## About Hidden Trails

Hidden Trails is owned and operated by nature enthusiasts who love horses and adventure activities. We have been involved with riding and other outdoor vacations for over 20 years.

With our partners Voyage du Cheval (France), Pegasus (Germany) as well as Equitour (Switzerland and France) we have collected the best riding destinations all over the world in some hidden places we would like to share with you.

These rides are about galloping on endless beaches, forging rivers, cantering through forests, trotting along age-old trails, gazing at beautiful vistas and encountering foreign cultures. But most of all, these trips are about getting away from the cycle of too much work and never enough free time.

Escape from the rituals, which long ago froze our nights and days into little more than routine and away from the worries of our new tense times. It is so satisfying when we take the plunge of adventure - it's unfortunate that we invent so many reasons to put aside living our dreams of adventure. It is sometimes a tangled web that we weave through life. Some of the threads reveal a work-a-day world of commitments, duties and obligations. Other threads are of a quiet fabric of hope, responsibility and refreshment.

On our adventures you see the real country, its back country and meet the locals. The love for horses has no boundaries but possesses a common language we all speak and understand. The majority of the overseas rides are from inn to inn, some from castle to castle and a few are camping rides.

You will experience new countries and their customs and make new friends. The Hidden Trails trips are the best you can find.

They have been tested by our staff or associates and received our stamp of approval. If you are considering a special riding vacation anywhere in the world, call us first and let our experienced consultants match the perfect trip with your dream.

We will listen to you and give you objective advice to help you choose the best destination and adventure.

Your vacation is the most precious time of the year and we are committed to making it the most memorable time of your life. Wherever you go, have a great time and bring back some peace of mind.

Thank you for your continued support.

## Itinerary

### Sample Itinerary - subject to changes

Please note that this itinerary is given as guidance only and may be altered.

#### Day 1 (Saturday): Arrival

Plan your flight to arrive at Tirana airport ideally in the morning, but no later than 3:00 pm - this leaves time for the transfer and to be able to visit the town of Gjirokastra.

From the airport, the transfer will be by mini-van or off-road car and will take around 3-4 hours (250km). Settle into your hotel, 10 minutes walking from the centre of historical Gjirokastra. You can have a walk around the historical town of the old Bazaar: visit the Enver Hoxha's house, Gjirokastra castle, the church of the Old Bazaar, the mosque of the Bazar and Skenduli house representing an ideal sample of Gjirokastra traditional life.

Dinner will be served at a traditional restaurant. During dinner your guides will be able to speak to you about the trail: possible requests or needs, advice and things which are good to know. We recommend that you buy a map of the area before dinner in order to gain a good understanding of the itinerary.

*Meals included: Dinner*

*Overnight at Hotel in Gjirokastra*

#### Day 2 (Sunday): Ride to Karjan

After enjoying breakfast at the hotel, we will proceed to the next part of our adventure—a horseback ride through the picturesque countryside towards the charming medieval village of Karjan. This village embodies tradition and serves as a rural haven for passing caravans, boasting quaint churches and an ancient Roman bridge. As we traverse the rural landscape, we will encounter small houses, gardens, and witness traditional farming and cultivation practices. The journey unfolds amidst a backdrop of rolling hills, serene valleys, babbling water streams, and majestic cliffs. Along the way, we will be treated to breath-taking views of the River Drino, also known as the "Tree of Life" river, a significant water source deeply rooted in ancient pagan beliefs.

On route, we will encounter the remnants of the Santa Triada castle, which was reconstructed by Ali Pasha between 1809 and 1810. This strategically positioned castle once served as a control point for caravan routes and later found utility in military affairs during the socialist era. We will pause for a well-deserved lunch break in the scenic Shen Toder village. Afterward, we will continue our journey, riding for approximately 1.5 hours, until we finally arrive at the enchanting village of Karjan. Here, we will be warmly welcomed by a local family who will provide us with accommodation.

For dinner, we will have the opportunity to savor delectable dishes made from locally grown ingredients sourced from their own garden, accompanied by raki and wine, offering a true taste of the region. You are welcome to feed, clean, water, and brush the horses.

*Riding 4-5 hours*

*Meals included: Breakfast, Lunch & Dinner*

*Overnight at Family house in Karjan*

#### Day 3 (Monday): Karjan to Nderan

After breakfast we will continue further north to the villages of Small Labova and the valley of Cajupi. We will follow the ancient merchant's cobble stone road of Zhapa with its mountain panorama, wide view of the hills and valleys. The first break will be in Small Labova, a village well known all over the south for its wonderful Church and the big houses belonging to the merchants which are now mostly ruined. Labova is the birthplace of Vangjel Zhapa, the organizer of the first Modern Olympic Games. Zhapa was a well-known businessman and philanthropist who lived around 200 years ago. After visiting the church a very unique mediaeval building you will start riding up the mountain. You will be impressed by the mountain's rare vegetation such as mountain tea, oregano, wild rose and other endemic plants like digitalis or 'Dig-Dag' as it's known locally. We follow the mountain path to the valley of Cajupi where we stop by a cattle of 1000 sheep to visit shepherds and spent lunch with them. You will have the

chance to taste the Brati famous spring water, a typical station of the old caravans with its small tower "karakoll". After a nice gallop through Cajupi valley, the trail will follow the medieval Caravan pathway with its famous bandit hideout "Hija e Mallkuar" or "The Cursed Shadow". From here, medieval thieves could rob the caravans passing through Zagoria.

Depending on the condition of the road under construction in this segment, the guides may choose to take an alternative itinerary based on the situation. The new route may require mandatory walking on foot, on a sloped terrain, for up to 20 minutes.

The final destination of today will be the village of Nderan, placed in the heart of Zagoria region. This village will be our home for two nights.

Dinner will be a delicious mixture of local products, raki and wine. You can join the local life and accompany the family during the milking process, dinner preparation or have a look at the families, farming animals and garden. You are welcome to feed, clean, water, and brush the horses once again.

Following a delightful country breakfast, we will journey through a picturesque mountain valley, perfect for invigorating gallops. Along the way, we'll pass by secluded farms, majestic cliffs, and hidden historical trails, veering away from the typical tourist paths. This route through the captivating Pogoni region offers a true journey through time, where ancient ruins and mythical natural wonders await our discovery.

Our midday picnic will be enjoyed near the renowned stone bridge of Hilomo or Kacarello's, a remarkable architectural gem from the merchant era. This isolated marvel can only be reached by horse, adding to its mystique and allure.

After a thrilling ride, we will arrive at the heart of the Pogoni region, the charming mountain village of Polican, predominantly inhabited by a Greek minority. You will have the opportunity to spend the night with a Greek minority family, immersing yourself in their rich cultural heritage. In their company, you can explore fascinating medieval cult monuments that hold a special place in the village's history.

Here, you will have the pleasure of savouring an array of honey flavours, with nearly ten different varieties available throughout the seasons, each capturing the essence of the local bee pastures. You are welcome to feed, clean, water, and brush the horses once again.

This day promises an exciting blend of adventure, cultural exploration, and culinary delights, as we delve into the hidden treasures of the Pogoni region.

*Riding approx. 4-5 hours*

*Meals included: Breakfast, Lunch & Dinner*

*Overnight at Family house in Polican*

#### **Day 6 (Thursday): Polican to Libohova**

Today, we bid farewell to the Greek minority as we set our sights on the town of Libohova. The journey ahead will take us through challenging yet breath-taking mountain landscapes, culminating in a grand finale at Swallow Rock, perched 500 meters above the glistening Suha River. Depending on the weather, our chosen picnic spot will either be alongside the Suha River, allowing for a refreshing swim (depending on the season & weather conditions), or at the historic Church of Labova of the Cross. In both instances, we will have the opportunity to explore this extraordinary monument, the oldest church in Albania, constructed by Justinian the Great in 554. It holds great significance as the site where Justinian married his wife, Teodora, with the villagers preserving her wedding dress for generations. Adorned with a captivating wooden iconostasis adorned with floral and symbolic animal scenes, the church exudes a timeless charm. We will pause for lunch at a delightful local restaurant known for its exceptional regional cuisine.

In the afternoon, our journey continues to Libohova, a charming town nestled at the base of the majestic Bureto Mountain. Archaeological evidence indicates its ancient roots, but it flourished in the 17th century, evolving into a bustling commercial hub. During the afternoon, you may opt to take a leisurely stroll, approximately one hour in duration, to visit the historic Libohova Castle, an esteemed Bektashi spiritual site, and the tomb of Shanisha, sister of Ali Pasha.

For the night, you will be warmly welcomed into a local family's home in Libohova, where you will have the pleasure of savouring delicious local cuisine. Immerse yourself in the farm life by engaging in activities such as assisting with chores, cooking, feeding the horses, or even enjoying local music. It's a chance to truly experience the local way of life and forge unforgettable memories.

*Riding 5 hours*

*Meals included: Breakfast, Lunch & Dinner*

*Overnight at Family house in Libohova*

#### **Day 7 (Friday): Libohova to Stables**

Today's ride will be relatively short but filled with captivating scenery. We'll begin our morning by traversing rolling hills, passing through the picturesque Drino's Valley, and crossing a few charming water streams. As we ascend a steep hill, we will enter the magnificent Antigonea National Park, where we will pause for a visit. This ancient site, constructed by King Pyrrhus in 295 BC, holds the name of his first wife, Antigona, who was the daughter of King Ptolemais of Egypt. Take your time to explore the rich historical significance of this remarkable place before we continue our journey.

After our visit, we will ride for an additional hour until we reach the stable, where you will have the unique opportunity to experience the joy of releasing your horses and witnessing their freedom. Following this exhilarating experience, a delightful picnic lunch, prepared by a family, awaits us in the village of "Asim Zeneli," just a short five-minute drive from the stable.

Once we have satisfied our appetites, we will return to the same hotel in Gjirokastra for accommodation. The entire afternoon will be at your leisure, providing time to make preparations for your departure, explore local museums, or indulge in some souvenir shopping. As the day draws to a close, we will gather for a memorable farewell dinner at a cosy restaurant in the old Bazaar, savouring the last tastes of the local cuisine.
