About Hidden Trails

Hidden Trails is owned and operated by nature enthusiasts who love horses and adventure activities. We have been involved with riding and other outdoor vacations for over 20 years.

With our partners Voyage du Cheval (France), Pegasus (Germany) as well as Equitour (Switzerland and France) we have collected the best riding destinations all over the world in some hidden places we would like to share with you.

These rides are about galloping on endless beaches, forging rivers, cantering through forests, trotting along age-old trails, gazing at beautiful vistas and encountering foreign cultures. But most of all, these trips are about getting away from the cycle of too much work and never enough free time.

Escape from the rituals, which long ago froze our nights and days into little more than routine and away from the worries of our new tense times. It is so satisfying when we take the plunge of adventure - it's unfortunate that we invent so many reasons to put aside living our dreams of adventure. It is sometimes a tangled web that we weave through life. Some of the threads reveal a work-a-day world of commitments, duties and obligations. Other threads are of a quiet fabric of hope, responsibility and refreshment.

On our adventures you see the real country, its back country and meet the locals. The love for horses has no boundaries but possesses a common language we all speak and understand. The majority of the overseas rides are from inn to inn, some from castle to castle and a few are camping rides.

You will experience new countries and their customs and make new friends. The Hidden Trails trips are the best you can find.

They have been tested by our staff or associates and received our stamp of approval. If you are considering a special riding vacation anywhere in the world, call us first and let our experienced consultants match the perfect trip with your dream.

We will listen to you and give you objective advice to help you choose the best destination and adventure.

Your vacation is the most precious time of the year and we are committed to making it the most memorable time of your life. Wherever you go, have a great time and bring back some peace of mind.

Thank you for your continued support.

Introduction

Landes, France

Where the Atlantic Ocean crashes onto the coast of south-west France lies the Côte d'Argent. Here you will find a ribbon of silver sand, 150 miles in length, which is popular with surfers, anglers, families, and celebrities in search of a little privacy - and now also for horseback riding enthusiasts.

Exhilarating gallops on fine sandy beaches that stretch as far as the eye can see: this is the Côte d'Argent. The Pays de Born stretches out in the middle of the biggest forest of Europe. Come and discover! Ride between the wild marshes and ponds in the company of our horses, mostly Anglo-Arabs, and enjoy the flora and fauna that makes this area of France so special.

In this abundance of greenery, dominated by the fragrant flowers in bloom in the spring and the purple heather in autumn, we ride on paths that have the mixed fragrance of many blossoms. Each day we can see deer, stags, squirrels, hare, and heron whilst meandering along the paths. Throughout your holiday we lead you along the coast with its rivers and canals. We help you discover the country as it is - tied to its traditions, its history, and whose rural habitat and picturesque areas are still a living testimony. We would be amiss if we did not mention the excellent gastronomy of the Côte d'Argent region, which is influenced by the bountiful nature of the land!

Accommodation

Accommodations

This is a stationary ride, so you will be staying at the same location every night.

Description

You will be staying at the guesthouse beside the riding center. We can accommodate up to 17 people total.

Our guesthouse is divided into 3 buildings:

- the main guesthouse building has 6 rooms for single, double/twin, and a family suite. Each room has its own bathroom

- the guesthouse's annex building has a big dormitory (capacity of 4-7 people) and 2 shared bathrooms

- the family guesthouse has 3 bedrooms and 1 bathroom

The guesthouse has an outdoor swimming pool and free Wi-Fi access. Laundry can be done for an extra fee.

It is possible to add yoga classes, a relaxing massage or a sauna session for an extra fee, paid locally (please inquire).

If we do not have enough space, riders will stay in a hotel in Mimizan Beach or at another guesthouse close to the riding center.

Room Occupancy

We charge a single supplement fee for solo travelers not willing to share a room with another rider. If you would like to guarantee a double/twin/ single room, additional costs apply.

Meals

All meals are included from dinner on day 1 to breakfast on day 8, except for lunch on Monday (Day 2).

Breakfast is served at the guesthouse before we head out on our rides.

Lunches are a real meal, with tables and chairs. We provide French aperitif and appetizers, Bordeaux red wine, soup or salad according to the weather, chicken or meat and veggies, French cheeses, dessert and coffee or tea. Dinners are served either at the guesthouse or at local restaurants. We try to offer as much variety to guests as possible.

Only breakfast and dinner is included for non-riders (lunches can be purchased for ~€28 each / option to pay for full board as well).

1/4 liter of wine or soda and coffee is provided during lunches and dinners. Other drinks need to be purchased locally directly by the client.

Dietary Restrictions

We can cater to all dietary restrictions with prior notice. Unfortunately, we cannot cater to vegan diets.

Riding

Riding Level

This trek requires a rather good, fit intermediate rider confident at all paces and able to ride several hours over varied and sometimes challenging terrain. This ride is of moderate pace with frequent occasions of trots and gallops. To give more comfort, trotting or galloping is generally individually or by group of two, whether it is in forest or on the beach. Some group gallops on the beach are of course available.

We are not riding nose to tail in order to give riders the opportunity to keep control of their own horse at the different paces.

This way of hacking also allows everyone to avoid the dust made by the riders at the front.

Our horses are used to be independent one from the others, and may stay walking when other horses are starting to trot or galloping in front of them! They stay under the control of the riders, and not under the group of horses.

Pace

During the 6 riding days of this trip, we cover between 30 and 35 km per day, spending between 5 and 6 hours in the saddle each day.

Horses

We have 30 horses (mostly Anglo-Arabs) and 5 ponies. Most of them are born in our family farm.

Beauty, blood, intelligence, frankness, kindness, and generosity are the essential qualities we seek in the choice of our horses. Our horses are safe, brave and easygoing: well trained and very well-balanced. They horses live in

herds in the outdoors. We take great care in providing horses with a good quality of life.

Staff

Guidance is guaranteed by qualified /certified equestrian guide of tourism (French professional certification: A.T.E., CQP ASA or BPJEPs Tourisme Équestre) having good regional knowledge and willing to let you discover the beauty of this area.

Children

Participants as young as 13 years old can join the ride as long as they are accompanied by an adult. From 16 years old, participants are welcome to join the ride non-accompanied. There are no discounts for children.
