, use of heated pool and hot tub, and ranch activities (hayrides, dancing, river float trip, carnival, staff shows, campfires, hiking, mountain biking, sing-a-longs, and more).
Golf fees, guided fly-fishing, massages, and zipline course are extra costs.

River Float Trip (5+ years old) - included
The Ranch is located just a couple miles away from the gorgeous Colorado River. Located near the headwaters of the Colorado River and the western side of Rocky Mountain National Park, the Upper Colorado rafting trips are perfect for those who want beautiful Canyon scenery and easy-to-navigate whitewater. You'll see spectacular wildflowers, sheer granite canyon walls, and forest of blue spruce and Douglas fir trees. First-time boaters and families with children give trips on this river rave reviews. Don't forget to bring sunscreen, swimsuits, shoes that can get wet and a positive attitude!

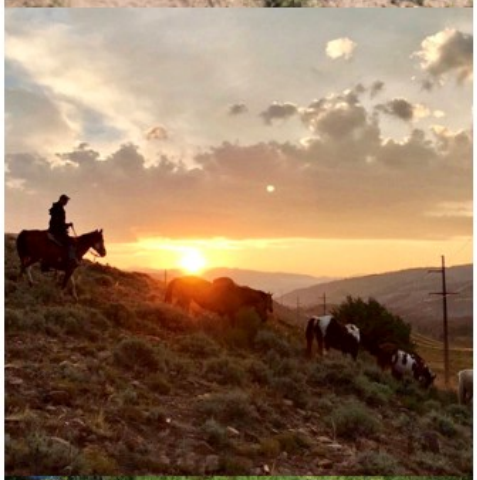

Zip-Lining (10+ years) - extra cost
The Ranch offers a unique zip lining experience, with 3 different zip line courses. Just one of our lines is the longest and highest zip line in the United States. Replace your cowboy hat and chaps with a harness and helmet for a few hours of scenic zips and hiking across the ranch. This Colorado mountain thrill is sure to capture your excitement.
