About Hidden Trails

Hidden Trails is owned and operated by nature enthusiasts who love horses and adventure activities. We have been involved with riding and other outdoor vacations for over 20 years.
With our partners Voyage du Cheval (France), Pegasus (Germany) as well as Equitour (Switzerland and France) we have collected the best riding destinations all over the world in some hidden places we would like to share with you.

These rides are about galloping on endless beaches, forging rivers, cantering through forests, trotting along age-old trails, gazing at beautiful vistas and encountering foreign cultures. But most of all, these trips are about getting away from the cycle of too much work and never enough free time.

Escape from the rituals, which long ago froze our nights and days into little more than routine and away from the worries of our new tense times. It is so satisfying when we take the plunge of adventure - it's unfortunate that we invent so many reasons to put aside living our dreams of adventure. It is sometimes a tangled web that we weave through life. Some of the threads reveal a work-a-day world of commitments, duties and obligations. Other threads are of a quiet fabric of hope, responsibility and refreshment.

On our adventures you see the real country, its back country and meet the locals. The love for horses has no boundaries but possesses a common language we all speak and understand. The majority of the overseas rides are from inn to inn, some from castle to castle and a few are camping rides.
You will experience new countries and their customs and make new friends. The Hidden Trails trips are the best you can find.

They have been tested by our staff or associates and received our stamp of approval. If you are considering a special riding vacation anywhere in the world, call us first and let our experienced consultants match the perfect trip with your dream.
We will listen to you and give you objective advice to help you choose the best destination and adventure.

Your vacation is the most precious time of the year and we are committed to making it the most memorable time of your life. Wherever you go, have a great time and bring back some peace of mind.

Thank you for your continued support.

Introduction

Pacific Coast, Costa Rica
This 8-day itinerary is a shorter version of our Coast to Coast Kaleidoscope Ride, which has been specially designed for the U.S. and Canadian Markets, as well as any other international traveler seeking a week-long riding vacation. This ride features 4-days of intensive riding and discovery in one of Costa Rica's most renowned riding destinations and scenic regions, including hugely contrasting landscapes, rural communities and awesome habitats with abundant wildlife. During this adventure you will be riding down dramatic river canyons, towards the arid Pacific Coast with its volcanic sand beaches, then on toward the Template Mountain slopes, passing through forested Valleys and ending with two days of relaxation at one of Costa Rica's most popular destinations Arenal Volcano where you will enjoy the volcanic hot-water springs. As you ride, you will be in close contact with one of nature's finest panoramic displays, visit some quaint rural communities and get involved in the Costa Rican way of life. A truly awesome and unforgettable experience.

Accommodations
This is a progressive ride, so nights will be spent in different locations.

Description
A total of 2 nights will be spent at a hotel in San Jose, 3 nights at a farm lodge, and 2 nights at an ecolodge. Given the nature of the ride, accommodation may be limited to local guest houses and private en-suite bathrooms may not always be available or only on a limited amount.
You'll have access to a pool at all locations to cool off after a good ride.

Accommodation Itinerary - *subject to changes based on availability*
Night 1 & 7: Hotel (Country Inn & Suite or similar) in San Jose
Night 2, 3 & 4: Finca Los Domos (standard) or Cerro Lodge (upgrade) near Orotina
Night 5 & 6: Ecolodge (Arenal Montechiari, Arenal Country Inn, Villas Vista Arenal) in La Fortuna

Country Inn & Suite in San Jose
This hotel offers comfortable bedrooms equipped with a TV, small fridge, ensuite bathroom and free Wi-Wi access. There is also an outdoor pool where guests can relax.

Finca Los Domos near Orotina
You are accommodated in one of the 3 private bungalows. Each bungalow is equipped with AC, a double bed (no twin beds available) and private bathroom.
There is also an outdoor pool where guests can cool off in the evening. There is no Wi-Fi available at this property.

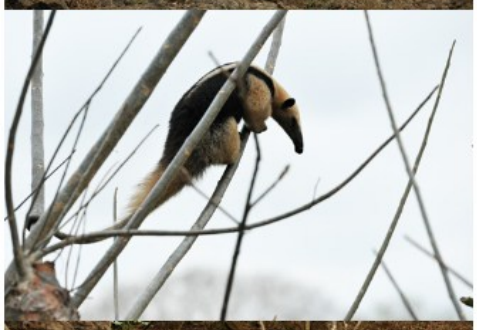

Cerro Lodge near Orotina
This lodge is an environmentally friendly project located on a farm in Tarcoles (central pacific) just 10 minutes from Carara National Park. This small lodge offers 8 bungalows with private bathroom and its own indoor garden, and a dining area. All this is surrounded by trees, palms, gardens, and panoramic views of the Pacific Ocean, mangrove forests, and Carara National Park - one of the most important refuges for the Scarlet Macaw; we often see these spectacular red, blue, and yellow parrots as they fly through the valley at Cerro Lodge. We provide daily transfers between the lodge and the horse stables at Maravilla (15 to 20 minutes away). One of the principle goals of Cerro Lodge, is to operate as environmentally friendly and sustainable as possible. Always looking for ways to reduce impact, they re-use water for irrigation, compost organic garbage, and they have worms that make organic fertilizer from cow manure. They are also hoping to put together a bio-digestor and would like to produce their own electricity in the near future.

Hotel in La Fortuna
We choose from a selection of 3 different hotels in Arenal depending on availability. The photo above is an example of the type of accommodation and may be changed. All rooms contain one double or two twin beds with private bathroom.

Room Occupancy
The single supplement fee applies if we are unable to find another rider to share.
Triple occupancy is available at all locations.

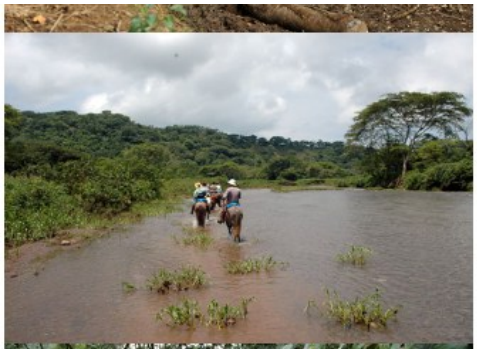

Meals
Most meals are included in this trip from breakfast on Day 2 to lunch on Day 6, as well as breakfast on Day 7 and 8. Meals on the first day, dinner on Day 6, and lunch and dinner on Day 7 are not included.

Due to its geographical location and climate, Costa Rica has a wide variety of fruits and vegetables; which when combined with the interplay of native and European ingredients translate into a unique Costa Rican flavour. The basics of the Costa Rican diet are: rice, beans, and tortillas, which consist primarily of corn.

The ingredients used by Costa Rican cooks include simple native foods, such as "chayote" (squash), avocados, and the ever present corn. Costa Rican cuisine is also characterized by its' mildness and comes as a surprise to many visitors who might have travelled through Mexico and expect to find the same love spicy chillies in Costa Rican foods. Chillies are used to some degree, however, they are most commonly used in hot sauces with accompany broiled meats and poultry. Tubers, such as sweet potatoes and cassava, commonly known as "yucca" frequently accompany lunch and dinner meals.

In many dishes yucca is often substituted for potato, perhaps boiled and mashed, fried to exquisite crispness to accompany meat and sandwiches instead of fries, or simply boiled and served with butter and garlic. Plantains, a type of banana, are another Costa Rican favourite, and are most often boiled, mashed, stuffed with cheese, or fried to accompany meats or bean dishes. Unlike bananas, plantains are much larger and need to be cooked to be eaten. Costa Rican diet also includes plenty of meats including: Poultry, fish, beef and pork.. do not expect to find any Ecuadorian or Peruvian delicacy!!

Breakfast
A traditional Costa Rican breakfast consists of "gallo pinto" (Pinto Rooster), eggs, tortillas and sour cream, with coffee and fresh fruit juice. Most restaurants will offer some international options.

Lunch
Typically known as "casado" (Married), includes: rice and beans, one choice of meat (beef, chicken, pork, or fish), salad, fried plantain (a type of banana, very sweet and very tasty).

Dinner
Pretty much whatever you like, and fish and seafood here is excellent, well priced, and fresh, as are the fruits and vegetables. Of course Costa Rica produces some of the finest coffee in the world and it's not uncommon to see bumper stickers around proclaiming that "Juan Valdez drinks Costa Rican coffee"

Dietary Restrictions
We can cater to most dietary restrictions if given prior notice.
