About Hidden Trails

Hidden Trails is owned and operated by nature enthusiasts who love horses and adventure activities. We have been involved with riding and other outdoor vacations for over 20 years.

With our partners Voyage du Cheval (France), Pegasus (Germany) as well as Equitour (Switzerland and France) we have collected the best riding destinations all over the world in some hidden places we would like to share with you.

These rides are about galloping on endless beaches, forging rivers, cantering through forests, trotting along age-old trails, gazing at beautiful vistas and encountering foreign cultures. But most of all, these trips are about getting away from the cycle of too much work and never enough free time.

Escape from the rituals, which long ago froze our nights and days into little more than routine and away from the worries of our new tense times. It is so satisfying when we take the plunge of adventure - it's unfortunate that we invent so many reasons to put aside living our dreams of adventure. It is sometimes a tangled web that we weave through life. Some of the threads reveal a work-a-day world of commitments, duties and obligations. Other threads are of a quiet fabric of hope, responsibility and refreshment.

On our adventures you see the real country, its back country and meet the locals. The love for horses has no boundaries but possesses a common language we all speak and understand. The majority of the overseas rides are from inn to inn, some from castle to castle and a few are camping rides.

You will experience new countries and their customs and make new friends. The Hidden Trails trips are the best you can find.

They have been tested by our staff or associates and received our stamp of approval. If you are considering a special riding vacation anywhere in the world, call us first and let our experienced consultants match the perfect trip with your dream.

We will listen to you and give you objective advice to help you choose the best destination and adventure.

Your vacation is the most precious time of the year and we are committed to making it the most memorable time of your life. Wherever you go, have a great time and bring back some peace of mind.

Thank you for your continued support.

Introduction

Dordogne, France

Enjoy our new horseback trips which take you through the beautiful Périgord region!

The Périgord, which corresponds roughly to the current Dordogne département, is for many people the picture-perfect image of the French countryside, a gentle landscape of patchwork fields, hilltop towns, turreted mansions and jade green woods. It is also the spiritual home to two of the country's enduring culinary passions - foie gras and the black truffle! The Périgord region is famous for its stunning cave paintings, as well as for its many fortified chateaux and bastide towns - reminders of the bloody battles waged here during the Middle Ages and the Hundred Years' War.

There are four different geographic Perigord designations: the White Perigord, the Purple Perigord, the Green Perigord and the Black Perigord. This riding tours will take you in the Black Perigord, an area that overlooks the valleys of the Vézère and the Dordogne. This limestone plateau, delimited to the West by the valley of the Vézère and to the South, by the valley of the Dordogne, is covered by forests of chestnut trees, pines and holm oaks, which give it a dark colour and its name "Black Perigord".

The « black » Périgord, named after the black oak forest, largely spread across the valleys of the Vézère and the Dordogne, will seduce you with its centuries old history. Visits of castles and bastides (medieval fortified villages) in varied landscapes will offer riders memorable sights of this area as well as numerous culinary pleasures.

Riding

Riding Ability

This ride is open to riders who are comfortable and in control at all 4 paces (walk, rising trot, canter and gallop in a forward seat) on varied terrain, in open spaces and practice a regular habit of riding. There are certain sections of the trail where we need to lead the horses. It is recommended that you be in good physical condition in order to participate. Previous experience of trail rides over a number of days would be beneficial but is not required.

Pace

The pace is varied depending on the terrain, with long periods of walk and plenty of opportunities to canter and gallop. We ride around 5-6 hours riding each day. We cover about 150km in total.

Horses

Most of our horses were born on the farm. They live in herds in a 70 acre field and this is what makes them strong. This social lifestyle is very close to their ideal living conditions, which is a natural environment.

Every horse has its own character, but all are gentle, balanced, and multi-talented.

The horses are a mixture of purebred Arabian and Paint horses as well as Arabian/Paint crossbreds and Thoroughbreds.

The relationship with the riders and our horses is crucial. Above all, we place attention on the welfare and education of our horses.

Tack

Our saddles are a French trail saddle (JMS brands), which blend the best of English and western styles to make the perfect trail saddle. Horses will work in bridles with Myler bits. Helmets are not mandatory but are strongly recommended.

Our team will take care of tacking up the horses during this ride.

Equipment

Saddlebags, ponchos and water are provided during this trip.

Logistics

There is a support van for the transport of luggage and riders. It is possible for a rider or a non-riding companion to follow along the horse riders in the van.

We ask the riders to have only one suitcase (size 69x47x27) and one handbag.

Group Size & Staff

Riding groups have a minimum of 5 and maximum of 10 riders, plus the Guide and the Translator.

David (GTE/ RP IEPS TE) is a certified Equestrian Tour Guide. He creates the routes and leads all the riding tours.

Denis (owner of the) is a former Equestrian Team Coach. He created the route and leads all the riding tours. He is also a trainer of apprentice instructors in Equestrian Tourism. Britta is your riding companion and translator (English, Dutch, German, and Spanish). She is always available to facilitate any language concerns.

Itinerary

Sample-Itinerary - subject to changes

Important note: The specific level required is the "confirmed rider level".

As a qualified professional of equestrian tourism in France, it is important for the safety of the groups of riders we receive that everyone has the required riding level (see description below).

A person, who doesn't have the required level, causes difficulties for the staff and other participants, with consequences on the good progress of the stay for everyone.

Therefore, we will test riders on horseback on the 1st day before departure on the trail.

If from the first day we judge that a rider doesn't have the required level for horseback riding, he/she will not continue on horseback. They will continue their stay with the logistics team. They will be able to make all the scheduled visits, and eat with the riders for lunch and dinner.

This decision will be made without any refund on the stay.

If, due to poor physical condition, riders ask to stop riding, they are still liable for the 300 euros we charge for transporting the horse. The rider is also required to pay the 300 Euro fee if the rider decides to stop riding for any other reason. Riders cannot decide to stop riding just because it rains one day, is windy another day, or too hot another day. Only the guide can decide to modify the horseback ride or stop it if he or she considers that the weather or another event may compromise the safety of the riders and horses, for example following a national weather alert.

Our rides are for the experienced rider who has mastered all 4 paces (walk, rising trot, canter/gallop in a forward seat) on varied terrains and in open spaces. The experienced rider rides regularly, has good physical fitness, has good soft hands, a good attitude, and self-confidence. He controls the speed and direction of the horse in all circumstances. He can ride long distances including gallops of several minutes in open terrain.

Participants need to have experience riding on English-style saddles. They need to know how to ride in balance: two point position.
