About Hidden Trails

Explore the World on Horseback

Hidden Trails is owned and operated by nature enthusiasts who love horses and adventure activities. We have been involved with riding and other outdoor vacations for over 20 years.

With our partners Voyage du Cheval (France), Pegasus (Germany) as well as Equitour (Switzerland and France) we have collected the best riding destinations all over the world in some hidden places we would like to share with you.

These rides are about galloping on endless beaches, forging rivers, cantering through forests, trotting along age-old trails, gazing at beautiful vistas and encountering foreign cultures. But most of all, these trips are about getting away from the cycle of too much work and never enough free time.

Escape from the rituals, which long ago froze our nights and days into little more than routine and away from the worries of our new tense times. It is so satisfying when we take the plunge of adventure - it's unfortunate that we invent so many reasons to put aside living our dreams of adventure. It is sometimes a tangled web that we weave through life. Some of the threads reveal a work-a-day world of commitments, duties and obligations. Other threads are of a quiet fabric of hope, responsibility and refreshment.

On our adventures you see the real country, its back country and meet the locals. The love for horses has no boundaries but possesses a common language we all speak and understand. The majority of the overseas rides are from inn to inn, some from castle to castle and a few are camping rides.

You will experience new countries and their customs and make new friends. The Hidden Trails trips are the best you can find.

They have been tested by our staff or associates and received our stamp of approval. If you are considering a special riding vacation anywhere in the world, call us first and let our experienced consultants match the perfect trip with your dream.

We will listen to you and give you objective advice to help you choose the best destination and adventure.

Your vacation is the most precious time of the year and we are committed to making it the most memorable time of your life. Wherever you go, have a great time and bring back some peace of mind.

Thank you for your continued support.

Introduction

Highland Tours, Iceland

We ride along the ancient Sprengisandur route that crosses Iceland. We explore some of the most fascinating and extreme contrasts of the Icelandic landscape. In the South, we ride along soft green paths along the riverbanks of the Thjórsá River and through a lava valley created by an 800-year-old eruption of the volcano Hekla. The spectacular wilderness of Iceland emerges as we follow the sand and rock plains across Sprengisandur between the glaciers Vatnajökull and Hofsjökull. In stark contrast to this barren landscape, we stop at a hot spring, where we have the opportunity to relax in the geothermal water. During the tour, we pass Arnarfell Mountain, Iceland's geographical centre. We arrive in North Iceland at the bottom of Eyjafjörður Fjord, one of the longest fjords in Iceland.

This is a progressive ride so you will be staying in different locations.

The guesthouse offers a comfortable living room, shared bathroom facilities, tea kettle that can also be used to make instant coffee, and small refrigerator. Guests that stay at the guesthouse are welcome to use all

facilities and services of our Hotel, including the hot tub.
An upgrade to our hotel is possible for a supplement (if rooms available).

Dietary Restrictions

We are able to cater to most dietary needs with prior notice. However, we are unable to meet the needs of those who have food allergies which cause anaphylaxis.

Riding

Riding Experience

This ride is suitable for strong intermediate riders with a secure, balanced seat and a good physical condition. We ride up to 45 km per day mostly in the gait tölt and take a herd of free-running horses with us part of the tour, which requires a certain speed.

Pace

We cover about 260km total over 6 riding days. On average, we ride between 5-9 hours every day, covering approx. 25 - 60 km.

Tack and Riding Style

The riding style in Iceland is similar to English riding. We use simple snaffle bits, bridles with detachable nosebands and clips on the end of the reins so they can be easily removed when grazing. Our saddles are comfortable with soft, rather flat seat, it is not necessary to bring saddle seat pads.

Riding Gear – Disinfect!

Used boots, riding wear, helmets, saddlebags etc. must be disinfected before arrival in Iceland. Chaps, bridles and other used leather gear must not be brought to Iceland. That is because infectious, contagious diseases can easily be brought into the country, which poses a great threat for the horses, as they are not vaccinated. Riding wear is normally washed and shoes are washed and cleaned with VirkonS, Iodine or some other fluid disinfectant.

We can lend you a riding helmet for the length of the tour.

Backpacks, large cameras, selfie sticks and other bulky items cannot be taken on horseback tours. Small waist bags are allowed.

Horses

Since 2007, our breeding program has followed two fundamental ideas. First, we strive to breed well-behaved and well-gaited riding horses that ought to suit most of our guests. Second, we breed horses with experienced riders in mind, suitable for riding classes and the company's horse shows. As our greatest challenge has always been combining well-behaved and reliable horses with soft and simple gaits, we invested in mares that are likely to produce the expected results. Another important factor in achieving the desired outcome is choosing the right stallion for those mares.

Free running herd of horses

Experience the diversity of the Icelandic horse in its natural environment, far from civilization. On this trip, we travel with herd of free-running horses, as Icelanders used to travel in the old days. You may switch horses from time to time.

We start to glimpse a most beautiful view over Eyjafjörður and Akureyri. The tour ends at the Halldórsstaðir Farm in Eyjafjörður. From there we will be driven to Akureyri Airport and fly back to Reykjavik. End of tour.
