About Hidden Trails

Hidden Trails is owned and operated by nature enthusiasts who love horses and adventure activities. We have been involved with riding and other outdoor vacations for over 20 years.
With our partners Voyage du Cheval (France), Pegasus (Germany) as well as Equitour (Switzerland and France) we have collected the best riding destinations all over the world in some hidden places we would like to share with you.

These rides are about galloping on endless beaches, forging rivers, cantering through forests, trotting along age-old trails, gazing at beautiful vistas and encountering foreign cultures. But most of all, these trips are about getting away from the cycle of too much work and never enough free time.

Escape from the rituals, which long ago froze our nights and days into little more than routine and away from the worries of our new tense times. It is so satisfying when we take the plunge of adventure - it's unfortunate that we invent so many reasons to put aside living our dreams of adventure. It is sometimes a tangled web that we weave through life. Some of the threads reveal a work-a-day world of commitments, duties and obligations. Other threads are of a quiet fabric of hope, responsibility and refreshment.

On our adventures you see the real country, its back country and meet the locals. The love for horses has no boundaries but possesses a common language we all speak and understand. The majority of the overseas rides are from inn to inn, some from castle to castle and a few are camping rides.
You will experience new countries and their customs and make new friends. The Hidden Trails trips are the best you can find.

They have been tested by our staff or associates and received our stamp of approval. If you are considering a special riding vacation anywhere in the world, call us first and let our experienced consultants match the perfect trip with your dream.
We will listen to you and give you objective advice to help you choose the best destination and adventure.

Your vacation is the most precious time of the year and we are committed to making it the most memorable time of your life. Wherever you go, have a great time and bring back some peace of mind.

Thank you for your continued support.

Introduction

Cusco, Peru
Discover the magic of Peru's Sacred Valley on a two-day, one-night horseback riding adventure through spectacular Andean landscapes, traditional villages, and remarkable remnants of the Inca civilization. Beginning in Wayllabamba, a historic village known for its agricultural heritage and renowned white corn, this journey follows scenic trails alongside the Vilcanota River, passing ancient archaeological sites and historic haciendas that reflect the fascinating blend of Inca and Spanish influences. As the trail climbs from the valley floor into the mountains, breathtaking views of the snow-capped Pitusiray and Sawasiray peaks unfold, offering an unforgettable glimpse into the natural beauty of the Andes.

The adventure continues with a visit to Huchuy Qosqo, an impressive Inca archaeological complex dramatically positioned above the Sacred Valley. Explore its ancient urban, ceremonial, agricultural, and military sectors while learning about the history and ingenuity of the Inca civilization. Perched high above the valley, the site offers extraordinary panoramic views that make this a truly memorable destination. After exploring the ruins, descend along a rugged mountain trail before returning to the peaceful valley paths beside the river.

Combining horseback riding, cultural discovery, and spectacular mountain scenery, this experience offers a unique way to explore the Sacred Valley beyond the usual tourist routes. Travelling with an experienced guide and riding Peruvian Paso horses, you will spend the night in a local Andean home, enjoying traditional hospitality and the tranquility of rural mountain life. It is an ideal adventure for travellers seeking an authentic connection with Peru's history, landscapes, and living traditions.

Itinerary

Sample Itinerary - *subject to changes*

Day 1: Ride Through the Sacred Valley to the Andean Highlands
Your adventure begins in Wayllabamba, a historic village that was once an important administrative centre during Inca times. The area remains known for its agricultural traditions, particularly its white corn, celebrated for its exceptionally large kernels. From here, ride along scenic trails beside the Vilcanota River, discovering archaeological remains from the Inca period and historic haciendas that emerged following the arrival of the Spanish in 1532. Along the way, observe the distinctive blend of Inca and Spanish architectural styles, offering a glimpse into the region's rich and layered history.

After lunch near the village of Calca, continue riding along the relatively flat valley trails before beginning a gradual ascent into the surrounding mountains. As the trail climbs from approximately 2,929 metres to 3,682 metres above sea level, the landscape transforms into a spectacular panorama of the Andes. Enjoy magnificent views of the snow-capped Pitusiray and Sawasiray mountains, the deep valley stretching behind you, and the diverse flora and fauna of this beautiful high-altitude environment. The day concludes in a small Andean community, where you will spend the night in a local home and experience the peaceful atmosphere and traditional hospitality of rural mountain life.

Meals included: Lunch & Dinner
Overnight in an Andean local home

Day 2: Discover the Inca Ruins of Huchuy Qosqo
After breakfast, set out on a walking exploration of Huchuy Qosqo, an impressive Inca archaeological complex dramatically situated above the Sacred Valley. Believed to have been one of the favourite retreats of an Inca ruler, the site features the remains of a two-storey residence, suggesting that it may have served as a place for rest and reflection away from the demands of governing. Explore its various sectors, including the residential and urban areas, royal and religious spaces, agricultural terraces, granaries, and military installations, while learning about the organisation and ingenuity of Inca society.

One of the highlights of the visit is the extraordinary view from the edge of the cliffs overlooking the Sacred Valley. The site's dramatic position also reveals its strategic importance: the Inca are believed to have selected this commanding location for military observation and to control access to the complex. After lunch, begin the descent on horseback along a steep, rocky mountain trail. Riders may dismount and lead their horses on foot where the terrain becomes challenging. Once back on the flatter valley paths, enjoy a final ride alongside the Vilcanota River toward the Calca area. Your adventure concludes near the village of Huychu, where transportation will be waiting to take you back to your hotel in the Sacred Valley.

Meals included: Breakfast & Lunch

Note: If you wish to extend your stay in Peru, we suggest to sign up for the Machu Picchu Mountain Lodges Ride.
