About Hidden Trails

Hidden Trails is owned and operated by nature enthusiasts who love horses and adventure activities. We have been involved with riding and other outdoor vacations for over 20 years.
With our partners Voyage du Cheval (France), Pegasus (Germany) as well as Equitour (Switzerland and France) we have collected the best riding destinations all over the world in some hidden places we would like to share with you.

These rides are about galloping on endless beaches, forging rivers, cantering through forests, trotting along age-old trails, gazing at beautiful vistas and encountering foreign cultures. But most of all, these trips are about getting away from the cycle of too much work and never enough free time.

Escape from the rituals, which long ago froze our nights and days into little more than routine and away from the worries of our new tense times. It is so satisfying when we take the plunge of adventure - it's unfortunate that we invent so many reasons to put aside living our dreams of adventure. It is sometimes a tangled web that we weave through life. Some of the threads reveal a work-a-day world of commitments, duties and obligations. Other threads are of a quiet fabric of hope, responsibility and refreshment.

On our adventures you see the real country, its back country and meet the locals. The love for horses has no boundaries but possesses a common language we all speak and understand. The majority of the overseas rides are from inn to inn, some from castle to castle and a few are camping rides.
You will experience new countries and their customs and make new friends. The Hidden Trails trips are the best you can find.

They have been tested by our staff or associates and received our stamp of approval. If you are considering a special riding vacation anywhere in the world, call us first and let our experienced consultants match the perfect trip with your dream.
We will listen to you and give you objective advice to help you choose the best destination and adventure.

Your vacation is the most precious time of the year and we are committed to making it the most memorable time of your life. Wherever you go, have a great time and bring back some peace of mind.

Thank you for your continued support.

Introduction

Utah, USA
Enjoy the scenic Utah backcountry while staying in a comfortable hotel.

We select daily destinations from several dozen available and lodge and dine in top notch hotels and restaurants at night. Our lodging location will be in Torrey, Utah. Our horseback ride destinations move from Capitol Reef National Park, Dixie National Forest and Fish Lake National Forest.
During warmer weather or fall foliage, excursions to lakes and alpine meadows of Fish Lake or Dixie National Forest become part of the itinerary. Trails on all our horseback rides are mostly ungroomed and pioneered by herdsman, Indians and Outlaws. Areas explored are selected for their remote location and scenic quality.

Accomodation

Accommodations
This is a stationary ride where nights are spent at the same location.

Description
You will be accommodated in one of Torrey's best available lodging (to be confirmed at time of booking but usually the Broken Spur Inn). All lodgings provide comfortable guestrooms with private facilities and free wi-fi access.

Room Occupancy
Single supplement applies if you are a single traveler.

Meals
All meals are included from dinner on Day 1 to lunch on the last day.

Breakfasts are enjoyed at the accommodation, lunches consist in picnic breaks on the trail and dinners feature a sampling of local restaurants in Torrey.

Dietary Restrictions
We can cater to dietary restrictions with prior notice.

Riding

Suitability
While no previous riding experience is required, participants should be in good health and physical condition. And although the minimum age of eight years is required, the important point you should understand is that we do not want to put any participant in a situation which they are physically or emotionally unable to handle. An appreciation of the outdoors is the only prerequisite for joining a trip.

You'll ride at a pace that is comfortable for the group, sometimes splitting into two groups, one faster for the hearty rider, and one well-paced but leisurely for those who wish to take time relishing the beauty and wonder of the sights. All riders will then regroup and make a lunch stop together. Following the afternoon ride you will return to camp with plenty of time to clean up and relax before dinner.

Horses
Our remuda consists of ranch raised Quarter Horses with a few Thoroughbreds, Arabians and Mustangs. Most of the horses we've bred and raised ourselves.
