About Hidden Trails

Hidden Trails is owned and operated by nature enthusiasts who love horses and adventure activities. We have been involved with riding and other outdoor vacations for over 20 years.
With our partners Voyage du Cheval (France), Pegasus (Germany) as well as Equitour (Switzerland and France) we have collected the best riding destinations all over the world in some hidden places we would like to share with you.

These rides are about galloping on endless beaches, forging rivers, cantering through forests, trotting along age-old trails, gazing at beautiful vistas and encountering foreign cultures. But most of all, these trips are about getting away from the cycle of too much work and never enough free time.

Escape from the rituals, which long ago froze our nights and days into little more than routine and away from the worries of our new tense times. It is so satisfying when we take the plunge of adventure - it's unfortunate that we invent so many reasons to put aside living our dreams of adventure. It is sometimes a tangled web that we weave through life. Some of the threads reveal a work-a-day world of commitments, duties and obligations. Other threads are of a quiet fabric of hope, responsibility and refreshment.

On our adventures you see the real country, its back country and meet the locals. The love for horses has no boundaries but possesses a common language we all speak and understand. The majority of the overseas rides are from inn to inn, some from castle to castle and a few are camping rides.
You will experience new countries and their customs and make new friends. The Hidden Trails trips are the best you can find.

They have been tested by our staff or associates and received our stamp of approval. If you are considering a special riding vacation anywhere in the world, call us first and let our experienced consultants match the perfect trip with your dream.
We will listen to you and give you objective advice to help you choose the best destination and adventure.

Your vacation is the most precious time of the year and we are committed to making it the most memorable time of your life. Wherever you go, have a great time and bring back some peace of mind.

Thank you for your continued support.

This package includes 4 riding lessons as well as 2 short trail rides (about 1-hour each), allowing for plenty of time to relax and explore the island after the rides.

Accomodation

Accommodations
This is a stationary ride, so all nights are spent in the same location.

Description
All overnights are spent at a 4-star hotel in Efthalou, about 6 kilometers from the stables. From the hotel, there is a shuttle bus offering regular transfer to the village of Molyvos so that you can explore this lovely town.
Transfers between the hotel and the stables are included in this program.

This lovely hotel offers modern accommodation. All rooms feature an ensuite bathroom (with hairdryer), a phone, a TV, free Wi-Fi, air conditioning and heating.
There is an outdoor pool where guests can relax.

Room Occupancy
Solo travelers can choose to share a room. However, if no one is found to share the room with you, the single supplement fee applies.

Meals
Your package includes half-board meals. You can choose if you prefer to include lunch or dinner (breakfast is always included). Meals at the hotel are served buffet-style.

Dietary Restrictions
We can cater to dietary restrictions if given prior notice.

Riding

Safety
Your guide Rita has been trained in a seminar of first aid for riders by the British Horse Society. First aid kits for horse and rider will be taken with in each trip. She is a qualified FEI coach.
Hard hats are available to borrow at the stables if needed. However, it is always better if you can bring your own helmet, to ensure a perfect fit.

Riding level
Participants must feel comfortable at a walk, trot and canter. They also need to be able to rise and post the trot. It is also preferable that riders feel comfortable mounting and dismounting on their own.
We ask riders to help tack-up and groom the horses.

Horses
We currently have 9 horses. Most of our horses are around 150-160 cm high. We also have 2 cob horses.

Riding Terrain
The island has many hills so we will be going uphill and downhill during almost half of our rides. We also go for rides on the beach.

Itinerary

Each lesson is 45 minutes long and preceded by a 30-minute preparation to groom and tack-up the horse.
