## About Hidden Trails

Hidden Trails is owned and operated by nature enthusiasts who love horses and adventure activities. We have been involved with riding and other outdoor vacations for over 20 years.

With our partners Voyage du Cheval (France), Pegasus (Germany) as well as Equitour (Switzerland and France) we have collected the best riding destinations all over the world in some hidden places we would like to share with you.

These rides are about galloping on endless beaches, forging rivers, cantering through forests, trotting along age-old trails, gazing at beautiful vistas and encountering foreign cultures. But most of all, these trips are about getting away from the cycle of too much work and never enough free time.

Escape from the rituals, which long ago froze our nights and days into little more than routine and away from the worries of our new tense times. It is so satisfying when we take the plunge of adventure - it's unfortunate that we invent so many reasons to put aside living our dreams of adventure. It is sometimes a tangled web that we weave through life. Some of the threads reveal a work-a-day world of commitments, duties and obligations. Other threads are of a quiet fabric of hope, responsibility and refreshment.

On our adventures you see the real country, its back country and meet the locals. The love for horses has no boundaries but possesses a common language we all speak and understand. The majority of the overseas rides are from inn to inn, some from castle to castle and a few are camping rides.

You will experience new countries and their customs and make new friends. The Hidden Trails trips are the best you can find.

They have been tested by our staff or associates and received our stamp of approval. If you are considering a special riding vacation anywhere in the world, call us first and let our experienced consultants match the perfect trip with your dream.

We will listen to you and give you objective advice to help you choose the best destination and adventure.

Your vacation is the most precious time of the year and we are committed to making it the most memorable time of your life. Wherever you go, have a great time and bring back some peace of mind.

Thank you for your continued support.

## Introduction

Waterberg, South Africa

Discover the Entabeni Reserve of South Africa, its wildlife and nature from the back of a horse: an overwhelming feeling!

Travel as the first settlers did many years ago: listen to the rhythmic sound of hooves galloping on paths used only by animals, the horses breathing breaking the silence, the pungent aroma of horse sweat in the air... We aim to convey a feeling of traveling back in time, disconnecting from everyday life and taking time to absorb the peace and tranquility of an African safari.

On this safari, you will experience pure adrenaline mixed with an ever-changing scenery and variety of wildlife, which will give you a true sense of freedom and excitement.

If you would like to design your own safari, we can accommodate a minimum of two people and maximum of eight, on our private rides. This is ideal for people who cannot travel on set dates or would like to base the ride at one or two lodges, or travel for a shorter number of days.

## Accommodation

### Accommodations

This is a progressive ride, so nights will be spent in different locations.

### Description

You will be staying at different deluxe bush camps and lodges. We reserve the right to use alternative lodges on the reserve should the outlined be fully booked. Should this occur, guests will stay at a lodge of the same standard, or higher.

Cell service is usually available most of the time while riding in the reserve. Our guides always have a radio to keep in touch at any time.

Night 1 & 2: Wildside Tented Camp

Night 3 & 4: Fly camp

Night 5: Kingfisher Lodge

Wildside Tented Camp

It is one of the most charming accommodations on the reserve, with a real African wilderness feel. It is located on the lower escarpment and offers 20 comfortable en-suite tented chalets, all equipped with a tea/coffee station, a minibar (stocked on request), a ceiling fan and a hairdryer. This camp is fully equipped with Wi-Fi access and electricity.

Fly Camp

Our fly camp is set up exclusively for the group booked and can be broken down in 24 hours (leaving no trace of our passage). We choose the location for its natural beauty, safety and ambience so to allow guests to experience the true wilderness and spend a few days under traditional style canvas tents. Our Fly Camp is usually set up by natural rock pools, allowing guest to relax in the sun or swim when water levels are high. Each tent can sleep two people, in military style bed frames with a comfortable mattress and white linen and duvets. The tents are high enough to walk in comfortably and are finished with a carpet and a bedside table. The tents are connected between each other with lantern lit pathways. Facilities are shared (long drop loo and bucket shower). There is no Wi-Fi access. Dinners in the riverbed, are a must at this location as well as cozy evenings by the fire after the days ride to discuss the happening of the day.

Kingfisher Lodge

Ideally located on the banks of Lake Entabeni, this stunning lodge offers 8 suites. Each suite features an ensuite bathroom, a tea & coffee station, ceiling fan, a safe, a heater and a fireplace. As the most luxurious of all the upper escarpment lodges, the ambience is inviting with stylish décor and custom designed furniture. There is a swimming pool and a beautiful wooden deck where guests can relax in the evening.

Room Occupancy

If you are willing to share, the single supplement fee does not apply.

Meals

All meals are included from dinner on Day 1 to breakfast on the last day.

Dietary Restrictions

We can cater to most dietary restrictions if given prior notice. Unfortunately, we are unable to cater to celiacs (but gluten-free diets are okay) and vegans.

## Riding

Our horse safari groups are small, and we ensure personal attention is given to our guests. There is one lead guide and a backup guide for each safari.

### Horses

Our Herd of Boerperd crosses, hardy Thoroughbreds, and draft crosses are carefully selected for their temperament and ability. These horses come from diverse backgrounds, yet they all share key qualities—sure-footedness, bravery, and a kind nature—that make them ideal companions for safaris.

We prioritise the well-being of our horses, ensuring they are rotated regularly with a ratio of one day off for every day worked. Each horse takes part in a maximum of two safaris per month and is schooled between safaris to keep them happy and in top shape for exploring the bush. Every horse is personally trained by the owner, who ensures they are well-prepared and responsive.

Our horses roam freely on the nature reserve, allowing them to build confidence and stay relaxed when ridden through diverse habitats. It's not uncommon to find them grazing peacefully alongside wildlife as part of their daily routine. Each morning, they come in for feeding and exercise, and they receive a second feeding at sunset.

We take great care in their health and well-being, ensuring regular deworming and treatments to protect them from ticks, which are common in the area. Most of our horses are barefoot, and our farrier visits every 6 to 7 weeks to ensure their hooves are in excellent condition.

### Equipment

Most of our horses are ridden with snaffle bits, ensuring gentle communication between rider and horse. For our horseback safaris, we use comfortable trail saddles, designed for long rides through the wilderness. Each saddle is equipped with small bags for your convenience, allowing you to easily carry essentials like water, a hat, or small devices.

If you prefer, English saddles are available upon request.

Helmets are mandatory, so please bring your own for safety and comfort during your safari.

### Riding Style

Our horses are trained in the English riding style, but they can be ridden with either two hands (English style) or one hand (Western style), depending on your preference. On the trail, we tend to ride with long reins, allowing the horses to stretch out and move more comfortably, ensuring they can clearly see where they're placing their feet. Their independent thinking, sure-footedness, and versatility are just one of the many strengths of our bush horses.

Our rides can be fast-paced at times and may require quick reactions from riders due to unexpected wildlife encounters. As such, a certain level of riding experience is required.

### Terrain & Riding Experience

Challenging terrain at times, with steep slopes. Leading the horse will sometimes be necessary.

To ensure both a safe and enjoyable safari experience, we require guests to have at least 10 years of riding experience. You should be comfortable riding a horse that is not your own and able to mount and dismount with ease. Riders must be confident at all paces—walk, trot, canter, and gallop, using light-seat. If you're unsure about your riding ability, please contact us and provide a video of your riding ability so we can assess your level and discuss suitable options.

### Children

If you're traveling with a child, please reach out to us. While we generally have a minimum age requirement of 14 years, this can be reviewed based on the child's riding proficiency.

## Itinerary

*NOTE: Please note that due to changes in weather and other unforeseen events, the itineraries and accommodations used may change at the last minute.*

The lower part of the reserve is home to the Big 5 (lion, leopard, rhino, elephant and African buffalo) while the upper escarpment is a rhino reserve with plenty of giraffes and other ungulates. There are no lions and no elephants on the upper escarpment.

**Sample Itinerary: 8-day program - subject to changes**

**Day 1 (Saturday): Arrival**

You will be met at OR Tambo international Airport, by one of our representatives, to be transferred to Entabeni Game Reserve (about a 2.5 hour drive), heading North to reach the World Heritage Waterberg Biosphere. You will be welcomed by our team, at our "camp", where lunch is served.

Then, enjoy your first game drive, with a chance to see the Big 5 from the vehicle. Return to the fly camp for dinner and overnight.

*Meals included: Lunch & Dinner  
Overnight at Wildside tented camp*

**Day 2 (Sunday): Game Reserve Ride**

Early wake up and breakfast (served at 6:30 am) before you set off on a 2.5 hour ride to the reserve. At noon we will stop for a bush lunch near a dam.

**Day 3 (Monday): Yellowwood Escarpment Ride**

Start with a 6:00 am game drive followed by breakfast at 9:00 am. Our ride starts later today when the lions feel lazier. Ride through the lower escarpment and climb the steep Yellowwood Escarpment (some walking is required, and there is a vehicle accompanying the group if anybody wishes to drive up) before stopping for lunch at the rock pools (with optional swim). The ride continues with scenic views and wildlife as you conquer the mountain and the plains open up before you, dotted with game.

We should arrive at Fly Camp by 3:30 pm after a 4.5-hour journey on horseback and about 40 minutes on foot, up the steepest man-made road. Enjoy welcome drinks and wildlife views from camp. Guests should have comfortable shoes to walk in and chaps for this stretch.

*Meals included: Breakfast, Lunch & Dinner  
Overnight at Fly camp*

**Day 4 (Tuesday): Entabeni Ride**

*Meals included: Breakfast, Lunch & Dinner  
Overnight at Fly Camp*

**Day 6 (Thursday): Ride to Kingfisher Lodge**

After breakfast, the staff will most probably urge you to join in on their dance and songs as they sing you farewell from Fly Camp. With your bags packed, ride for 3 hours to Kingfisher Lodge. Soak up some sun at the private pool or pre-book a massage before your afternoon game drive. Come back for dinner, possibly at the boma.

Meet your horses at Hippo Boma, which is a short walk from your rooms and get in the saddle at about 9:00 am to descend the escarpment, traversing the upper and lower escarpments on horseback. The descent again involves some walking, but is less strenuous than uphill, which is why we urge all to walk and not make use of a vehicle. Should you need one, please book in advance. Transfer to Wildside Lodge for lunch and an afternoon game drive.

*Meals included: Breakfast, Lunch & Dinner  
Overnight at Wildside tented camp*

**Day 8 (Saturday): Departure**
