

About Hidden Trails

Hidden Trails is owned and operated by nature enthusiasts who love horses and adventure activities. We have been involved with riding and other outdoor vacations for over 20 years.

With our partners Voyage du Cheval (France), Pegasus (Germany) as well as Equitour (Switzerland and France) we have collected the best riding destinations all over the world in some hidden places we would like to share with you.

These rides are about galloping on endless beaches, forging rivers, cantering through forests, trotting along age-old trails, gazing at beautiful vistas and encountering foreign cultures. But most of all, these trips are about getting away from the cycle of too much work and never enough free time.

Escape from the rituals, which long ago froze our nights and days into little more than routine and away from the worries of our new tense times. It is so satisfying when we take the plunge of adventure - it's unfortunate that we invent so many reasons to put aside living our dreams of adventure. It is sometimes a tangled web that we weave through life. Some of the threads reveal a work-a-day world of commitments, duties and obligations. Other threads are of a quiet fabric of hope, responsibility and refreshment.

On our adventures you see the real country, its back country and meet the locals. The love for horses has no boundaries but possesses a common language we all speak and understand. The majority of the overseas rides are from inn to inn, some from castle to castle and a few are camping rides.

You will experience new countries and their customs and make new friends. The Hidden Trails trips are the best you can find.

They have been tested by our staff or associates and received our stamp of approval. If you are considering a special riding vacation anywhere in the world, call us first and let our experienced consultants match the perfect trip with your dream.

We will listen to you and give you objective advice to help you choose the best destination and adventure.

Your vacation is the most precious time of the year and we are committed to making it the most memorable time of your life. Wherever you go, have a great time and bring back some peace of mind.

Thank you for your continued support.

Riding Clinic in Southwestern France - France, Europe

Tour Code: IT-FRAN05 8 days / 7 nights ~\$1,480.00 Dates: Year round

Trip Rating:

Airport: Bordeaux

Introduction

Landes, France

The objective of this clinic is to make horseback riding accessible to everybody and to introduce the basic skills needed to make any rider autonomous and confident. We also want to show that, with a few indispensable riding notions, trail riding is a beautiful way to discover surrounding natural environments in complete safety.

We teach people how to catch horses in their paddocks, as well as how to tack and take care of them. We also introduce our guests to the psychology and the basic behaviour of horses in different kind of situations. By the end of the week, riders should be able to walk, trot (rising), and canter independently.

Our Equestrian school has developed an accelerated learning method, allowing complete beginners to enjoy the pleasure of riding outdoors in just one week! This is also made possible thanks to our wonderful and well-trained horses.

Accomodation

Accommodations

This is a stationary ride, so you will be staying at the same location every night.

Description

You will be staying at the guesthouse beside the riding center. We can accommodate up to 17 people total. Our guesthouse is divided into 3 buildings:

- the main guesthouse building has 4 bedrooms with ensuite facilities.
- the guesthouse's annex building has a big dormitory (capacity of 4-7 people) and 2 shared bathrooms
- the family questhouse has 3 bedrooms and 1 bathroom

The guesthouse has an outdoor swimming pool and free Wi-Fi access. Laundry can be done for an extra fee.

It is possible to add yoga classes, a relaxing massage or a sauna session for an extra fee, paid locally (please inquire).

If we do not have enough space, riders will stay in a hotel in Mimizan Beach or at another guesthouse close to the riding center.

Room Occupancy

Breakfast is served at the guesthouse before we head out on our rides.

Dinners are served either at the guesthouse or at local restaurants. We try to offer as much variety to guests as possible.

You can choose to pay for lunches locally (about 26 euros) or you can upgrade to full board for an extra fee.

Itinerary

This program runs all year round from Sunday to Sunday.

Our clinic mixes theory lessons and riding lessons:

- Theory lessons are designed to teach most common horse behaviors so that you can get a better understanding of your new four-legged partner.

- Riding lessons focus on teaching how to stay in control of the horse at any pace and individually (without following other riders from the group).

The clinic will also teach you how to take care of your horse (cleaning, brushing, taking, catching the horse in the paddock...) to reinforce the bond and be able to gain independence. You will be responsible for your horse before and after each riding session.

The program includes 5 days at the riding school or hacking in its close surroundings. Each day, you get two sessions of riding lessons (about 2 hour-long) and about 3 hours of theory lessons (including time to take care of your horse before and after riding lessons).

Your first riding lesson starts with the basics in the arena and ends by a short trail ride in the forest

Then, most lessons take place outdoors in order to help participants be prepared in any situation they may find while hacking

During the week, we also give one basic jumping lesson; how to approach a jump (in the arena).

The last riding day, we go on a full day ride to discover the area surrounding the riding center.

By the end of the week, participants of this program are able to canter alone on the beach with a good control of their balance and their horse

Please note that we do not cover the sitting trot or sitting canter during this week.

In case you want private lessons, the supplement needs to be paid in advance. Keep in mind that the lessons taken in the arena will be private but you will still join the group when going outdoors (different groups are created
