## About Hidden Trails

Hidden Trails is owned and operated by nature enthusiasts who love horses and adventure activities. We have been involved with riding and other outdoor vacations for over 20 years.

With our partners Voyage du Cheval (France), Pegasus (Germany) as well as Equitour (Switzerland and France) we have collected the best riding destinations all over the world in some hidden places we would like to share with you.

These rides are about galloping on endless beaches, forging rivers, cantering through forests, trotting along age-old trails, gazing at beautiful vistas and encountering foreign cultures. But most of all, these trips are about getting away from the cycle of too much work and never enough free time.

Escape from the rituals, which long ago froze our nights and days into little more than routine and away from the worries of our new tense times. It is so satisfying when we take the plunge of adventure - it's unfortunate that we invent so many reasons to put aside living our dreams of adventure. It is sometimes a tangled web that we weave through life. Some of the threads reveal a work-a-day world of commitments, duties and obligations. Other threads are of a quiet fabric of hope, responsibility and refreshment.

On our adventures you see the real country, its back country and meet the locals. The love for horses has no boundaries but possesses a common language we all speak and understand. The majority of the overseas rides are from inn to inn, some from castle to castle and a few are camping rides.

You will experience new countries and their customs and make new friends. The Hidden Trails trips are the best you can find.

They have been tested by our staff or associates and received our stamp of approval. If you are considering a special riding vacation anywhere in the world, call us first and let our experienced consultants match the perfect trip with your dream.

We will listen to you and give you objective advice to help you choose the best destination and adventure.

Your vacation is the most precious time of the year and we are committed to making it the most memorable time of your life. Wherever you go, have a great time and bring back some peace of mind.

Thank you for your continued support.

## Introduction

Central, Chile

The legendary crossing of the Andes through the route taken by San Martín in 1817.

While the roar of freedom was still heard in France and U.S., its echo rolled into South America... patriotic voices with gigantic dreams put an end to 350 years of monarchic domination and opened an era of individual free will.

We invite you to share with us the privilege of re-enacting one of the most amazing achievements in the history of South America. Crossing the Andes on horseback through the trail that San Martín and his "Army of the Andes" did in 1817 to free the people of Chile from their European monarchs. We have the chance to feel the enormous efforts that the fathers of Chilean independence had to overcome. A trip of a lifetime, this mythical journey draws like a magnet.

This wilderness is flanked by the highest mountains in the Americas: the Aconcagua (20 900 feet) and the Mercedario (20 700 feet). It is in these uninhabited places, only reachable on horseback, where huge herds of guanacos roam freely and the Andean condor nests. Only in unique places like this can one enjoy the privilege of watching them at ease. As the sun sets, the spectacular stars of the southern hemisphere cover the sky. Relax at the camp with its peaceful atmosphere and the campfire that lightens up the darkness as you share a cup of coffee, tea or mate. All this creates the ideal ambiance to feel the timeless spirit of nature and settle each day's emotions. Only after we have reached the other side of the Andes we will be able to say that we now completely understand the exact value of each of San Martín's words: "...and to the Army of the Andes remains forever the glory of saying: in 24 days we have done the campaign, we crossed the highest mountains of the globe, we ended tyranny and gave freedom to Chile" (declared by José de San Martín, 22 February, 1817, Santiago de Chile).

This is truly a spectacular horse trek into the wild Andes range; travel from the Los Patos Mountain on a journey exploring the Chilean Andes and Argentinian Andes borderlands. Following the historic route we learn about the Chilean huasos and Argentinian gauchos and test your zest for adventure as you camp among the rugged and beautiful Andes Mountains. Rustic camps are framed by stunning glacier capped peaks as you revel in the splendor of the elevations. You will travel in the shadow of Aconcagua, the tallest mountain of all the Americas and navigate difficult mountain passes such as the Aleton Pass, 300 meters above a bold river. Even in the extreme elements an abundance of wildlife is present for riders to discover: the furry camel relative Guanacos, chinchilla-like Vizcachas and the impressive Condors, the largest flying land birds of the Western Hemisphere with a 10 foot wingspan! The semi-desert and mountain landscapes keep you involved and alert with numerous rivers and streams to cross, rocky summits and mountain passes to challenge, and chance snowfalls on a colorful, isolated setting - perfect for the adventure camping trip of your life!

You will be partnered with a mountain veteran - your sturdy Criollo bred horse - and accompanied by a guide and trusty pack mules to carry your camp essentials and belongings. Come navigate the Andes as you gain insight into the life and times of the South American cowboy and relive a little bit of history in the steps of the courageous Army of Liberation.

## Accommodation

### Accommodations

This is a progressive ride where nights are spent in different locations.

### Description

Most nights on this trip are spent camping except for the first and last night which are spent in hotels in Los Andes (Chile) and Uspallata (Argentina). Wi-Fi internet and electricity is only available at the hotel accommodations.

*Accommodation Itinerary - subject to changes based on availability*

Night 1: Plaza Hotel in Los Andes

Night 2: Camping in Las Tejas

Night 3: Camping in El Cienego

Night 4 & 5: Camping in Valle Hermoso

Night 6: Camping at Rancho de Lata

Night 7: Camping at Penon Colorado

Night 8: Plaza Hotel in Uspallata

Night 8 & 9: Hotel Los Condores in Uspallata

**Plaza Hotel in Los Andes**

This hotel offers basic rooms in the mountain town of Los Andes, in Chile. All rooms are fitted with free Wi-Fi access, a TV, air conditioning and a private bathroom. Guests can also decide to go for a swim in the outdoor swimming pool.

**Camping**

While camping, nights are spent in various camps along the way. We provide you with an igloo tent but you have to provide your own mat and sleeping bag (sleeping bags can be rented for an extra fee). There are no washroom or shower facilities at any of the camps. You will experience authentic camping, meaning lakes and creeks for showering and shovels to dig a hole for washrooms.

**Hotel Los Condores in Uspallata**

This accommodation offers simple and comfortable ensuite rooms with free Wi-Fi access and cable TV. The hotel also has an indoor and outdoor swimming pool.

**Room Occupancy**

Single supplement is mandatory as we cannot find another rider to share.

**Meals**

All meals are included in the trip from dinner on day 1 to lunch on day 10. Breakfasts and dinners are usually eaten at camp and lunch is eaten on the trail. The meals are simple and include BBQ, pizzas, pastas, stews...etc.

Beer/wine is included with dinner and guests are welcome to bring their own alcoholic beverages if they want.

**Dietary Restrictions**

We can accommodate vegetarian and celiac diets with prior notice. However, we are unable to cater to vegans on this trip.

**Riding**

**Pace**

We will be riding at high altitude, often above 6000-9000 feet. The pace is slow with a few trots and canters during most of the trail due to the terrain. This allows to enjoy the scenery, the conversation, take pictures, etc. The average riding day includes 3 hours on horseback in the morning and 3 to 4 hours in the saddle during the afternoon with plenty of intermediate stops to take pictures, spend some time at specific points of interest, etc.

**Horses**

We assign horses according to each rider's preference. We have plenty of horses, some are more challenging while others are very easy to handle. They are sure-footed as they were all born and raised in the mountains.

**Safety measures**

The trails are well known by our guides. In those places we believe risky, we step down the horse and walk. In case of emergency, our guides are trained and know what to do. We carry radio equipment, first aid kits, an iridium satellite phone and oxygen bottles in case of emergency. We consider a must that all our guests follow our guide's instructions.

**IMPORTANT**

American citizens do not require a Visa, but Chile requires them to pay US\$ 130 upon arrival. Those under 21 years of age require legal parent authorization. You must comply with customs regulations.

We will see the site where on 12 February 1817, the Chacabuco battle took place. On 14 February, San Martín and O'Higgins entered Santiago de Chile to declare the independence. At Los Patos, the Chilean horses and gauchos will be waiting for us. Migrations at local authorities to allow us to cross this unattended border. We ride upstream the Rocin river to Las Tejas, our first campsite.

*Overnight camping in Las Tejas (Chile)*

### Day 3 - Las Tejas to El Ciénego

*Overnight camping in El Ciénego (Chile)*

### Day 4 - El Ciénego to Valle Hermoso

We leave early in the morning to reach the international border at 3500 mts. We will have a very close view of the Aconcagua Mt. (6962 mts. – 20 900ft), the highest peak in America and Western Hemisphere. Night at Valle Hermoso. For an obvious reason, it is called "Beautiful Valley".

*Meals included: Breakfast, Lunch & Dinner*

*Meals included: Breakfast, Lunch & Dinner*

*Overnight camping at Rancho de Lata (Argentina)*

### Day 7 - Rancho de Lata to Peñón Colorado

Today we cross the Espinacito Slope at 4500 mts. (13 500 ft.) high. This is the highest point of the journey. The landscape is daydreaming and makes us feel the titanic efforts that the Army of the Andes had to overcome. Night at Peñón Colorado.

*Meals included: Breakfast, Lunch & Dinner*

*Overnight camping at Peñón Colorado (Argentina)*

### Day 8 - Peñón Colorado to Hornillas

After breakfast we ride to Hornillas. The challenge is almost over and we now fully grasp the real meaning of the crossing. Say farewell to our horses and leave behind the adventure. We go to Uspallata town by minibus.

*Meals included: Breakfast, Lunch & Dinner*

*Overnight at Hotel in Uspallata (Argentina)*

### Day 9 - Uspallata

A day for a well deserved rest in this mountain villa with several optional activities like rafting, biking, trekking, or just relaxing at the pool.

*Meals included: Breakfast, Lunch & Dinner*

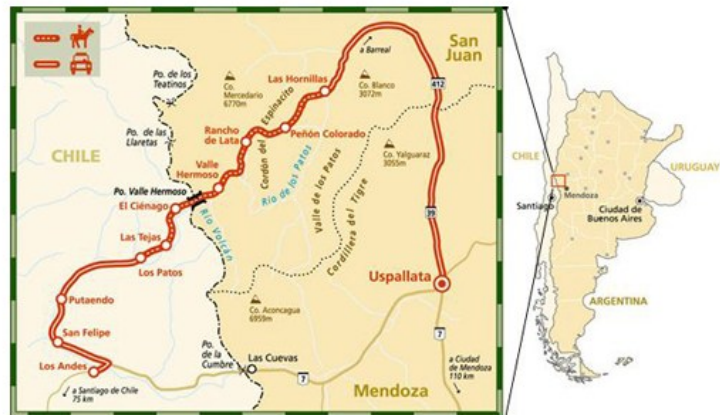

*Overnight at Hotel in Uspallata (Argentina)*

### Day 10 - Mendoza wines and airport

This day will be very gourmet: wine making and tasting and a superb lunch. From Uspallata we leave early to Luján de Cuyo. This area is now known worldwide for producing several of Argentina's best wines. Your visit to Mendoza would not be complete without a visit to the famous Club Tapiz boutique winery. During this private visit, we will have the chance to taste their premium wines directly from the oak casks. Lunch at the winery. Transfer to Mendoza city airport. End of program.

*Meals included: Breakfast & Lunch*

### Optional Extra days:

**Buenos Aires:** Take some time to visit the city and learn about its icons in a very special way: tango, Plaza de Mayo, Casa Rosada's balcony, Eva Peron, etc. Lunch not included. In the evening we attend a tango show w/dinner and a tango lesson. Night in hotel.

**Rafting:** Rafting on the River Mendoza, the region's best. 5-7 miles on the rapids surrounded by awesome scenery. The level of difficulty of this river is OK for everyone (level 2.5-3), thus combining adventure with safety.

**Climbing and rappel:** Rappel a natural wall located in a deep gorge in the Andes. Before we start, the instructors will teach the basics that will help enjoy the experience of climbing this wall using ropes. This activity does not need any previous training and there is no age limit. 4hs and 30 min.

**Trekking:** Towards the Cerro de la Cruz (6900 ft.) we reach the base of the mountain. This is a trek of medium difficulty that can be done by everyone. Highly recommended for young people who are fond of nature and like awesome mountain landscapes.
