## About Hidden Trails

Hidden Trails is owned and operated by nature enthusiasts who love horses and adventure activities. We have been involved with riding and other outdoor vacations for over 20 years.

With our partners Voyage du Cheval (France), Pegasus (Germany) as well as Equitour (Switzerland and France) we have collected the best riding destinations all over the world in some hidden places we would like to share with you.

These rides are about galloping on endless beaches, forging rivers, cantering through forests, trotting along age-old trails, gazing at beautiful vistas and encountering foreign cultures. But most of all, these trips are about getting away from the cycle of too much work and never enough free time.

Escape from the rituals, which long ago froze our nights and days into little more than routine and away from the worries of our new tense times. It is so satisfying when we take the plunge of adventure - it's unfortunate that we invent so many reasons to put aside living our dreams of adventure. It is sometimes a tangled web that we weave through life. Some of the threads reveal a work-a-day world of commitments, duties and obligations. Other threads are of a quiet fabric of hope, responsibility and refreshment.

On our adventures you see the real country, its back country and meet the locals. The love for horses has no boundaries but possesses a common language we all speak and understand. The majority of the overseas rides are from inn to inn, some from castle to castle and a few are camping rides.

You will experience new countries and their customs and make new friends. The Hidden Trails trips are the best you can find.

They have been tested by our staff or associates and received our stamp of approval. If you are considering a special riding vacation anywhere in the world, call us first and let our experienced consultants match the perfect trip with your dream.

We will listen to you and give you objective advice to help you choose the best destination and adventure.

Your vacation is the most precious time of the year and we are committed to making it the most memorable time of your life. Wherever you go, have a great time and bring back some peace of mind.

Thank you for your continued support.

No refund will be made to a participant who is rejected for any such reason, or who is unwilling or unable to complete a tour.

#### Horses

We have 20 Peruvian Paso horses which are known for their smooth gait and elegance. We have horses with different temperaments that can cater to all levels of rider.

The Peruvian Paso Horse transmits its unique smooth gait to its purebred foals. No artificial devices or special training aids are necessary to enable the horse to perform the "Paso Llano", that provides a ride of incomparable smoothness.

### Itinerary

#### Sample Itinerary - *subject to changes*

##### Day 1: Ride to Rayanniyoc

We transfer you to the "Rasca" bridge located in the heart of the Pomatales canyon at 2895 meters above the sea level. Our guide will give you some information about the horses and the riding style.

We will start riding at about 10 am. We follow a wide and safe route climbing up the mountains until we arrive to the Andean community of "Soqma" located at 3184 meters above sea level.

After visiting Soqma, we will continue climbing until arriving to a second village "Markuray" at 3670 meters above sea level. It is near this village that we expect to have our lunch break (around 1 pm), enjoying a nice view over the valley.

During the afternoon ride, we make our way to "Rayanniyoc" located at 3747 meters above sea level, where we will spend the night.

Once in Rayanniyoc, we will ride downhill a little bit, tie our horses and follow a narrow hiking path to visit the most important waterfall from this area "Perolnuyoc" which is about 100m high. After spending a great time there, we hike to a small Inka complex "Raqaq Pata" and enjoy the scenery.

We then head back to our horses and ride up to our camping place. We prepare ourselves and the horses for the cold night. This camping area is located in a gorge that is why when the shadow comes, the temperature descends quickly.

*Meals included: Lunch & Dinner*

*Overnight Camping near Rayanniyoc*

##### Day 2: Sacred Valley Viuepoint

After a quick breakfast (around 8 am), we aim to be back in the saddle for 9:30 am. We will ride up to the highest point of the Sacred Valley, at 4408 meters above the sea level. There, we will enjoy an incredible viewpoint!

After taking some pictures, we will ride downhill through the Soqma Community.

We expect to be back at the trailhead for 1:30 pm. Horses and riders are transferred to our hacienda for a nice farewell lunch (around 2 pm).

*Meals included: Breakfast & Lunch*

*Note: If you wish to extend your stay in Peru, we suggest to sign up for the [Machu Picchu Mountain Lodges Ride](#)*
