About Hidden Trails

Hidden Trails is owned and operated by nature enthusiasts who love horses and adventure activities. We have been involved with riding and other outdoor vacations for over 20 years.

With our partners Voyage du Cheval (France), Pegasus (Germany) as well as Equitour (Switzerland and France) we have collected the best riding destinations all over the world in some hidden places we would like to share with you.

These rides are about galloping on endless beaches, forging rivers, cantering through forests, trotting along age-old trails, gazing at beautiful vistas and encountering foreign cultures. But most of all, these trips are about getting away from the cycle of too much work and never enough free time.

Escape from the rituals, which long ago froze our nights and days into little more than routine and away from the worries of our new tense times. It is so satisfying when we take the plunge of adventure - it's unfortunate that we invent so many reasons to put aside living our dreams of adventure. It is sometimes a tangled web that we weave through life. Some of the threads reveal a work-a-day world of commitments, duties and obligations. Other threads are of a quiet fabric of hope, responsibility and refreshment.

On our adventures you see the real country, its back country and meet the locals. The love for horses has no boundaries but possesses a common language we all speak and understand. The majority of the overseas rides are from inn to inn, some from castle to castle and a few are camping rides.

You will experience new countries and their customs and make new friends. The Hidden Trails trips are the best you can find.

They have been tested by our staff or associates and received our stamp of approval. If you are considering a special riding vacation anywhere in the world, call us first and let our experienced consultants match the perfect trip with your dream.

We will listen to you and give you objective advice to help you choose the best destination and adventure.

Your vacation is the most precious time of the year and we are committed to making it the most memorable time of your life. Wherever you go, have a great time and bring back some peace of mind.

Thank you for your continued support.

Introduction

Sicily, Italy

This is an unforgettable experience that combines the pleasure to ride a horse with the discovery of an area surprisingly rich in natural, historical, cultural and culinary wealth. You will be staying in a seventeenth century farmhouse that once belonged to the baronial family of Ventimiglia. The farmhouse has been restored into one of the most scenic lodgings of Sicily. It boasts a restaurant, swimming pool, and a large space for outdoor activity, so you all you need are close by. Both lands and villages blend into a timeless artwork that will take your breath away.

Come enjoy a relaxing week riding through Sicily's untouched and diverse lands. This trip promises a wondrous look into one of Italy's most beautiful regions. Surrounded by the Mediterranean Sea, this island hosts lush landscapes, old historic cities, quiet coastal town, and amazing wines and foods. Explore the island on horseback through olive groves and cork trees to castles and villages. Really enjoy nature as you travel along paths no car could reach. Sicily houses a wide variety of plant and animal species such as deer and wild boar, as well as endemic species such as giant holly trees.

Many villages still practice old craft traditions and are happy to enlighten you about their work. Be sure to try our local products such as our manna, cheese, and traditional desserts. If you are looking to see the best and most varied parts of Italy, then look no further than Sicily.

Accommodation

Accommodation

This is a stationary ride where all nights are spent at the same location (possibility of 1 overnight in a mountain lodge).

Description

Tenuta Luogo Marchese a farm with about 15 rooms, a restaurant, a swimming pool and a large surrounding space where you can perform any outdoor activity. It is a farmhouse dating back to the 17th century that once belonged to the baronial family of Ventimiglia. It was later abandoned and used by local shepherds until the early 80s when it was restored and transformed into one of the most beautiful and scenic farmhouses of Sicily.

The rooms are divided into double, triple and quadruple rooms, some of which are available with a private terrace and others with views of the Madonie mountains. They are all equipped with en-suite bathroom with shower and heating. Not all the rooms have a TV.

The rooms are all furnished in Sicilian style to maintain the memory of the places, but equipped with every comfort to make the stay as relaxing as possible.

There is free Wi-Fi in the common areas and a beautiful swimming pool where guest can relax.

Room Occupancy

If we are unable to find another rider to share the room with you, a single supplement fee applied.

Meals

All meals are included with this trip.

The restaurant serves typical meat-based madonita cuisine with an excellent selection of Sicilian and local wines, own production of cheeses, local vegetables and fruit.

Breakfast, with typical local products, is served at the restaurant from 07:30 to 10:00 am.

All the dinners are eaten in the farmhouse and include 4 courses: starter, first dish, second dish, fruit, wine (included with dinner only) and water.

Dietary Restrictions

We can cater to all dietary restrictions with prior notice.

Riding

Riding Experience

You need to have a strong intermediate riding level. You must be able to control the horse on every paces, in difficult situations (ex. crossing rivers, walking on rocky tracks) and able to lead the horse on foot for short parts of the ride, if the ground is not the best.

You should be able to sit on horseback for up to 8/9 hours, with a considerable physical effort.

Horses

The horses are bred by us. They are Sicilian-native (indigenous), Arabs, Arab mixed, Andalusians and Sanfratellani. They are trained with a good attitude for long distance rides. They are safe, proud and happy to go everywhere you ask them to go.

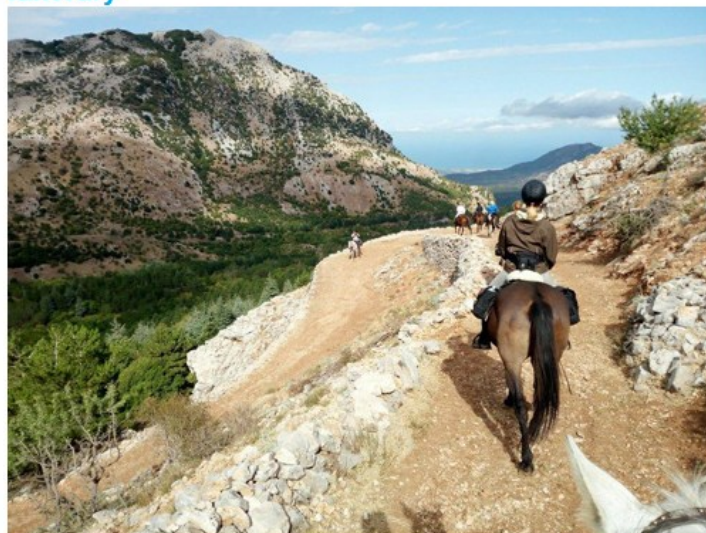

Staff

Luciano is a breeder of indigenous Sicilian pure bred horses and has extensive knowledge of the paths and bridleways of the Nebrodi and Madonie mountain range. In addition, he is an expert guide of all the trails and speaks fluently French, Italian, Sicilian as well as basic English.

Sergio has been an expert in the field of tourism in Sicily for many years. His passion for promoting tourism in Sicily is second to his passion for horses. He speaks fluently English, French, Italian and Sicilian.

Continue the excursion by following a path almost to the sea, passing through cultivated fields with olive trees, citrus groves and woods of cork, red and holm oaks. Lunch in a restaurant by the sea is an option based on guest preference. During spring and autumn you can sometimes ride on the beach as it's not so busy with tourists then. Swimming in the sea with the horses is also possible but of course this depends on the weather and sea conditions! Months when it could be possible are April, May, June, September, October and the beginning of November. We can't guarantee it but keep your fingers crossed and it might be possible!
