About Hidden Trails

Hidden Trails is owned and operated by nature enthusiasts who love horses and adventure activities. We have been involved with riding and other outdoor vacations for over 20 years.
With our partners Voyage du Cheval (France), Pegasus (Germany) as well as Equitour (Switzerland and France) we have collected the best riding destinations all over the world in some hidden places we would like to share with you.

These rides are about galloping on endless beaches, forging rivers, cantering through forests, trotting along age-old trails, gazing at beautiful vistas and encountering foreign cultures. But most of all, these trips are about getting away from the cycle of too much work and never enough free time.

Escape from the rituals, which long ago froze our nights and days into little more than routine and away from the worries of our new tense times. It is so satisfying when we take the plunge of adventure - it's unfortunate that we invent so many reasons to put aside living our dreams of adventure. It is sometimes a tangled web that we weave through life. Some of the threads reveal a work-a-day world of commitments, duties and obligations. Other threads are of a quiet fabric of hope, responsibility and refreshment.

On our adventures you see the real country, its back country and meet the locals. The love for horses has no boundaries but possesses a common language we all speak and understand. The majority of the overseas rides are from inn to inn, some from castle to castle and a few are camping rides.
You will experience new countries and their customs and make new friends. The Hidden Trails trips are the best you can find.

They have been tested by our staff or associates and received our stamp of approval. If you are considering a special riding vacation anywhere in the world, call us first and let our experienced consultants match the perfect trip with your dream.
We will listen to you and give you objective advice to help you choose the best destination and adventure.

Your vacation is the most precious time of the year and we are committed to making it the most memorable time of your life. Wherever you go, have a great time and bring back some peace of mind.

Thank you for your continued support.

Introduction

Interior, Belize
This package is perfect for those who wish to mix Horseback riding with other nature based activities!

Choose from day long or half day rides to enjoy nature and be on a horse without any specific goal in mind other than to ride and relax. The Lodge is also home to an art gallery and a museum for those who wish to add a cultural aspect to their holiday.
Finally, if you are looking for non-riding activities, you can choose from a wide array of options including birding, cave tubing, zip lining and much more!

Accomodation

Accommodations
This is a stationary ride, so nights will be spent in the same location.

Description
Nestled near the river in a quiet jungle setting, in the midst of birds and other tropical wildlife! The tropical jungle resort features delightful accommodations that blend with the local landscape and culture. You will stay in standard rooms in the main lodge or in cabanas with roofs made from jungle bay leaf thatch and are uniquely designed. Built by local craftsmen with fine Belizean woods, they are, in themselves each works of art. All standard rooms and suites are equipped with A/C for your comfort (we also have some rooms in the cabanas with A/C). The cabanas and chalet rooms are equipped with ceiling fans and / or standing fans. On site you'll enjoy a swimming pool, bird sanctuary, and 14" Meade telescope for star gazing at night. Wireless is available at the front desk/reception area of the lodge and in the Chateau Brio building. Laundry is also available.

Standard Rooms
Beautiful stained glass windows and solarium bathrooms make theses all delightful places to stay. The unique use of sea shells in a bathroom mirror, Carolyn Carr art, artistic tiling, local arts and crafts, honor the Belize culture and beauty in these designer rooms. Rooms are air-conditioned and have a reading desk, comfortable easy chair, as well as a queen bed, and most of them have a single bed as well. Four of our standard rooms are in the lodge which has a communal sitting area, adjacent to a patio that overlooks the river. The other two standard rooms are in our Chateau Brio. The building features curved stairs with beautiful banisters and amazing masonry around all the windows. On the second floor there is a large patio where evening conversation can be enjoyed. Inside the rooms you can relish the view of the beautiful landscaping and pool through arched, stained

glass windows.

Cabanas
With roofs made from jungle bay leaf thatching are uniquely designed. Crafted by the Banana Bank craftsmen with fine Belizean woods, they are, in themselves works of art. Each cabana has a solarium bath, a sitting room, and two bedrooms, each room with a queen size and single bed. Four to six family members, friends or groups traveling together can be easily accommodated in each cabana. Carved doors, original oil paintings and jungle ambiance create a truly memorable surrounding.

Room Occupancy
Single supplement is mandatory if you are traveling as a single rider.
Triple occupancy is possible.

Meals
All meals from dinner on Day 1 to breakfast on your last day are included.

The dining room has an exotic feel to it. The tone is set by the soaring thatched roof. Carved banisters, pink gypsum stonewalls, and rich local hard wood paneling make this a beautiful place to enjoy. Our meals are served family style and are widely reported to be some of the best in Belize. The family atmosphere provides a setting for lively discussion between guests from different parts of the world and diverse interest. Menus vary but center around the kind of home cooking we call "grandma's food" although our girls cook up some of the best local cuisine found in Belize.

Dietary Restrictions
We can cater to most dietary restrictions if given prior notice.

Riding

Riding
Your Belize horseback riding vacation will be unlike any other vacation you have had before. We offer the best horseback riding in Belize with miles of jungle trails combined with years of experience, on the 4000-acre property. Allow us to show you the thrill of riding through the tropical broad leaf forest as we point out birds, wildlife, trees and medicinal plants. Learn about the culture and the beauty of Belize.

Pace
Rides can vary from 2-hour rides to 4-5 hours in the saddle. For the all-day rides we offer two options. You can either go out to ride in the morning – come back to the lodge for lunch – and then continue the ride in the afternoon, or, you can carry a picnic lunch with you and go a further distance riding. With so many trails and activities, it is all up to you!

Horses
About a hundred horses of thoroughbred mixed with quarter horse breeds are found at our farm. Years of careful hands on training from when they are foals, provide trustworthy but agile mounts that will easily carry you through the jungle trails. We train our horses as per horse whispering concepts and methods. We are experts at matching horses and riders.

Tack
While we mostly ride western, we do have two sets of English saddles and tack for your use.

Staff
Our cowboys are eager to meet you and take you on memorable rides throughout the many trails. Cesar, Sherman, John and Chico will show you the joy of riding through the jungle. All our cowboys not only conduct the rides, but they train as per horse whispering methods and John Carr horsemanship practices, all our born and bred horses.

Itinerary

We help make your Belize vacation planning easier by offering a packages which covers the cost of meals, transfers, your choice of 6 different activities (1 Activity = 1 unit) and taxes. Pay one fee and we handle the rest!

You can choose from a wide range of riding and non-riding activities. Please, note that there are no activities planned for your arrival and departure day.
We have included lists of example of activities that could be added to your package but the lodge offers even more options to choose from.

Riding activities
We follow a philosophy of working with horses based on the horses' natural instincts and methods of communication. The object of horsemanship is for the horse to be calm and feel safe throughout the training process. A horse that feels calm and safe with his handler is quick to bond with that person and the results can be remarkable. We emphasize communication with the horse by establishing "Ground Work" to create boundaries that relate to "Trust" between humans and horses. Trust is predictable positive behavior proven over time.
The lodge is a unique place with large pastures where the horses are allowed to run free. With some 80 head of horses, we have a very large selection from which you may choose to find that special horse.
Open pasture, jungle and river provide both challenging and relaxing rides.

Riding activities include:
- Tiger Creek Trail (3 hours) and River and Rows Trail (2 hours - ride by Belize River then in the teak plantation) = 1 unit
- Ride and Relax Day (Ride for 2 hours and then get a massage) = 1 unit
