About Hidden Trails

Hidden Trails is owned and operated by nature enthusiasts who love horses and adventure activities. We have been involved with riding and other outdoor vacations for over 20 years.
With our partners Voyage du Cheval (France), Pegasus (Germany) as well as Equitour (Switzerland and France) we have collected the best riding destinations all over the world in some hidden places we would like to share with you.

These rides are about galloping on endless beaches, forging rivers, cantering through forests, trotting along age-old trails, gazing at beautiful vistas and encountering foreign cultures. But most of all, these trips are about getting away from the cycle of too much work and never enough free time.

Escape from the rituals, which long ago froze our nights and days into little more than routine and away from the worries of our new tense times. It is so satisfying when we take the plunge of adventure - it's unfortunate that we invent so many reasons to put aside living our dreams of adventure. It is sometimes a tangled web that we weave through life. Some of the threads reveal a work-a-day world of commitments, duties and obligations. Other threads are of a quiet fabric of hope, responsibility and refreshment.

On our adventures you see the real country, its back country and meet the locals. The love for horses has no boundaries but possesses a common language we all speak and understand. The majority of the overseas rides are from inn to inn, some from castle to castle and a few are camping rides.
You will experience new countries and their customs and make new friends. The Hidden Trails trips are the best you can find.

They have been tested by our staff or associates and received our stamp of approval. If you are considering a special riding vacation anywhere in the world, call us first and let our experienced consultants match the perfect trip with your dream.
We will listen to you and give you objective advice to help you choose the best destination and adventure.

Your vacation is the most precious time of the year and we are committed to making it the most memorable time of your life. Wherever you go, have a great time and bring back some peace of mind.

Thank you for your continued support.

Introduction

North, Israel
The unique combination of fascinating history, breathtaking scenery and sunny weather make Israel the perfect tourist destination. And there is no better way to experience Israel's magic than on horseback. Located in the north, the Land of Galilee is a fantastic and exotic horse riding vacation. Whether you are interested in culture, archeology, history or natural beauty – the Galilee has it all. Sparsely populated and with rocky terrain, there are few roads connecting the communities populating the Galilee, so naturally the best way to explore the region is from the back of a horse, the peace of being one with a horse allowing you to truly feel the full extent of foreign land you explore. The remoteness of the location has allowed distinct cultures to continue on uninterrupted for generations. There are cities, past and present, of biblical importance which call out to be discovered by you. See the Druze and Circassian villages maintaining their traditional ways of life. And there are many Arab towns who welcome visitors with their friendly smiles and special culinary delights. With a backdrop of vivid natural scenery, this land rewards adventure tourists with unparalleled opportunities for horseback riding challenges and cultural discoveries.

Horseback riding in the Land of Galilee...
This is a mounted adventure packed with intensive riding through the beautiful landscapes of the Menashe plain, Carmel mountain range and the Jezreel Valley. We will ride up majestic Mt. Tabor and Mt. Carmel, explore the ruins of Tel Meggido – the site of Armageddon, and swim with our horses in the Sea of Galilee and the Jordan River. We will get to know the different ethnic groups inhabiting this area including the charming Druze and engaging Circassians. This trip also includes walking tours of Nazareth and the Old City of Jerusalem and their colorful markets.

Accomodation

Accommodations
This is a progressive ride, so nights are spent in different locations.

Description
Accommodations are spent in rustic wooden bungalows with private hot showers and running toilets. We have carefully chosen our sleeping locations for cleanliness and comfort.
All rooms have private bathrooms and WIFI. Laundry is not available for this trip.

Accommodation Itinerary - *subject to changes based on availability*
Night 1 - 3: Country Lodge in Moshav Sharona
Night 4 - 6: Country Lodge in Kibbutz Dalia

Room Occupancy
Single supplement is mandatory if we are unable to find another rider to share.

Meals
All meals from dinner on Day 1 to lunch on Day 7 are included.

Our staff will prepare healthy, fresh, filling meals so no one ever rides on an empty stomach.

We know there is nothing more satisfying than a cold beer after a long ride. Some of our meals, usually dinner, include beer, wine or liquor. When dining in Arab restaurants, no alcoholic beverages are allowed.

Dietary Restrictions
We can accommodate vegetarians and other special dietary (including kosher) requests if given prior notice.
No pork is served on any of our trips.

Riding

Riding Level
The overall success of a horseback holiday depends on all riders having the skills to safely perform at the pace expected. Riders with insufficient skills are a danger to themselves and to others. As a result, it is crucial that you be experienced and fit enough to ride 30 km a day.
This horseback vacation is designed for riders with good intermediate riding skills.

Horses
Our horses are mostly local Arabian horses trained in Western riding but that can easily adjust to English riders. They are well groomed, in great shape and perfectly suited for horseback vacations (many of them are trained for Endurance). We match you with a horse and tack according to the information you provide when signing up for a riding holiday. For riders with greater riding proficiency, we can provide a more spirited horse; for less experienced riders, we pair horses that are easily handled. Also, upon request, pure Arabians from our breeding program can be provided.

Tack
Quality Western tack for comfort and ease. In general, we use Western tack made in the USA. In our experience with trail riding vacations, riders who are used to English tack quickly adapt to riding Western style. Nevertheless, we can arrange for English tack if given notice ahead of time.
If you would prefer to use your own tack, this is possible only if it fits the horse we have assigned you. You are welcome to bring your own tack but we cannot guarantee you will be able to use it.

Staff
The tour is led by at least 1 licensed certified trail riding guide. All of our guides are skilled horsemen, specializing in trail riding. They combine their passion for horses with a deep knowledge and love of Israel. They all speak English.

Safety
Safety is of utmost importance on all our horseback vacations.
Before every trip, our guides make a run through to ensure the trails are safe. In addition, we always carry a first aid kit.
It can get very hot in Israel, especially in the summer and in the desert. We have strict rules regarding weather conditions, including never riding in temperatures over 90°F (32°C).
