About Hidden Trails

Hidden Trails is owned and operated by nature enthusiasts who love horses and adventure activities. We have been involved with riding and other outdoor vacations for over 20 years.

With our partners Voyage du Cheval (France), Pegasus (Germany) as well as Equitour (Switzerland and France) we have collected the best riding destinations all over the world in some hidden places we would like to share with you.

These rides are about galloping on endless beaches, forging rivers, cantering through forests, trotting along age-old trails, gazing at beautiful vistas and encountering foreign cultures. But most of all, these trips are about getting away from the cycle of too much work and never enough free time.

Escape from the rituals, which long ago froze our nights and days into little more than routine and away from the worries of our new tense times. It is so satisfying when we take the plunge of adventure - it's unfortunate that we invent so many reasons to put aside living our dreams of adventure. It is sometimes a tangled web that we weave through life. Some of the threads reveal a work-a-day world of commitments, duties and obligations. Other threads are of a quiet fabric of hope, responsibility and refreshment.

On our adventures you see the real country, its back country and meet the locals. The love for horses has no boundaries but possesses a common language we all speak and understand. The majority of the overseas rides are from inn to inn, some from castle to castle and a few are camping rides.

You will experience new countries and their customs and make new friends. The Hidden Trails trips are the best you can find.

They have been tested by our staff or associates and received our stamp of approval. If you are considering a special riding vacation anywhere in the world, call us first and let our experienced consultants match the perfect trip with your dream.

We will listen to you and give you objective advice to help you choose the best destination and adventure.

Your vacation is the most precious time of the year and we are committed to making it the most memorable time of your life. Wherever you go, have a great time and bring back some peace of mind.

Thank you for your continued support.

Introduction

Haciendas, Ecuador

The Hacienda Primavera Wilderness Ecolodge is located in the El Chaco rain forest reserve of Ecuador. The lush forests surrounding the hacienda provide an incredible flora and fauna experience. The verdant rain forest is abundant in endemic species, epiphytes and orchids. Large varieties of butterflies can be found in and around the hacienda. The most famous is the bright blue butterfly, morpho Eugenia, with a wingspan of 5 inches.

This destination is a great option for travelers looking to combine a trip to the Ecuadorian tropical forests with a hacienda riding experience. The hacienda has been owned by the same family for over 90 years. Here you can participate in the farm life, go riding every day on their resident horses on trails, some of which lead to beautiful hidden waterfalls. If you book in advance, we can sometimes arrange a half day whitewater rafting trip for you in the local region.

Accommodation

Accommodations

This is a stationary ride where all nights are spent at the same location.

Description

This hacienda is located in part primary and secondary jungle with stables full of horses, cattle, llamas, donkeys, goats, and pigs. The surrounding tropical cloud forest is rich in flora and fauna, and bird life is prolific. The hacienda is at an elevation of 1,200 m (approximately 3,500 ft).

The cloud forest is extremely lush, with a high biomass and an abundance of epiphytic orchids, bromeliads, ferns, and mosses. The tree canopy can reach between 25 and 30 m high, (75 to 90 ft high).
