About Hidden Trails

Hidden Trails is owned and operated by nature enthusiasts who love horses and adventure activities. We have been involved with riding and other outdoor vacations for over 20 years.
With our partners Voyage du Cheval (France), Pegasus (Germany) as well as Equitour (Switzerland and France) we have collected the best riding destinations all over the world in some hidden places we would like to share with you.

These rides are about galloping on endless beaches, forging rivers, cantering through forests, trotting along age-old trails, gazing at beautiful vistas and encountering foreign cultures. But most of all, these trips are about getting away from the cycle of too much work and never enough free time.

Escape from the rituals, which long ago froze our nights and days into little more than routine and away from the worries of our new tense times. It is so satisfying when we take the plunge of adventure - it's unfortunate that we invent so many reasons to put aside living our dreams of adventure. It is sometimes a tangled web that we weave through life. Some of the threads reveal a work-a-day world of commitments, duties and obligations. Other threads are of a quiet fabric of hope, responsibility and refreshment.

On our adventures you see the real country, its back country and meet the locals. The love for horses has no boundaries but possesses a common language we all speak and understand. The majority of the overseas rides are from inn to inn, some from castle to castle and a few are camping rides.
You will experience new countries and their customs and make new friends. The Hidden Trails trips are the best you can find.

They have been tested by our staff or associates and received our stamp of approval. If you are considering a special riding vacation anywhere in the world, call us first and let our experienced consultants match the perfect trip with your dream.
We will listen to you and give you objective advice to help you choose the best destination and adventure.

Your vacation is the most precious time of the year and we are committed to making it the most memorable time of your life. Wherever you go, have a great time and bring back some peace of mind.

Thank you for your continued support.

Riding

Riding Program
Horses are matched for novice and experienced riders alike at the beginning of each ride, and lessons are available. Guests are encouraged to continue to ride the same horse throughout their stay by requesting them at the beginning of each ride, but no guarantees can be made. Two trail rides are arranged per day, one in the morning (9:15 a.m.) and one in the afternoon (2:15 p.m.). Guests on are welcome to ride up to 2 hours per riding session. You'll be encouraged to groom and help tack the horses for a true hands-on and bonding experience. Whether you want to ride lazily across beautiful open pastures or trot through lush wooded trails, the Ranch can accommodate your needs.
Lessons available upon request for an extra fee.
The ranch was names by *Travel and Leisure* magazine as "One of America's Best Dude Ranches".

Is this a nose-to-tail ride?
Good question and tough to answer. We've yet to figure out how to get the horses to ride tail-to-tail or head-to-head. It's also not a wise idea to attempt to ride abreast in wooded trails. We do ride in small groups of two to seven riders. Smaller groups of this size can be quite versatile on the trails. When appropriate, riders may trot and canter as well. In a literal sense the horses will inevitably ride nose-to-tail, but you'll find our riding program to have more liberties than most.

Age Limit
Riders must be 8 years or older to ride on their own on the open trails.
Children Under 8 are on "limited/restricted riding". The restriction means that they are only eligible to ride tandem (double) with a parent, or ride solo via lead line in the parents care in one of the arenas. They may also have some riding in a corral using the parent's horse time. So, if a parent rides doubled for 1.5 hours out of a possible 2 hours, they may use the last 30 minutes in a corral for the child under the parent's supervision ... and or lead line.
Since most children in this restricted age group are not ready for this responsibility, we don't charge them for it. However, at the parents' discretion, one may upgrade a younger child to the older children's rate (ages 9-15) to gain full riding privileges.

Horses
Our ranch is home to over 150 horses. We specialize in quality breeding stock, young stock, and safe trail horses for every level. The majority of our horses are registered APHA, AQHA, ApHC, or POA. Over 2 dozen foals are born on the ranch each spring. Horses are assigned based on riders' ability and preferences. Guests are even welcome to bring their own horse if they so desire.

Tack
All riding is done in Western tack and saddles for our program. Riders are welcome to bring their own Western or English saddle if the wish, but naturally our bridle and bit must be used.

Itinerary

Riding Program
Your first ride included in your package is at 2:15pm on Day 1.

The ranch is situated on 200 acres of prime Georgia farmland, so you can horseback ride for hours and not leave the ranch. Whether you want to ride lazily through lush, wooded trails or lope across beautiful open meadows, the ranch is big enough to accommodate any of your needs.
Horseback rides are scheduled twice daily, one at 9:15am and one at 2:15pm, seven days a week. You will be encouraged to groom and help tack the horses for a true hands-on and bonding experience.

Please, note that there are no riding activities included on the morning of your departure day!

If you are a beginner, do not worry, riding lessons are available, and horses are personally assigned based on your riding experience and preferences. Guests are encouraged to continue to ride the same horse throughout their stay by requesting them at the beginning of each ride, but no guarantees can be made.
The relaxed riding program even allows guests the unique opportunity to ride on their own if they desire, but small guided groups are always available.
We usually ride in small groups of 3 to 7 riders.

Hard Labor Creek State Park - extra fee
Most riders ride exclusively on the ranch's property. However, some guests staying over longer periods enjoy the change of scenery provided at Hard Labor Creek State Park. Riding at Hard Labor involves transporting the horses and riders by vehicle and providing a guide. The cost is $75/person with a $150 minimum. The trail ride involves a 9+ mile trek through the park's well-established forest and along Lake Rutledge. The terrain is steep at points, and this particular ride is not for beginners. Generally, this trip is only available Monday through Thursday, conditions permitting.

Non Riding Activities
You'll find many ways to relax and unwind at the ranch. You can enjoy a dip in the swimming pool or enjoy a good book in the shade next to the pool and water fountain. Guests also enjoy playing pool or darts in the game room, riding mountain bikes, throwing horseshoes, shooting basketball, or catching a nap after a meal. Nearby activities (not included in the rates) offer something for everyone: golf, fishing, shopping, and gun club.
