About Hidden Trails

Hidden Trails is owned and operated by nature enthusiasts who love horses and adventure activities. We have been involved with riding and other outdoor vacations for over 20 years.
With our partners Voyage du Cheval (France), Pegasus (Germany) as well as Equitour (Switzerland and France) we have collected the best riding destinations all over the world in some hidden places we would like to share with you.

These rides are about galloping on endless beaches, forging rivers, cantering through forests, trotting along age-old trails, gazing at beautiful vistas and encountering foreign cultures. But most of all, these trips are about getting away from the cycle of too much work and never enough free time.

Escape from the rituals, which long ago froze our nights and days into little more than routine and away from the worries of our new tense times. It is so satisfying when we take the plunge of adventure - it's unfortunate that we invent so many reasons to put aside living our dreams of adventure. It is sometimes a tangled web that we weave through life. Some of the threads reveal a work-a-day world of commitments, duties and obligations. Other threads are of a quiet fabric of hope, responsibility and refreshment.

On our adventures you see the real country, its back country and meet the locals. The love for horses has no boundaries but possesses a common language we all speak and understand. The majority of the overseas rides are from inn to inn, some from castle to castle and a few are camping rides.
You will experience new countries and their customs and make new friends. The Hidden Trails trips are the best you can find.

They have been tested by our staff or associates and received our stamp of approval. If you are considering a special riding vacation anywhere in the world, call us first and let our experienced consultants match the perfect trip with your dream.
We will listen to you and give you objective advice to help you choose the best destination and adventure.

Your vacation is the most precious time of the year and we are committed to making it the most memorable time of your life. Wherever you go, have a great time and bring back some peace of mind.

Thank you for your continued support.

The main house has 3 rooms with private baths and there is an annex with 2 extra rooms and 1 bathroom. Guests can choose to relax in the reading room or TV room or they can enjoy the beautiful garden.
There is free Wi-Fi access at this property.

Mas Joncar near Sant Marti d'Ogassa

Room Occupancy
Single rooms cannot always be guaranteed though booked. If a previously confirmed single room is not available, the guest is entitled to a refund of the price paid for those nights.
Those booked as 'willing to share' will not have to pay the single supplement fee only if we are able to find a rider of the same gender to share. If we have not found someone to share 60 days prior to the trip start, then the single supplement fee applies.

Meals
Lunches and meals eaten at the restaurant are not included in the base price and a fee needs to be paid locally at your first dinner. Please note we only accept Euros!

You will get to know the food culture of the region through the lovingly prepared dishes from fish, game, vegetables and fruits. This experience is refined by the fine wine from the growing areas of the Empordá - your taste buds will not be neglected on this journey!

During lunch breaks, you will be cared for with your saddle-bag picnics or a three-course meal prepared by our trail assistants in a beautiful setting surrounded by nature with great attention to detail.

Our guests will be provided with fresh packed lunches (sandwiches with good fillings, fruit, something to crunch and a sweet for dessert, juice and water, etc.) by the riding operator or the hotels (exception when restaurant stops are stated for midday for which there will be no changes). The lunch packs will be carried by each guest in their saddle bags and will then be eaten at the usual rest stops during the lunch break.

During dinner at the hotels or meals at restaurants (at restaurants normally choose from the offered menu), clients will have the chance to taste various Spanish delicacies.

Dinner on the arrival day is at approximately 9:00pm.
Breakfast on the last day is at approximately 9:00am.

Dietary Restrictions
We can cater to all dietary restrictions such as vegan, gluten, and lactose-free food. Please inform us with your booking if you have special diet requirements!

Riding

Riding Experience
This trip is suitable for intermediate riders who are safe on a well-trained horse at all paces - including a long rising trot and canter. Equestrian experience in open country is a plus. Fitness and experience make several hours in the saddle possible.

Riding Terrain
Ride through forests and meadows and along paved paths through stone villages with spectacular river crossings. Canters along a sandy beach and panoramic views along the Wild Coast are hard to beat.

Pace
This trail is ridden at all gaits, so it is recommended that you know how to connect with your four-legged partner. It is also perfect for experienced riders who usually just train in the arena and would be interested to experience trail rides. Our sure-footed horses provide the necessary security in this varied terrain. Every day you will spend 4-7 hours in the saddle.

Horses
Our horses have a good life! They are are kept in a natural herd setting.
Our horses are selected for their appropriate temperament and a lot of time is spent on training them, so our happy Spanish horses make absolutely reliable and sure-footed companions for you. Each of our "Spaniards" has a unique character, but they have one thing in common: they are high performance athletes.
A choice of around 40 lovely and reliable Andalusian and Spanish horses is waiting for you, to make your riding holiday a unique experience!

Tack
We ride on high quality trail saddles, specially made for long distance riding! In cooperation with the saddler 'Hidalgo' we have developed the perfect trail saddle that is very comfortable and safe for both horse and rider.
Our saddle cloths are also self-produced and hand made with the best materials, such as medical "anti-pressure sore fleece" which offers ideal conditions for our horses' backs.
During the trails, each rider is provided with a hand crafted saddlebag, which is also made to our specification based on our trail riding experience.

Trail riding without transfers
Travel with your horse. Staying in accommodation close to your horse is our philosophy, so on all trails the horses graze nearby. No annoying transfers along winding roads. After an exciting riding day, horses and riders can rest comfortably.

Age Restriction
Accompanied by an adult, teenagers from 12 years on can join our horse riding holidays. Anyone over 16 years of age can join our horse riding holidays without being accompanied by an adult. The youth should have good riding skills. Prior agreement must be obtained. Approval from the parent or legal guardian must be provided.

Guides
The trails are carefully developed. On remote paths and lanes our friendly trail guides show you a wonderful and unknown Catalonia. The trail leaders are experienced riders and hold a trail leader license. Guides and helpers know the horses, the area and the Catalan/Spanish culture.

Itinerary

Sample Itinerary - *subject to changes*

Note: This itinerary is a general guideline and in order to offer our customers the best riding holiday experience we often makes changes. Depending on the season, the weather and national holidays, we may make alterations to itineraries at short-notice. Trails can be ridden in both directions. We endeavour to ensure that our high standards of quality are maintained and reflected in the alternatives we choose.

Day 1: Arrival
Arrival in Barcelona or Girona and transfer to your first night accommodation, a typical Catalan rustic stone house dating back to the 16th century. From here you overlook green meadows and forests. The unique light transforms the surroundings into a picturesque painting.
Please, note that dinner is served at about 9pm tonight.
Meals included: Dinner
Overnight at Country House in Terradelles

Day 2: Catalan Jungle
We ride through thick oak and pine forests and leave the village towards the mountains. In a hidden valley, we cross a small stream. Some sun rays pierce the deep green of a tropical-looking jungle. Bamboo trees border the path, and high up creepers and vines grow around the trees. We are in Spain, but the atmosphere reminds us of Costa Rica.
The River Fluvia winds through a hilly terrain. We ride through the lovely river valleys and discover a nice place for our first picnic. In the afternoon, we continue on our way trotting and cantering, until we arrive at a beautiful old mill near to the river; our accommodation for the night.
Meals included: Breakfast, Lunch & Dinner
Overnight at Old Mill near Romanya D'Emporda

Day 3: Wild Costa Brava
The River Fluvia winds its way through the country to the sea. On a small lake, a friendly Catalan named Dani welcomes us with a glass of cava, the Catalan champagne, and a mid day table prepared with love.
After lunch, we follow the river Fluvia. We cross the river and ride through a wild river landscape. At its estuary, we have a spectacular view of the Gulf of Roses. We are at the Mediterranean Sea in Spain!
A palm grove leads us to the cosy country house "Mas Joncar". With a drink on the terrace we let the day end. If you want to, you can have a refreshing bath in the "natural stone pool" before dinner.
Meals included: Breakfast, Lunch & Dinner
Overnight at Mas Joncar near Sant Marti d'Ogassa

Day 4: Beach Ride
With the sunrise, we see a kilometer-long sandy beach. The water splashes, the sand flies, we canter along the surf. The horses play with the waves and we try to stay dry. The canter along the beach is an unforgettable

sun. The horses play with the waves and we try to stay dry. The canter along the beach is an unforgettable experience!
The path gently follows through the continental sand dunes and the Mediterranean pine forest up to the rugged mountain massif Montgri. On top of the cliff, we are rewarded with a fantastic view of the endless sea. Seabirds glide over the coast in the wind. In the scent of lavender, rosemary, and thyme we strengthen ourselves with a delicious saddle bag picnic.
Later we descend into the plain of the River Ter. With long canters through the river dykes we reach again the Mediterranean Sea. We can enjoy the sunset at the beach or in the swimming pool of the hotel.
Meals included: Breakfast, Lunch & Dinner
Overnight near Sant Pere Pescador

Day 5: Catalan Coast
Right after breakfast, we are back at the beach! In front of us we see the protected islands of "Medes". A canter through the soft sand of the bay brings us into the rice fields of the wide plain, up to the pine trees near the coast. We pass the pearls of the Catalan coast: Pals, Palau-Sator and Peretallada. Old city walls surround the nested rustic stone houses. On the patterned paving stones of the narrow streets, we can still see the grooves and bursts of the horse-drawn carts of the past days. In this medieval atmosphere, Dolores and Luis await us at their comfortable accommodation. In the evening, the householders offer a delicious barbecue with meat and vegetables from the garden.
Meals included: Breakfast, Lunch & Dinner
Overnight near Palafrugell

Day 6: Last Ride
The terrain is flat, the ground soft and sandy. At a fast pace, our well-trained horses trot and canter to the river "El Ter". Fruit plantations alternate with grain fields and deep green poplar forests which give us the necessary shade. On a romantic hillside, next to a small church, we see a red-and-white tablecloth shining. We look forward to another, delicious picnic from Dani.
After a siesta, we ride though a softly curved hillside landscape back to our horse farm.
Meals included: Breakfast, Lunch & Dinner
Overnight at Country House in Terradelles
