About Hidden Trails

Hidden Trails is owned and operated by nature enthusiasts who love horses and adventure activities. We have been involved with riding and other outdoor vacations for over 20 years.

With our partners Voyage du Cheval (France), Pegasus (Germany) as well as Equitour (Switzerland and France) we have collected the best riding destinations all over the world in some hidden places we would like to share with you.

These rides are about galloping on endless beaches, forging rivers, cantering through forests, trotting along age-old trails, gazing at beautiful vistas and encountering foreign cultures. But most of all, these trips are about getting away from the cycle of too much work and never enough free time.

Escape from the rituals, which long ago froze our nights and days into little more than routine and away from the worries of our new tense times. It is so satisfying when we take the plunge of adventure - it's unfortunate that we invent so many reasons to put aside living our dreams of adventure. It is sometimes a tangled web that we weave through life. Some of the threads reveal a work-a-day world of commitments, duties and obligations. Other threads are of a quiet fabric of hope, responsibility and refreshment.

On our adventures you see the real country, its back country and meet the locals. The love for horses has no boundaries but possesses a common language we all speak and understand. The majority of the overseas rides are from inn to inn, some from castle to castle and a few are camping rides.

You will experience new countries and their customs and make new friends. The Hidden Trails trips are the best you can find.

They have been tested by our staff or associates and received our stamp of approval. If you are considering a special riding vacation anywhere in the world, call us first and let our experienced consultants match the perfect trip with your dream.

We will listen to you and give you objective advice to help you choose the best destination and adventure.

Your vacation is the most precious time of the year and we are committed to making it the most memorable time of your life. Wherever you go, have a great time and bring back some peace of mind.

Thank you for your continued support.

Introduction

Idaho, USA

If you have ever rounded up and driven horses in miles of open country, you know it's not just a ride in the park! Driving horses 20 miles a day through all kinds of terrain is a real adventure! It's possibly the most exciting thing you have ever done on horseback. It can be hot and it can be cold, it can be wet or dry or dusty, it can be fast and then slow, it can be challenging yet relaxing. It's a horse drive and anything can happen because it's the real thing!

Lynn, Lana and their family invite you to join them on selected dates and act as a wrangler as you participate in driving approximately 40 horses through miles of open country to their spring, summer or fall pastures. You will ride in an area of natural beauty with abundant wildlife including elk, bald headed eagles, coyotes and ground hogs. In the mornings you will awake to the smell of fresh coffee brewing over the fire and sizzling hot cakes on the griddle! Life just doesn't get any better than this! During the day we round-up and drive the horses through desert canyon country and explore the fascinating countryside. At the end of the day there will not be a more welcome sight than riding over the ridge with the herd of horses, and spotting the chuck wagon and camp waiting for us. Dinner is cooked over the open fire, a perfect end to another perfect day, with a hot and delicious meal, new friends and lots of stories and laughter about the day's adventures! You will no doubt be ready to retire for the evening afterward to your tent or sleep under the stars if you wish, it's exhilarating!

If you're looking for a fast paced cowboy adventure filled with hard working fun, a Medicine Lodge Horse Drive is just the thing for you. Your accommodations are simple yet nice, well suited to the sort of rustic fun vacation we offer. There is no electricity at the ranch, all rooms and cabins have propane lighting. The hot outdoor shower is a favorite for all guests. During the May trip dates we drive 80 to 100 head of horses from the winter to the summer pastures - on all other dates we drive 40 to 50 horses between the summer and fall pastures.

At first if you think this is too rustic for you, but you may be very pleasantly surprised how much you come to love it! The

bathrooms are outhouse style, but kept very clean for your use. There is a log cook cabin with a kitchen and a dining and living room for relaxing and socializing in. There is no smoking in the cabins or rooms! We have a designated area called "Marlboro Country" if you would like a cigarette! There will be no cell phone reception at the ranch or the drive!
