About Hidden Trails

Hidden Trails is owned and operated by nature enthusiasts who love horses and adventure activities. We have been involved with riding and other outdoor vacations for over 20 years.
With our partners Voyage du Cheval (France), Pegasus (Germany) as well as Equitour (Switzerland and France) we have collected the best riding destinations all over the world in some hidden places we would like to share with you.

These rides are about galloping on endless beaches, forging rivers, cantering through forests, trotting along age-old trails, gazing at beautiful vistas and encountering foreign cultures. But most of all, these trips are about getting away from the cycle of too much work and never enough free time.

Escape from the rituals, which long ago froze our nights and days into little more than routine and away from the worries of our new tense times. It is so satisfying when we take the plunge of adventure - it's unfortunate that we invent so many reasons to put aside living our dreams of adventure. It is sometimes a tangled web that we weave through life. Some of the threads reveal a work-a-day world of commitments, duties and obligations. Other threads are of a quiet fabric of hope, responsibility and refreshment.

On our adventures you see the real country, its back country and meet the locals. The love for horses has no boundaries but possesses a common language we all speak and understand. The majority of the overseas rides are from inn to inn, some from castle to castle and a few are camping rides.
You will experience new countries and their customs and make new friends. The Hidden Trails trips are the best you can find.

They have been tested by our staff or associates and received our stamp of approval. If you are considering a special riding vacation anywhere in the world, call us first and let our experienced consultants match the perfect trip with your dream.
We will listen to you and give you objective advice to help you choose the best destination and adventure.

Your vacation is the most precious time of the year and we are committed to making it the most memorable time of your life. Wherever you go, have a great time and bring back some peace of mind.

Thank you for your continued support.

Day 1: Ride to Misminay
This ride begins at a height of 2,828 meters above sea level in the town of Paucarbamba, where our hacienda is located. Upon your arrival at our facilities (around 9 am), you will receive instruction and recommendations before the tour.
We should start riding at about 10 am. We will cross a wooden suspension bridge and continue along the valley floor on the right bank of the Vilcanota River. The eucalyptus trees that grow on the banks of the river will be our witnesses until we reach one of the largest Inka cemeteries of its time, located on the cliffs of the town of Yanahuara.
Shortly after crossing the town of Yanahuara, we will arrive at the suspension bridge of Tarabamba, where we register to enter the Salinas de Maras. The path to the Salinas is rocky, narrow and steep, which is why we go slowly until we reach the salt complex. There, we will dismount and take a walking tour of the complex.
Then, it is time to get back in the saddle and ride uphill to the beautiful Andean town of Maras, where we will enjoy our first lunch with a view of the Chicón and San Juán snow-capped mountains.
After lunch, we ride along a picturesque bridle path that will lead us to the town of "Misminay", where our hosts will receive us in the ancestral style.

Throughout the adventure that awaits us that afternoon, we will pass through the town of Mahuaypampa, and its extensive land of diverse crops.
At about 4 pm, we should get our first glimpse of the Huaypo lagoon. From our horses we will be able to appreciate the lagoon from end to end, stopping to hear the trill of the resident birds.
We will arrive at our domed lodge got 5 pm.
Meals included: Breakfast, Lunch & Dinner
