## About Hidden Trails

Hidden Trails is owned and operated by nature enthusiasts who love horses and adventure activities. We have been involved with riding and other outdoor vacations for over 20 years.

With our partners Voyage du Cheval (France), Pegasus (Germany) as well as Equitour (Switzerland and France) we have collected the best riding destinations all over the world in some hidden places we would like to share with you.

These rides are about galloping on endless beaches, forging rivers, cantering through forests, trotting along age-old trails, gazing at beautiful vistas and encountering foreign cultures. But most of all, these trips are about getting away from the cycle of too much work and never enough free time.

Escape from the rituals, which long ago froze our nights and days into little more than routine and away from the worries of our new tense times. It is so satisfying when we take the plunge of adventure - it's unfortunate that we invent so many reasons to put aside living our dreams of adventure. It is sometimes a tangled web that we weave through life. Some of the threads reveal a work-a-day world of commitments, duties and obligations. Other threads are of a quiet fabric of hope, responsibility and refreshment.

On our adventures you see the real country, its back country and meet the locals. The love for horses has no boundaries but possesses a common language we all speak and understand. The majority of the overseas rides are from inn to inn, some from castle to castle and a few are camping rides.

You will experience new countries and their customs and make new friends. The Hidden Trails trips are the best you can find.

They have been tested by our staff or associates and received our stamp of approval. If you are considering a special riding vacation anywhere in the world, call us first and let our experienced consultants match the perfect trip with your dream.

We will listen to you and give you objective advice to help you choose the best destination and adventure.

Your vacation is the most precious time of the year and we are committed to making it the most memorable time of your life. Wherever you go, have a great time and bring back some peace of mind.

Thank you for your continued support.

## Introduction

Connemara/Galway, Ireland

Ireland is undoubtedly a nature lover's paradise. In the West of Ireland, a truly unique combination of sand-and-limestone soils, bog lands, lakes and woodlands exist.

The peat or bog land is one of Ireland's greatest natural assets, not only as an energy source, but as some of its last wild areas. In some places, you can even spot the Celtic toughers still crossing the bogs. The Burren is a unique limestone landscape with a truly spectacular beauty. The high degree of light, the Gulf Stream and the warm limestone enables arctic-alpine and contrasting Mediterranean plants to grow together. For thousands of years it has been used as excellent grazing land. The rich concentration of stone monuments, castles, churches and tower houses prove the significance of settlers in this natural treasure. Riding along the never ending stone walls and historical famine roads is an exclusive Irish experience. For six days you will be discovering Ireland's beauty and colorful history on horseback. Your horse will be carrying you about 150km from County Galway, westwards through the rural areas of County Clare and into the unique Burren region.

The ride begins with the peaceful forests of the Slieve Aughty Mountains and their fascinating views over the majestic Lough Derg and River Shannon. Along the track we will be passing old farm ruins and miles of stonewalls, before we head across the extensive areas of bog land. Leaving sheltered pasture, we then head for the top of the hills and onto the sandy shores of Lough Graney. Lovely wood tracks take us further westwards overlooking Glandaria, the wide fertile valley of the River Shannon, and we will cross the boggy uplands. County Clare unfolds around us, in the distance rising hills of the famous Burren National Park. The distinctive scenery of the world renowned Burren will accompany us for the last two days of the ride. The lunar like landscape of this limestone area not only bears an immensely individual flora and fauna, but boasts a stunning variety of prehistoric settlements. Dolmens and Wedge Tombs line up next to Norman stone fort ruins and Celtic ring forts. Eventually we head westwards through the Burren and up the last hill for the breathtaking view over the Atlantic Sea, the famous Aran Islands and the rugged Connemara Mountains. The extremely rough shore line of County Clare stretches out under us for the last hard gallop!

#### Itinerary

**Sample Itinerary: 8-day program - subject to changes**

*Note: Subject to changes due to weather conditions or circumstances beyond our control without prior notice*

#### Day 1 (Saturday): Failte to Ireland

Transfer approximately 1.5 hours to our Riding Centre from Shannon airport. You will be staying here for the first four nights. On the arrival day you can just relax and recover from your journey, or take a stroll on the walking trails around our property. For the more adventurous among you, there is also the possibility to go on a guided boat tour to historic Holy Island with its monastic settlement of the 9th century. In the evening, you will get to know all your fellow riders for this week. You will have dinner in the tastefully restored 300-year-old farmhouse in our Riding Centre by candlelight and turf fire.

*Meals included: Dinner*

*Overnight at Farmhouse*

#### Day 2 (Sunday): Binor Ride

After breakfast, you will be brought to the start of the trail, where your guide will allocate the horses according to your experience. Every rider can then get used to his horse for the week by brushing and tacking up - don't worry there are always lots of helping hands around you! We will then leave for an easy ride across the extensive areas of bog land. There we might see local farmers cutting and drying the turf in the traditional way. A Neolithic dolmen - with the legendary name Oisín's and Grainne's Grave - beside the track proves that this area was already mystified about 5000 years ago. Much more recent (about 9th century) are the ruins of the monastic settlement on Holy Island, which we can easily spot by the typical round tower.

We finish the first day ride on one of our fields where the horses stay overnight and we drive back to the guesthouse for lunch. For the afternoon, riders and horses take a rest and enjoy a relaxing evening.

*Meals included: Breakfast, Lunch & Dinner*

*Overnight at Farmhouse*

#### Day 3 (Monday): Inis Cealtra Ride

Today's ride brings us across huge areas of heather and bog land with fascinating views over the majestic Lough Derg and River Shannon.

Along the track we will be passing old farm ruins and miles of stonewalls and your guide will tell you about Ireland's most significant incident in history: about 150 years ago many farms and villages were left because of the Famine. This was the time of the severe potato blight, which destroyed for a couple of years the sole source of food supply for the rural and poor Irish peasant and their livestock. In addition to that, a Typhus and Cholera epidemic enforced the disaster, leading to a flood of thousands of people emigrating to other countries.

After our lunch break in the forest we will head on along the surrounding peaceful trails through the Slieve Aughty Mountains and ride past some rural farms to a new overnight field for the horses.

*Meals included: Breakfast, Lunch & Dinner*

*Overnight at Farmhouse*

#### Day 4 (Tuesday): Lough Graney Ride

Leaving the sheltered pasture, we are heading this morning for the top of the hills overlooking endless woods and grazing land to the north, west, and south. Long before we get there we can spot way under us the sandy shores of Lough Graney. After lunch our trail ride goes along the water and then we will be splashing right across the refreshing lake with our horses! The ride in the later afternoon takes us through typical farmland of rural Ireland with its juicy green fields and the endless old stone walls surrounding the peacefully grazing sheep and cattle.

*Meals included: Breakfast, Lunch & Dinner*

*Overnight at Farmhouse*

#### Day 5 (Wednesday): Glandaria Ride

Today's lovely wood tracks take us further westwards overlooking Glandaria (the valley of the Kings) the wide fertile valley of the River Shannon, where hundreds of years ago Irelands kings preferably used to settle. After the lunch break near a typical mountain river, we will cross the boggy uplands. County Clare unfolds all around us up to the in the distance rising hills of the famous Burren National Park. On a clear day we will even catch the first glimpse of Galway Bay. This afternoon our horses will be transferred by lorry across the main road to tomorrow's ride across the fascinating landscape of the Burren. You will be staying tonight in the charming village of Corofin with its countless pubs and great Irish music sessions.

*Meals included: Breakfast, Lunch & Dinner*

*Overnight in Corofin*

#### Day 6 (Thursday): Mullaghmore Ride

The totally different and unique scenery of the world renowned Burren will accompany us for the next two days. The moon-like landscape of this limestone area bears not only an immensely colourful flora and fauna with a large number of very rare species, but also reveals a stunning variety of prehistoric settlements. Dolmens and Wedge Tombs line up next to Norman stone fort ruins and Celtic ring forts. With a beautiful view across the Burren landscape, we will enjoy our lunch. It is amazing how many eye-catching sites this at first sight so vast looking landscape can offer us. The next two nights you will be staying in the Lisdoonvarna area, which is famous for the traditional music in the pubs.

*Meals included: Breakfast, Lunch & Dinner*

*Overnight in Lisdoonvarna*

#### Day 7 (Friday): Atlantic Coast ride

Today we head westwards through the Burren, learning about the impressive Poulrabrone Dolmen, and the extensive - and dangerous - cave systems in this special area. We rest for lunch overlooking the story-telling rocky landscape. After the break we lead our horses up the last hill for the breathtaking view over the Atlantic Sea, the famous Aran Islands and the rugged Connemara Mountains. The extremely rough shore of County Clare stretches out way below us as we enjoy the last canter along the old stone walled tracks on Slieve Elva. In the glittering afternoon sunlight the impressive silhouette of the Cliffs of Moher rise in front of us. Near the ruins of the spooky looking Ballinalacken Castle our ride ends.

*Meals included: Breakfast, Lunch & Dinner*

*Overnight in Lisdoonvarna*

#### Day 8 (Saturday): Slan Abhaile

After breakfast onwards journey or transfer back to Shannon Airport.

*Meals included: Breakfast*

#### Sample Itinerary: 6-day program - subject to changes

*Follows same first 6 days of the 8-day itinerary.*
