About Hidden Trails

Hidden Trails is owned and operated by nature enthusiasts who love horses and adventure activities. We have been involved with riding and other outdoor vacations for over 20 years.
With our partners Voyage du Cheval (France), Pegasus (Germany) as well as Equitour (Switzerland and France) we have collected the best riding destinations all over the world in some hidden places we would like to share with you.

These rides are about galloping on endless beaches, forging rivers, cantering through forests, trotting along age-old trails, gazing at beautiful vistas and encountering foreign cultures. But most of all, these trips are about getting away from the cycle of too much work and never enough free time.

Escape from the rituals, which long ago froze our nights and days into little more than routine and away from the worries of our new tense times. It is so satisfying when we take the plunge of adventure - it's unfortunate that we invent so many reasons to put aside living our dreams of adventure. It is sometimes a tangled web that we weave through life. Some of the threads reveal a work-a-day world of commitments, duties and obligations. Other threads are of a quiet fabric of hope, responsibility and refreshment.

On our adventures you see the real country, its back country and meet the locals. The love for horses has no boundaries but possesses a common language we all speak and understand. The majority of the overseas rides are from inn to inn, some from castle to castle and a few are camping rides.
You will experience new countries and their customs and make new friends. The Hidden Trails trips are the best you can find.

They have been tested by our staff or associates and received our stamp of approval. If you are considering a special riding vacation anywhere in the world, call us first and let our experienced consultants match the perfect trip with your dream.
We will listen to you and give you objective advice to help you choose the best destination and adventure.

Your vacation is the most precious time of the year and we are committed to making it the most memorable time of your life. Wherever you go, have a great time and bring back some peace of mind.

Thank you for your continued support.

Introduction

Wyoming, USA
The Ranch is located at the western base of the Bighorn Mountains. The ranch's property extends toward Cloud Peak, the highest mountain in the Bighorns, and is characterized by creeks, springs, meadows, and canyon walls reaching thousands of feet above. The terrain changes from deep orange and burgundy sandstone hills to monolithic rock formations to high mountain meadows, pine forests and lakes. It is teeming with rich populations of elk, deer, turkey and bobcat. Paintrock Creek, the largest aquifer coming from the Bighorns, is home to some of the best trout fly fishing in northern Wyoming.

This Ranch vacation is the opportunity to immerse yourself in the ranch and explore the surrounding areas on horseback. Our stays are designed to intimately explore and experience the natural world and this unique landscape. Our goal is to put you as close as we can to the heartbeat of the Paintrock Creek and Canyon, as well as the red wall of hills that Native Americans lived and thrived in. You will leave with a deep understanding of the rich history of the area and the important role that ranching plays in restoring our natural resources, while exploring nooks and crannies that only a few people have ever seen.
