About Hidden Trails

Hidden Trails is owned and operated by nature enthusiasts who love horses and adventure activities. We have been involved with riding and other outdoor vacations for over 20 years.

With our partners Voyage du Cheval (France), Pegasus (Germany) as well as Equitour (Switzerland and France) we have collected the best riding destinations all over the world in some hidden places we would like to share with you.

These rides are about galloping on endless beaches, forging rivers, cantering through forests, trotting along age-old trails, gazing at beautiful vistas and encountering foreign cultures. But most of all, these trips are about getting away from the cycle of too much work and never enough free time.

Escape from the rituals, which long ago froze our nights and days into little more than routine and away from the worries of our new tense times. It is so satisfying when we take the plunge of adventure - it's unfortunate that we invent so many reasons to put aside living our dreams of adventure. It is sometimes a tangled web that we weave through life. Some of the threads reveal a work-a-day world of commitments, duties and obligations. Other threads are of a quiet fabric of hope, responsibility and refreshment.

On our adventures you see the real country, its back country and meet the locals. The love for horses has no boundaries but possesses a common language we all speak and understand. The majority of the overseas rides are from inn to inn, some from castle to castle and a few are camping rides.

You will experience new countries and their customs and make new friends. The Hidden Trails trips are the best you can find.

They have been tested by our staff or associates and received our stamp of approval. If you are considering a special riding vacation anywhere in the world, call us first and let our experienced consultants match the perfect trip with your dream.

We will listen to you and give you objective advice to help you choose the best destination and adventure.

Your vacation is the most precious time of the year and we are committed to making it the most memorable time of your life. Wherever you go, have a great time and bring back some peace of mind.

Thank you for your continued support.

Introduction

Corrientes, Argentina

This is a unique opportunity to take part in a traditional Argentinian event!

Each November, the city of Curuzú Cuatiá celebrates its birthday with a beautiful parade. Gauchos from nearby towns come together to celebrate at this festive event.

You will ride approximately 64 km from the estancia to the city of Curuzú Cuatiá, where the parade takes place.

Accommodation

Accommodations

This is a progressive ride, so accommodations will be in different locations.

Descriptions

You will stay in 3 nights at the estancia and 1 night in an outpost.

Accommodation Itinerary - subject to changes based on availability

Night 1: Estancia

Night 2: Ovejero Outpost

Night 3 & 4: Estancia

Estancia

The main house in the estancia was recently remodeled with great attention to the style and architecture of this Argentinian Province. The local architecture is well suited to warm temperatures. The whole house is surrounded by a gallery with low gabled roofs, and the fresh breeze coming from the countryside, helps to beat the heat.

Each of the 7 bedrooms are made with adobe walls, high ceilings and all have a private bathroom with shower, air conditioning, Wi-Fi (due to remote location connection can be slow) and windows overlooking the garden. Please, note that there are no TVs at the estancia. However, there is cell phone coverage.

There is an outdoor pool (not heated) where guests can relax in the evening.

Ovejero Outpost

This rural outpost has one communal bedroom with 6 bunk beds and 4 beds. Facilities are shared and located in a shed near the outpost.

There is a hot water and electricity available.

Room Occupancy

Single supplement only applies to the nights at the estancia and is subject to availability. The single supplement fee is mandatory for all solo travelers.

Triple occupancy is usually possible at the estancia upon request.

Meals

All meals are included from dinner on Day 1 to breakfast on the last day.

Fruit and vegetables from the garden are brought to the table of the estancia to create fresh and tasty dishes that highlights the value of the traditional cuisine of Corrientes.

Soft drinks are included during meals and water is provided during the rides.

Dietary Restrictions

We can cater to all dietary restrictions given prior notice.

Riding

The estancia breeds and trains their own horses with great patience and without violence. The horses are part of the daily life here.

Children policy

Children over 12 years of age may participate in this program if they have riding experience and are ready to ride at least for 8 hours a day.

Horse Equipment

Our horses do not wear shoes because the ground around the estancia is soft and sandy.

We use bridles with kimblewick mouth bits with medium parts. Our saddles are traditional Argentinian saddles which are more comfortable than English saddles.

Saddlebags are provided to avoid riding with backpacks.

We usually ride with both reins in one hand.
