About Hidden Trails

Hidden Trails is owned and operated by nature enthusiasts who love horses and adventure activities. We have been involved with riding and other outdoor vacations for over 20 years.

With our partners Voyage du Cheval (France), Pegasus (Germany) as well as Equitour (Switzerland and France) we have collected the best riding destinations all over the world in some hidden places we would like to share with you.

These rides are about galloping on endless beaches, forging rivers, cantering through forests, trotting along age-old trails, gazing at beautiful vistas and encountering foreign cultures. But most of all, these trips are about getting away from the cycle of too much work and never enough free time.

Escape from the rituals, which long ago froze our nights and days into little more than routine and away from the worries of our new tense times. It is so satisfying when we take the plunge of adventure - it's unfortunate that we invent so many reasons to put aside living our dreams of adventure. It is sometimes a tangled web that we weave through life. Some of the threads reveal a work-a-day world of commitments, duties and obligations. Other threads are of a quiet fabric of hope, responsibility and refreshment.

On our adventures you see the real country, its back country and meet the locals. The love for horses has no boundaries but possesses a common language we all speak and understand. The majority of the overseas rides are from inn to inn, some from castle to castle and a few are camping rides.

You will experience new countries and their customs and make new friends. The Hidden Trails trips are the best you can find.

They have been tested by our staff or associates and received our stamp of approval. If you are considering a special riding vacation anywhere in the world, call us first and let our experienced consultants match the perfect trip with your dream.

We will listen to you and give you objective advice to help you choose the best destination and adventure.

Your vacation is the most precious time of the year and we are committed to making it the most memorable time of your life. Wherever you go, have a great time and bring back some peace of mind.

Thank you for your continued support.

Dinner includes generous portions of Mediterranean style food (moussaka, mezze...) as well as one drink.
We provide plenty of water throughout the tour.

Dietary Restrictions

We can cater to dietary restrictions if given prior notice.

Riding

Philosophy

We want you to spend safe and joyful holiday on horseback. This why we specialize in small groups. It is important to us and for your enjoyment that horse and rider get along. Each tour begins with a standard ritual of brushing and stroking your horse. Before any tour we give you a instruction for western riding and to which commands our horses respond. Then, we go in the round pen, where you can get to know your horse better, before we go on with the tour.

Riding Level

We consider beginner riders, people who have completed less than 50 riding lessons (please be honest about how often you have sat on a horse).

Beginners and more experienced riders are only mixed in case they know each other and agree to share the experience.

For this tour, we expect all participants to feel comfortable and in control at all gaits.
