About Hidden Trails

Hidden Trails is owned and operated by nature enthusiasts who love horses and adventure activities. We have been involved with riding and other outdoor vacations for over 20 years.
With our partners Voyage du Cheval (France), Pegasus (Germany) as well as Equitour (Switzerland and France) we have collected the best riding destinations all over the world in some hidden places we would like to share with you.

These rides are about galloping on endless beaches, forging rivers, cantering through forests, trotting along age-old trails, gazing at beautiful vistas and encountering foreign cultures. But most of all, these trips are about getting away from the cycle of too much work and never enough free time.

Escape from the rituals, which long ago froze our nights and days into little more than routine and away from the worries of our new tense times. It is so satisfying when we take the plunge of adventure - it's unfortunate that we invent so many reasons to put aside living our dreams of adventure. It is sometimes a tangled web that we weave through life. Some of the threads reveal a work-a-day world of commitments, duties and obligations. Other threads are of a quiet fabric of hope, responsibility and refreshment.

On our adventures you see the real country, its back country and meet the locals. The love for horses has no boundaries but possesses a common language we all speak and understand. The majority of the overseas rides are from inn to inn, some from castle to castle and a few are camping rides.
You will experience new countries and their customs and make new friends. The Hidden Trails trips are the best you can find.

They have been tested by our staff or associates and received our stamp of approval. If you are considering a special riding vacation anywhere in the world, call us first and let our experienced consultants match the perfect trip with your dream.
We will listen to you and give you objective advice to help you choose the best destination and adventure.

Your vacation is the most precious time of the year and we are committed to making it the most memorable time of your life. Wherever you go, have a great time and bring back some peace of mind.

Thank you for your continued support.

Riding

Green Mountain National Forest
This is a place with rolling green hills, forested mountains, blue mountain lakes, and trickling creek beds. The forest service maintains a number of trails that can be accessed by horseback riders. Some of these trails allow no motorized vehicles, maintaining the ambiance of the wilderness. These trails extend for miles into the forestland, around rolling green pastures, border mountain lakes, and cross creek beds. On some trails, you can see remnants of history. You may see an old mill-dam and lodge, or even ride on an old wagon trail.

Itinerary

Located on 700 beautiful acres, surrounded by thousands of acres of National Forest and overlooking a pristine lake, the Resort is the perfect setting for a Horseback Riding Vacation.
Enjoy the spectacular property as you walk, trot or canter through serene mountain pastures, over miles of wooded trails, by untouched lakes and ponds, through the lush, green canopy of spring, the flowering country fields of summer and the brilliant colors of autumn's foliage.

From Memorial Day (end of May / early June) to October you can enjoy daily trail rides into the breathtaking Green Mountains of Vermont. We offer daily riders in the morning and in the afternoon - usually 2 hrs (depending on the groups, the riding level and the weather). Trail rides (40 miles of trails available) are offered with English or Western saddles.

We will help you to create a personalized riding vacation to suit your needs and ability level, making it as varied and intensive as desired. In addition to the Equestrian Center, the resort's numerous facilities include tennis, swimming, boating, kayaking, canoeing, hiking, massage therapy, clay bird shooting, nearby golf ... or just simply enjoying the breathtaking vistas from a comfortable chair!

Non-riders
With 700 private acres perched at the top of a quiet mountain road, a 740 acre lake, miles of trails, expansive meadows, the Green Mountain National Forest and a full host of activities, there is no shortage of things to do, even for non-riders.
Non-riding activities available on the resort include swimming, paddleboarding, beach and lake activities (fishing and boating - extra fee might apply), clay bird shooting and hiking.
