About Hidden Trails

Hidden Trails is owned and operated by nature enthusiasts who love horses and adventure activities. We have been involved with riding and other outdoor vacations for over 20 years.
With our partners Voyage du Cheval (France), Pegasus (Germany) as well as Equitour (Switzerland and France) we have collected the best riding destinations all over the world in some hidden places we would like to share with you.

These rides are about galloping on endless beaches, forging rivers, cantering through forests, trotting along age-old trails, gazing at beautiful vistas and encountering foreign cultures. But most of all, these trips are about getting away from the cycle of too much work and never enough free time.

Escape from the rituals, which long ago froze our nights and days into little more than routine and away from the worries of our new tense times. It is so satisfying when we take the plunge of adventure - it's unfortunate that we invent so many reasons to put aside living our dreams of adventure. It is sometimes a tangled web that we weave through life. Some of the threads reveal a work-a-day world of commitments, duties and obligations. Other threads are of a quiet fabric of hope, responsibility and refreshment.

On our adventures you see the real country, its back country and meet the locals. The love for horses has no boundaries but possesses a common language we all speak and understand. The majority of the overseas rides are from inn to inn, some from castle to castle and a few are camping rides.
You will experience new countries and their customs and make new friends. The Hidden Trails trips are the best you can find.

They have been tested by our staff or associates and received our stamp of approval. If you are considering a special riding vacation anywhere in the world, call us first and let our experienced consultants match the perfect trip with your dream.
We will listen to you and give you objective advice to help you choose the best destination and adventure.

Your vacation is the most precious time of the year and we are committed to making it the most memorable time of your life. Wherever you go, have a great time and bring back some peace of mind.

Thank you for your continued support.

Estancia Getaway near Buenos Aires - Argentina, South America

Airport: Buenos Aires (EZE)

Introduction

Buenos Aires, Argentina
This Estancia Getaway lets you enjoy the Argentine countryside with the enhancement of its uses and customs.

The gauchos used to gallop their horses through the pampa from end to end. Their silhouettes vanished on the horizon, behind a large dust cloud. Only a river or a stream could stop them in this ideal land for livestock and crops. This infinite landscape was transformed with agricultural production, but the traditions of rural life still remain.

Right after crossing the gate, guests begin to enjoy the rural air. Flocks of ducks fly cross the sky in their characteristic V-shaped formations, from lagoon to lagoon. The variety of birds in the area inspired the name of the estancia and also the rooms. The house is colonial style, with unostentatious elegance. Its pleasant and spacious rooms are an invitation to rest. The pastures and the hacienda can be explored on horseback. It is also possible to participate in a polo clinic or just enjoy being a spectator. The service is customized, with caring attention.

Accomodation

Accommodations
This is a stationary ride where nights are all spent at the estancia.

Description
After walking through the agricultural pastures, guests arrive at the main house, framed by a magnificent grove of trees: immense banana trees, poplars, pines, as well as ginkgo bilobas that stand out in autumn with their intense yellow leaves.
The estancia was built in a traditional 29th-century colonial style and was renovated in 2017. It offers 5 spacious bedrooms (1 standard, 2 suites and 2 apartments) with private facilities, separated by wide galleries, keeping the house cool. All rooms are named after birds that are frequently seen in the estancia.
The main building is surrounded by a big (1 million square feet!) park, with an unheated swimming pool that guests are welcome to use.
Please, note Wi-Fi access is available in some areas only and there is a weak cell signal.

Room Options

Standard

This double room has an ensuite bathroom.

Suites
The suites are equipped with a double bed, private bathroom and a fireplace. One of the suite is equipped with air conditioning.

Apartments
Each apartment has 2 double rooms, a living room and a bathroom, making it ideal for families or groups of friends.

Room Occupancy
Single supplement is mandatory if we are unable to find another rider to share the room with you.

Meals
All meals and beverages (including house wine and soft drinks) are included from dinner on Day 1 to lunch on your last day.
It is possible to pay a small fee to have lunch on your arrival day as well.

Breakfast is available between 8:30 am and 10:00 am.
Lunch is served at 1 pm and dinner is at 8:30 pm.

During your stay, you will be served traditional recipes, very tasty, cooked with fresh ingredients from the vegetable garden. You can help us with our daily works at the orchard such as watering, planting, harvesting, pruning or just wandering around the vegetable beds identifying the different crops.

It is impossible to miss the ever present homemade dulce de leche – fudge – and the juicy empanadas: everybody wants the recipe to take away!
Our asados (BBQ) are also memorable and we choose the best pieces of meat for your enjoyment (vegetarian option also available).

Non-alcoholic beverages are included with your stay. House wine (during lunch and dinner) can be purchased locally.

Dietary Restrictions
We can cater to all dietary restrictions with prior notice.

Riding

Horses
We have very well trained and easygoing horses, so you can enjoy a ride whether you have any previous experience or not.

Itinerary

During your stay at the estancia, horseback riding as well as cycling activities are included daily.

The estancia offers various trail rides, going through the pampas, on small trails and near small lagoons with plenty of birds.
The shortest ride is about 45 minutes and the longest about 2 hours long.

Experienced riders can also try the gaucho's barrel race.

The estancia is surrounded by a large park with many trails and beautiful trees. Because the terrain is mostly flat, the trails can suit all riding levels from beginners to more experienced riders.
