About Hidden Trails

Hidden Trails is owned and operated by nature enthusiasts who love horses and adventure activities. We have been involved with riding and other outdoor vacations for over 20 years.
With our partners Voyage du Cheval (France), Pegasus (Germany) as well as Equitour (Switzerland and France) we have collected the best riding destinations all over the world in some hidden places we would like to share with you.

These rides are about galloping on endless beaches, forging rivers, cantering through forests, trotting along age-old trails, gazing at beautiful vistas and encountering foreign cultures. But most of all, these trips are about getting away from the cycle of too much work and never enough free time.

Escape from the rituals, which long ago froze our nights and days into little more than routine and away from the worries of our new tense times. It is so satisfying when we take the plunge of adventure - it's unfortunate that we invent so many reasons to put aside living our dreams of adventure. It is sometimes a tangled web that we weave through life. Some of the threads reveal a work-a-day world of commitments, duties and obligations. Other threads are of a quiet fabric of hope, responsibility and refreshment.

On our adventures you see the real country, its back country and meet the locals. The love for horses has no boundaries but possesses a common language we all speak and understand. The majority of the overseas rides are from inn to inn, some from castle to castle and a few are camping rides.
You will experience new countries and their customs and make new friends. The Hidden Trails trips are the best you can find.

They have been tested by our staff or associates and received our stamp of approval. If you are considering a special riding vacation anywhere in the world, call us first and let our experienced consultants match the perfect trip with your dream.
We will listen to you and give you objective advice to help you choose the best destination and adventure.

Your vacation is the most precious time of the year and we are committed to making it the most memorable time of your life. Wherever you go, have a great time and bring back some peace of mind.

Thank you for your continued support.

Introduction

Interior, Belize
The lodge offers a warm and relaxing environment as well as many fun adventures on horseback.

The equestrian facility includes round pens and an arena. The property is also home to open pastures, jungles and rivers, providing both challenging and relaxing rides.

Accomodation

Accommodations
This is a stationary ride, so nights will be spent in the same location.

Description
Nestled near the river in a quiet jungle setting, in the midst of birds and other tropical wildlife! The tropical jungle resort features delightful accommodations that blend with the local landscape and culture. You will stay in standard rooms in the main lodge or in cabanas with roofs made from jungle bay leaf thatch and are uniquely designed. Built by local craftsmen with fine Belizean woods, they are, in themselves each works of art. All standard rooms and suites are equipped with A/C for your comfort (we also have some rooms in the cabanas with A/C). The cabanas and chalet rooms are equipped with ceiling fans and / or standing fans. On site you'll enjoy a swimming pool, bird sanctuary, and 14" Meade telescope for star gazing at night.
Wireless is available at the front desk/reception area of the lodge and in the Chateau Brio building. Laundry is also available.

Standard Rooms
Beautiful stained glass windows and solarium bathrooms make theses all delightful places to stay. The unique use of sea shells in a bathroom mirror, Carolyn Carr art, artistic tiling, local arts and crafts, honor the Belize culture and beauty in these designer rooms. Rooms are air-conditioned and have a reading desk, comfortable easy chair, as well as a queen bed, and most of them have a single bed as well. Four of our standard rooms are in the lodge which has a communal sitting area, adjacent to a patio that overlooks the river. The other two standard rooms are in our Chateau Brio. The building features curved stairs with beautiful banisters and amazing masonry around all the windows. On the second floor there is a large patio where evening conversation can be

enjoyed. Inside the rooms you can relish the view of the beautiful landscaping and pool through arched, stained glass windows.

Cabanas
With roofs made from jungle bay leaf thatching are uniquely designed. Crafted by the Banana Bank craftsmen with fine Belizean woods, they are, in themselves works of art. Each cabana has a solarium bath, a sitting room, and two bedrooms, each room with a queen size and single bed. Four to six family members, friends or groups traveling together can be easily accommodated in each cabana. Carved doors, original oil paintings and jungle ambiance create a truly memorable surrounding.

Room Occupancy
Single supplement is mandatory if you are traveling as a single rider.
Triple occupancy is possible.

Meals
All meals from dinner on Day 1 to breakfast on your last day are included.

The dining room has an exotic feel to it. The tone is set by the soaring thatched roof. Carved banisters, pink gypsum stonewalls, and rich local hard wood paneling make this a beautiful place to enjoy. Our meals are served family style and are widely reported to be some of the best in Belize. The family atmosphere provides a setting for lively discussion between guests from different parts of the world and diverse interest. Menus vary but center around the kind of home cooking we call "grandma's food" although our girls cook up some of the best local cuisine found in Belize.

Dietary Restrictions
We can cater to most dietary restrictions if given prior notice.

Riding

Horses
About 80 horses of thoroughbred mixed with quarter horse breeds are found at our farm. Years of careful hands on training from when they are foals, provide trustworthy but agile mounts that will easily carry you through the jungle trails. We train our horses as per horse whispering concepts and methods. We are experts at matching horses and riders.

Tack
While we mostly ride western, we do have two sets of English saddles and tack for your use.

Itinerary

When you arrive and are settled in, we can help you plan your stay or maybe you want to take it one day at a time. There are lots of trails to rides to choose from.
We have on staff trainers to show you the finer points of serious horsemanship. Work along beside them to refine skills you may already have in horsemanship or learn some new ones.

This package also includes your choice of two trips away from the lodge (non-riding tours):
- Cave-tubing and Zip-line Combo Tour
- Xunantunich Maya Site and San Ignacio Town Tour

- Chocolate Making Tour and Inland Blue Hole National Park featuring St Herman's Cave
- Belize Zoo and River Tubing Tour (after visiting the Belize Zoo you tube the Belize River and meander back to the lodge)
- Actun Tunichil Mucknal Cave - Cave Rafting

Non-Riding activities
There are also a number of free activities that you can take part in during your stay including birding, swimming in the outdoor pool or visiting the onsite museum and art gallery.
