## About Hidden Trails

Hidden Trails is owned and operated by nature enthusiasts who love horses and adventure activities. We have been involved with riding and other outdoor vacations for over 20 years.

With our partners Voyage du Cheval (France), Pegasus (Germany) as well as Equitour (Switzerland and France) we have collected the best riding destinations all over the world in some hidden places we would like to share with you.

These rides are about galloping on endless beaches, forging rivers, cantering through forests, trotting along age-old trails, gazing at beautiful vistas and encountering foreign cultures. But most of all, these trips are about getting away from the cycle of too much work and never enough free time.

Escape from the rituals, which long ago froze our nights and days into little more than routine and away from the worries of our new tense times. It is so satisfying when we take the plunge of adventure - it's unfortunate that we invent so many reasons to put aside living our dreams of adventure. It is sometimes a tangled web that we weave through life. Some of the threads reveal a work-a-day world of commitments, duties and obligations. Other threads are of a quiet fabric of hope, responsibility and refreshment.

On our adventures you see the real country, its back country and meet the locals. The love for horses has no boundaries but possesses a common language we all speak and understand. The majority of the overseas rides are from inn to inn, some from castle to castle and a few are camping rides.

You will experience new countries and their customs and make new friends. The Hidden Trails trips are the best you can find.

They have been tested by our staff or associates and received our stamp of approval. If you are considering a special riding vacation anywhere in the world, call us first and let our experienced consultants match the perfect trip with your dream.

We will listen to you and give you objective advice to help you choose the best destination and adventure.

Your vacation is the most precious time of the year and we are committed to making it the most memorable time of your life. Wherever you go, have a great time and bring back some peace of mind.

Thank you for your continued support.

**Airport:** Budapest Ferihegy airport

## Introduction

Southern Hungary, Hungary  
Take part in the authentic experience of horsebackriding through the Great Hungarian Plain.

Discovering a country from the back of a horse gives us a special feeling of freedom and helps us see the World from a different perspective. This is an experience that connects us with the past, as we try to follow the nomadic way of life, typical of inhabitants of the region, centuries ago.

During most of our journey, we ride through the Wilderness, across flora and fauna rich landscapes, covering about 25-35 km each day.

## Accommodation

**Accommodations**  
This is a stationary ride, so all nights are spent in the same location.

**Description**  
There are 5 yurts and 8 cabins at our basecamp.

You are accommodated in a yurt. Our Yurts are located in the grazing field of our stud. Our guests can see the stary sky through the open ceiling of the yurts, and can also hear the horses in a nearby field, so they rest in harmony with nature in close proximity with the horses just like our ancestors over 1000 years ago.

Light is provided by oil lanterns and there are no bathrooms. There are shower cabinets with hot and cold running water near the yurts.  
The yurts are decorated with carpets and blankets are provided.  
Each yurt can accommodate up to 6 people.

**Room Occupancy**  
In case we are unable to find a roommate for a solo traveler, then the single supplement fee applies.

#### Meals

All meals are included from dinner on Day 1 to breakfast on the last day.

During our daily ride, we usually have a picnic lunch.

Dinner often features Hungarian specialties, eaten at the accommodation or at a local restaurant.

Meals are taken in the large communal yurt.

#### Dietary Restrictions

We can cater to most dietary restrictions with prior notice.

#### Riding

This tour caters to strong intermediate riders and above who are comfortable at a moderate pace (many trots and short canters). We cover about 15-20 km each day.

Being able to keep the rising position in gallop and trot even in long distances is a basic requirement.

#### Tack

We use custom-made Hungarian-style saddles, modernized for today's riding needs and horses. They are extremely safe and comfortable.

The structure of our saddles is based on a historical Hungarian saddle, the "Tiszafüred saddle". During a course of several decades of development and continuous testing the design of the saddle has been adjusted to modern requirements thus ensuring the comfort of horses and the safety and convenience of riders. Our saddles continues to preserve the heritage of old Hungarian saddles, which is reflected in materials and design.

We provide a bottle holder with each saddle. If you want to bring snacks and other personal small object, we suggest you bring a waist bag.

Please, note that saddle bags are not allowed on this trip. Your luggage will be transported in our support vehicle.

## Horses

The Akhal Teke is a breed that ancient Magyars rode during the conquest of the land of Hungary. This horse is renowned for its comfortable pace and endurance.

Akhal Tekes are light weight with an elongated body structure and sportive appearance. The breed features various hues of dun and peculiar metallic glitter. It is an intelligent, dynamic and sensitive breed.

As a result of its geographical origin, the breed has great endurance. Since it is a desert breed, it is capable of covering long distances even in extreme conditions.

### Day 2 (Monday): Introduction Ride & Stud Visit

Breakfast is served at 8 am. Then, we meet the horses, and aim to be in the saddle at about 9 a.m. We will do a test ride in the arena, for riding skill assessment and to make sure horse and riders are well matched.

Then, we go for a short ride in the surrounding area, getting back to the yurt camp in time for lunch.

### Day 3 (Tuesday): Turul Statue Ride

We start riding at about 9 am. We will stop for our picnic lunch at the Turul Statue which commemorates the Hungarian conquest. During our ride, we cross meadows, surrounded by reeds and oak forests. In the plains, we will discover the rich flora of the region.

After our visit (with lunch break) of the Communion mounds, we head back to the yurt camp, where dinner is waiting for us.

*Meals included: Breakfast, Lunch & Dinner*

*Overnight in Yurts near Ópusztaszer*

### Day 5 (Thursday): Cattle Ride & Memorial Park Visit

After breakfast, we ride to the winter feeding grounds of our grey cattle herd. Our cattle lives in a 1,200 hectare meadow. From there, riders can catch a glimpse of the local protected fauna, such as the water buffalos.

This landscape is an incredible reflection of the great steppes.

In the afternoon, we visit the Feszty Panorama Picture in the National Historical Memorial Park. The painting depicts the ancient Hungarian Invasion of the Carpathian Basin.

*Meals included: Breakfast, Lunch & Dinner*

*Overnight in Yurts near Ópusztaszer*

### Day 6 (Friday): Forest Ride

These days it is rich in birds and wildlife, a habitat for owls, ravens and roe deer as well as, rabbits. Even meadow eagles nest in here temporarily.

Dinner is served between 6-7 p. m. at the yurt camp
