About Hidden Trails

Explore the World on Horseback

Hidden Trails is owned and operated by nature enthusiasts who love horses and adventure activities. We have been involved with riding and other outdoor vacations for over 20 years.

With our partners Voyage du Cheval (France), Pegasus (Germany) as well as Equitour (Switzerland and France) we have collected the best riding destinations all over the world in some hidden places we would like to share with you.

These rides are about galloping on endless beaches, forging rivers, cantering through forests, trotting along age-old trails, gazing at beautiful vistas and encountering foreign cultures. But most of all, these trips are about getting away from the cycle of too much work and never enough free time.

Escape from the rituals, which long ago froze our nights and days into little more than routine and away from the worries of our new tense times. It is so satisfying when we take the plunge of adventure - it's unfortunate that we invent so many reasons to put aside living our dreams of adventure. It is sometimes a tangled web that we weave through life. Some of the threads reveal a work-a-day world of commitments, duties and obligations. Other threads are of a quiet fabric of hope, responsibility and refreshment.

On our adventures you see the real country, its back country and meet the locals. The love for horses has no boundaries but possesses a common language we all speak and understand. The majority of the overseas rides are from inn to inn, some from castle to castle and a few are camping rides.

You will experience new countries and their customs and make new friends. The Hidden Trails trips are the best you can find.

They have been tested by our staff or associates and received our stamp of approval. If you are considering a special riding vacation anywhere in the world, call us first and let our experienced consultants match the perfect trip with your dream.

We will listen to you and give you objective advice to help you choose the best destination and adventure.

Your vacation is the most precious time of the year and we are committed to making it the most memorable time of your life. Wherever you go, have a great time and bring back some peace of mind.

Thank you for your continued support.

This is a progressive ride, so nights are spent in different locations.

- Night 1: Country house in Trujillo
- Night 2: Hotel in Madroñera
- Night 3: Guesthouse in Berzocana
- Night 4: Hotel in Logrosán
- Night 5: Guesthouse in Zorita

Country house in Trujillo

This finca was built during the 19th century and is composed of two old farmhouses (one for wine and one for olive oil). Nowadays, it welcomes guests in 13 tastefully decorated ensuite bedrooms fitted with central heating and air conditioning. Wi-Fi is available in public areas and guests are welcome to roam the 30 hectares (approx. 75 acres) park (with vines and olive trees) or go for a swim in the outdoor swimming pool.

Hotel in Madroñera

This small hotel dates back to the 19th century and was built with local stones. It offers 23 air-conditioned rooms (some with beamed ceilings) with private bathroom, a TV and free Wi-Fi access. There is a small garden with a terrace for guests' relaxation.

Guesthouse in Berzocana

This small country house is surrounded by mountains and features amazing views of the surrounding as well as a quiet environment. Each ensuite bedroom is unique and features a beautiful painting of a local bird. Here, there is no heater or air-conditioning but rooms are kept fresh thanks to very thick walls and a small wood stove allows to warm-up during cold nights. Guests can still access Wi-Fi and are welcome to relax in the garden or in the shared lounge.

Hotel in Logrosán

This rural complex offers accommodations in small stone-built huts called chozos. The 6 chozos mix perfectly the charm of the countryside with modernity and all come equipped with a small kitchen, free Wi-Fi access, a TV, air conditioning and a fireplace. There is also a small garden.

Guesthouse in Zorita

This guesthouse has a lovely façade and offers simple accommodations in the heart of Zorita village. The rooms all feature ensuite facilities, a TV and air-conditioning. Visitors can also make use of the lounge area to relax or chat with each other.

Room Occupancy

If we are unable to find another rider to share the room with you, the single supplement fee applies.

Meals

All meals are included on this trip.

The food is a highlight of this trip! Mamen will delight you with the tapas-breaks waiting for you with Serrano ham, Manchego cheese, olives, nuts, etc.

Lunches are taken on the trail; in the countryside (we bring tables and chairs) and always include a starter (salad, gazpacho, vegetables, etc), a main course (paella, iberian pork, fish, etc), fresh fruit, coffee and local wines. Lunchtime features delicious home cooked Spanish dishes such as Paella, Tortilla Española, Iberian pork bbq, salads, and soft cheese very typical from Extremadura "Torta del Casar". Lunch is often followed by a siesta in the countryside.

After the day riding, your dinner in the evening is around 9 pm and you can choose from different dishes and courses of local Spanish recipes. Your dinner is usually taken at the accommodation and include a choice between 3-5 starters (mix salad, soup, vegetables, pasta, etc), 3-5 main course (grilled beef, pork, stews, fish, omelet, etc), a dessert (flan, rice pudding, fruit, cake, etc), local wine, bread and coffee or tea.

The following drinks are included in the package: red and white wines, beer, refreshments, coffee or tea during the meals and aperitifs. Water bottle is provided every morning.

Dietary Restrictions

Special diets (vegetarian, gluten free, allergies, etc.) can be arranged with advance notice.

Riding

Riding Schedule

On a normal day, we start riding at 10am, after a well-deserved rest and a good breakfast. Participants are encouraged in helping with the preparation of the horses. Usually, we need to catch the horses from the fields where they have spent the night, feed them, brush them and saddle them up before breakfast.

In the morning, you will ride about 4 hours with a short tapas-break (Serrano ham, Manchego cheese, olives, nuts, etc. and something to drink) in the middle of the morning (usually around noon). After the break, we ride to the lunch place. A luxury picnic is waiting for us in the quietest and most beautiful spot. The stop for lunch is about 2 hours long, with time to enjoy the pic-nic and little siesta after lunch.

In the afternoon, we ride for about 2 hours until we get to our accommodation.

Riding Experience

This trip has been designed for intermediate to experienced riders. You should be comfortable at the walk, trot and canter, in group, in open spaces and your seat should be firm. On the rides, you will be riding for between four to seven hours a day so it is important to be as riding fit as possible.

Pace

The overall pace of riding is moderate with walk, trots and canters mostly every day, depending on the terrain. Usually, when the terrain allows for a safe canter, we canter. In the mountains, in many areas the terrain does not allow for trotting or cantering so we enjoy walking with breathtaking views around.

The distance covered on the average is 25-35 km per day. We usually spend about 6 hours in the saddle every riding day.

Tack

We use fine quality English saddles and silicon seat saver. All the tack is in excellent conditions, very comfortable for horses and riders. You have small saddlebags in front of the saddles for a water bottle, sunscreen, camera, mobile, etc.

Helmet

We recommend wearing a helmet, however you can ride without a helmet but your insurance must clearly state that you are covered to do that. You will also be asked to sign a disclaimer.

Support Vehicle

A support van follows the group during the whole week, meeting us in the morning, for tapas-breaks, lunches, at night and to move your luggage. This means you have access to your luggage at least 3 times a day.

Horses

We currently have 21 horses: 14 PRE, 4 Pure Hispano-Arab, 1 Anglo-Arab and 2 Crossed (hispano-bretón, hispano-lusitano).

Our horses are responsive, well behave, good natured and serene thanks to the natural horsemanship method used to train them.

Most of our horses were born and bred at home while others have been with us since they were foals.

They live in freedom as a herd, eating, drinking, sleeping and traveling together in the most natural way possible.

They live in a huge pine forest (500 ha) in the Gredos Mountains or in the rich pastures in the Dehesas of Extremadura. They keep fit as they can walk around 20 km every day. They live with other groups of animals including other horses, donkeys, cows and also wild animals such as wolves, roe deer, deer, wild boar, foxes.

Staff

Emilio and Mamen (both born in Gredos Mountains) will be personally escorting you on these trips. Emilio will happily guide you across the trails, while Mamen will be preparing delicious meals and pic-nics.

Emilio has been working in equestrian tourism for over 30 years and he dedicated his whole life to his horses. He speaks English and Spanish.

Age Restrictions

There is no upper age limit, as long as you are riding fit and healthy. The minimum riding age is 10 years old (competent riders only), accompanied by an adult.

Travel Insurance

It is mandatory to take a travel insurance for this trip! If you come from Europe, you should bring the European Health card, this gives you access to Spanish health care.

Itinerary

Sample Itinerary - subject to changes

The following is a sample itinerary but please note that changes are possible due to weather and other circumstances.
