## About Hidden Trails

Hidden Trails is owned and operated by nature enthusiasts who love horses and adventure activities. We have been involved with riding and other outdoor vacations for over 20 years.

With our partners Voyage du Cheval (France), Pegasus (Germany) as well as Equitour (Switzerland and France) we have collected the best riding destinations all over the world in some hidden places we would like to share with you.

These rides are about galloping on endless beaches, forging rivers, cantering through forests, trotting along age-old trails, gazing at beautiful vistas and encountering foreign cultures. But most of all, these trips are about getting away from the cycle of too much work and never enough free time.

Escape from the rituals, which long ago froze our nights and days into little more than routine and away from the worries of our new tense times. It is so satisfying when we take the plunge of adventure - it's unfortunate that we invent so many reasons to put aside living our dreams of adventure. It is sometimes a tangled web that we weave through life. Some of the threads reveal a work-a-day world of commitments, duties and obligations. Other threads are of a quiet fabric of hope, responsibility and refreshment.

On our adventures you see the real country, its back country and meet the locals. The love for horses has no boundaries but possesses a common language we all speak and understand. The majority of the overseas rides are from inn to inn, some from castle to castle and a few are camping rides.

You will experience new countries and their customs and make new friends. The Hidden Trails trips are the best you can find.

They have been tested by our staff or associates and received our stamp of approval. If you are considering a special riding vacation anywhere in the world, call us first and let our experienced consultants match the perfect trip with your dream.

We will listen to you and give you objective advice to help you choose the best destination and adventure.

Your vacation is the most precious time of the year and we are committed to making it the most memorable time of your life. Wherever you go, have a great time and bring back some peace of mind.

Thank you for your continued support.

## Introduction

Galicia, Spain

This Jacobean path is one of the great experiences for lovers of equestrian routes worldwide.

To go on a pilgrimage to Santiago is to meet the religious and historical roots of Europe and travel to the rhythm of the footprint left by the innumerable pilgrims.

Nowadays, most pilgrimage to Santiago end in the city of Santiago de Compostela. However, before the discovery of the tomb of St. James, some pilgrims, decided to extend their trip to the the westernmost part of Galicia, by the Atlantic Ocean.

This region was until the end of the Middle Ages, the last stronghold of the known world, the western point of continental Europe.

## Riding

### Horses

We mostly use pure Spanish horses as well as Arabian crosses. All horses have been trained to be quiet and easy-going.

### Pace

We typically cover 25-35km in a day (approximately 6-7 hours in the saddle). The hours are broken up by one break in the morning and another for lunch, however we can stop again if necessary. The ride is set at a slow pace, giving you the opportunity to experience the pilgrimage as it first took place in the Middle Ages. There are some opportunities for trotting and cantering.

## Itinerary

During the rides, breakfast is usually served around 8 am so that you can start riding at about 9 am. Along the way, you stop for a small break at 11 am. You then stop for lunch and siesta at about 2pm and start riding again

around 4 pm, arriving at the accommodation for 6-6:30 pm.  
Dinner is generally served at 8:30 pm.
