About Hidden Trails

Hidden Trails is owned and operated by nature enthusiasts who love horses and adventure activities. We have been involved with riding and other outdoor vacations for over 20 years.

With our partners Voyage du Cheval (France), Pegasus (Germany) as well as Equitour (Switzerland and France) we have collected the best riding destinations all over the world in some hidden places we would like to share with you.

These rides are about galloping on endless beaches, forging rivers, cantering through forests, trotting along age-old trails, gazing at beautiful vistas and encountering foreign cultures. But most of all, these trips are about getting away from the cycle of too much work and never enough free time.

Escape from the rituals, which long ago froze our nights and days into little more than routine and away from the worries of our new tense times. It is so satisfying when we take the plunge of adventure - it's unfortunate that we invent so many reasons to put aside living our dreams of adventure. It is sometimes a tangled web that we weave through life. Some of the threads reveal a work-a-day world of commitments, duties and obligations. Other threads are of a quiet fabric of hope, responsibility and refreshment.

On our adventures you see the real country, its back country and meet the locals. The love for horses has no boundaries but possesses a common language we all speak and understand. The majority of the overseas rides are from inn to inn, some from castle to castle and a few are camping rides.

You will experience new countries and their customs and make new friends. The Hidden Trails trips are the best you can find.

They have been tested by our staff or associates and received our stamp of approval. If you are considering a special riding vacation anywhere in the world, call us first and let our experienced consultants match the perfect trip with your dream.

We will listen to you and give you objective advice to help you choose the best destination and adventure.

Your vacation is the most precious time of the year and we are committed to making it the most memorable time of your life. Wherever you go, have a great time and bring back some peace of mind.

Thank you for your continued support.

Itinerary

Sample Itinerary - subject to changes

Day 1: Ride to Huaypo Lake

This ride begins at a height of 2,828 meters above sea level in the town of Paucarbamba, where our hacienda is located. Upon your arrival at our facilities (around 9 am), you will receive instruction and recommendations before the tour.

We will start riding at about 10 am. Our riding adventure starts through the flat terrain on the valley floor, before going through some forests of native flora (Llaulli, Tara, Chachacomo, Tánkar, Queuña, etc) as well as exotic trees (Eucalyptus, Cypress, Pine) located on the banks of the Vilcanota River. We will slowly begin to gain height riding uphill towards the Salinas de Maras, where we will make our first stop to tour the salt complex.

We should arrive at the Salinas around noon. After a quick tour of the complex, will get back in the saddle, taking a steep path towards the picturesque town of Maras. There, we stop for lunch.

After overcoming the steepest part of the day, the high peaks will offer us their incomparable and privileged panoramic view. We should arrive at the charming Huaypo Lake at about 5 pm.

We will spend the night in a comfortable lodge.

Meals included: Lunch & Dinner

Overnight at Lodge near Huaypo Lake

Day 2: Moray

After having appreciated the spectacular sunrise and having enjoyed a good breakfast, we will ride downhill towards to the town of Maras. On our way, we will cross extensive fields of potatoes, barley, oats, beans, and many other regional agricultural products. After having ridden for about two to three hours through picturesque ravines, we will arrive at a Catholic temple built in the 16th century (Ttiobamba), located just before the city of Maras.

We enjoy our lunch break in Maras.

Then, we will make our way to "Moray" where we will observe from a viewpoint the beautiful archaeological complex. Finally, it is time to ride downhill along a very narrow road until we reach a valley viewpoint. There, we make a last stop before heading back to the Hacienda .
