## About Hidden Trails

Hidden Trails is owned and operated by nature enthusiasts who love horses and adventure activities. We have been involved with riding and other outdoor vacations for over 20 years.

With our partners Voyage du Cheval (France), Pegasus (Germany) as well as Equitour (Switzerland and France) we have collected the best riding destinations all over the world in some hidden places we would like to share with you.

These rides are about galloping on endless beaches, forging rivers, cantering through forests, trotting along age-old trails, gazing at beautiful vistas and encountering foreign cultures. But most of all, these trips are about getting away from the cycle of too much work and never enough free time.

Escape from the rituals, which long ago froze our nights and days into little more than routine and away from the worries of our new tense times. It is so satisfying when we take the plunge of adventure - it's unfortunate that we invent so many reasons to put aside living our dreams of adventure. It is sometimes a tangled web that we weave through life. Some of the threads reveal a work-a-day world of commitments, duties and obligations. Other threads are of a quiet fabric of hope, responsibility and refreshment.

On our adventures you see the real country, its back country and meet the locals. The love for horses has no boundaries but possesses a common language we all speak and understand. The majority of the overseas rides are from inn to inn, some from castle to castle and a few are camping rides.

You will experience new countries and their customs and make new friends. The Hidden Trails trips are the best you can find.

They have been tested by our staff or associates and received our stamp of approval. If you are considering a special riding vacation anywhere in the world, call us first and let our experienced consultants match the perfect trip with your dream.

We will listen to you and give you objective advice to help you choose the best destination and adventure.

Your vacation is the most precious time of the year and we are committed to making it the most memorable time of your life. Wherever you go, have a great time and bring back some peace of mind.

Thank you for your continued support.

## Introduction

Azores, Portugal

Welcome to the Azores, a collection of nine green and volcanic islands in the middle of the Atlantic with a wonderful climate that creates a paradise for orchid lovers (especially on the island of Flores). The Azores are also one of the best places in the world to see whales and dolphins and among the most sighted species are the sperm whale, the fin whale, common dolphin, bottlenose dolphin and Atlantic spotted dolphin. Your horseback adventure with Hidden Trails will be a discovery of the Isle of São Miguel, which has an extensive network of secluded tracks that are perfect for exploring by horseback. These paths have been built throughout the centuries throughout the countryside and most are still used by rural farmers going about their daily routines. Your base for this wonderful riding holiday is at a rural Quinta (farm) on the south of the island not far from the main town of Ponta Delgada, home to some beautiful examples of Portuguese architecture dating back to the 17th Century. There are five lovely guest rooms, each with en suite facilities as well as a comfortable dining room and lounge.

The riding week offers a collection of half and full day rides combined with interesting sightseeing trips into towns, craters and hot springs. Experience a different experience and new scenery each and every day. On some days horses and riders are transported to different trail heads, providing for riders the most variety of trails possible, different landscapes and riding paces. These unique variations can make it seem almost as if someone has taken small parts from the five continents, blended them all together and tossed it into the ocean to create exotic Sao Miguel. Some people even say this island of the Azores is the sunken Atlantis.

## Accommodation

**Accommodation**

This is a stationary ride where all nights are spent at the same location.

**Description**

The historic house of the Quinta (farm) is one of the oldest homes on the island and dates from the 17th Century. There are 5 lovely guest rooms, each with en-suite facilities as well as a comfortable dining room and lounge. Each guest room has been individually furnished and decorated to give our guests a feeling of being at home - all with private bathrooms (with hair dryer), accessories and cable TV. Each bed has 2 single duvets- so you do not have to fight over the duvet at night. Wi-Fi is available at the Quinta.

If you want to stay in a fancy hotel room which could be in any hotel anywhere in the world, this is not the place for you. It is a special place, where Claude and Christina will make your stay personalized and unforgettable.

#### Meals

All meals are included in your trip.

The food is a real highlight of the holiday. Christina's home cooked food is delicious! As much as possible local ingredients are used. We try to serve Azorean-style food whenever possible.

An array of seasonal fruit and vegetables will appear in all the wonderful breakfasts, lunches and dinners consisting of local produce, allowing you to experience the different flavors from the Azores.

The breakfast is a delight every morning and there is a big selection of fresh fruit, usually pineapple and a minimum of 3 varieties of melon, kiwi, pomegranate etc. There is also a selection of breads and jams and meat and cheese, every taste catered for and all fresh.

Each evening meal includes 3 different courses. Christina will take into account guest preferences and dietary requirements. Soup to start, different every night, followed by, for example, fresh tuna or chicken in a creamy herby sauce, concluded with the best chocolate mousse.

#### Dietary Restrictions

We can cater to all dietary restrictions with prior notice.

#### Riding

For private groups the riding level can be adjusted. Riding lessons are available on request.

### Riding Experience

You should be a competent rider in control of your horse at walk, trot and canter across sometimes rugged and/or steep terrain. There are areas where you may have to dismount and lead your horse. Please, note that riding on the beaches is not allowed in the Azores.

### Horses

The riding center has some 49 much loved horses. They are all well-schooled and a pleasure to ride, whether in the arena or out on the trail.

### Non-Riding Activities
