About Hidden Trails

Hidden Trails is owned and operated by nature enthusiasts who love horses and adventure activities. We have been involved with riding and other outdoor vacations for over 20 years.

With our partners Voyage du Cheval (France), Pegasus (Germany) as well as Equitour (Switzerland and France) we have collected the best riding destinations all over the world in some hidden places we would like to share with you.

These rides are about galloping on endless beaches, forging rivers, cantering through forests, trotting along age-old trails, gazing at beautiful vistas and encountering foreign cultures. But most of all, these trips are about getting away from the cycle of too much work and never enough free time.

Escape from the rituals, which long ago froze our nights and days into little more than routine and away from the worries of our new tense times. It is so satisfying when we take the plunge of adventure - it's unfortunate that we invent so many reasons to put aside living our dreams of adventure. It is sometimes a tangled web that we weave through life. Some of the threads reveal a work-a-day world of commitments, duties and obligations. Other threads are of a quiet fabric of hope, responsibility and refreshment.

On our adventures you see the real country, its back country and meet the locals. The love for horses has no boundaries but possesses a common language we all speak and understand. The majority of the overseas rides are from inn to inn, some from castle to castle and a few are camping rides.

You will experience new countries and their customs and make new friends. The Hidden Trails trips are the best you can find.

They have been tested by our staff or associates and received our stamp of approval. If you are considering a special riding vacation anywhere in the world, call us first and let our experienced consultants match the perfect trip with your dream.

We will listen to you and give you objective advice to help you choose the best destination and adventure.

Your vacation is the most precious time of the year and we are committed to making it the most memorable time of your life. Wherever you go, have a great time and bring back some peace of mind.

Thank you for your continued support.

Introduction

Galicia, Spain

The origins of the pilgrimage way to Santiago, which runs along the northern coasts of Galicia and Asturias date back to the period immediately following the discovery of the tomb of Saint James the Apostle around 820 AD. The routes from the old Kingdom of Asturias were the first to take the pilgrims to Santiago. The coastal route was as busy as other, older ways, long before the Spanish monarchs proclaimed the French Way (El camino Frances) to be the ideal route, and provided a link for the Christian kingdoms in the north of the Iberian Peninsula. This endorsement of the French Way did not, however, bring about the decline of the Asturian and Galician pilgrimage routes, indeed the stretch from Leon to Oviedo enjoyed even greater popularity from the late 11th century onwards. Among the thousands of pilgrims who travelled to Santiago via the Northern Way, one figure who stands out is Saint Francis of Assisi. Reports suggest that he made the pilgrimage to San Salvador in Oviedo and Santiago de Compostela in 1214.

The Galician section of this route is currently signposted along its 170 kilometres, between Ribadeo and Santiago, with stone milestones decorated with a ceramic scallop shell and valuable information for the pilgrim: the kilometer point. In addition to the famous yellow arrow, these landmarks help to identify the Way without difficulty, as they are located in strategic places, such as crossroads and detours.

Pace

We typically cover 25-35km in a day (approximately 6-7 hours in the saddle). The hours are broken up by one break in the morning and another for lunch, however we can stop again if necessary. The ride is set at a slow pace, giving you the opportunity to experience the pilgrimage as it first took place in the Middle Ages. There are some opportunities for trotting and cantering.

Itinerary

During the rides, breakfast is usually served around 8 am so that you can start riding at about 9 am. Along the way, you stop for a small break at 11 am. You then stop for lunch and siesta at about 2pm and start riding again around 4 pm, arriving at the accommodation for 6-6:30 pm. Dinner is generally served at 8:30 pm.

Sample Itinerary: Northern Route (AKA Camino del Norte or Coastal Route) - *subject to changes*

--This is only a guideline. the actual itinerary may vary depending on the time of year--

The scenery on this route is fantastic with fine coastal views. The terrain is quite hilly for much of the route, and you are often sent inland to reach a bridge over the numerous rivers.

Day 1: Arrival

Pick up from Santiago and transfer to Mondoñedo, where you will enjoy a nice welcome dinner.

Day 2: Mondoñedo to Abadín

Mondoñedo is one of the Galician dioceses with a large cultural tradition and one of the most unique historic villages of Galicia. In Mondoñedo, there are historic buildings such as churches, hospitals and palaces. The medieval route leads us through the valley of the river Valiñadares about Valina, and Pacios Lousada. Then we ride to Pé da Ponte, As Corgas and further on to Gontán and Pobecende - ending up in the village of Abadín.

Day 3: Abadín to Vilalba

From Abadín the trail crosses through Terra Chá and through the parishes of Castromaior, and Goiriz Ponterroxal. Across a medieval bridge we cross the river and reach Arnela Castromaior. From here we cross the magnificent medieval bridge Ponte Vella, that leads us through uninhabited villages. The route goes to the tiny village of Frances O. From here, we ride on to Chozas and reach Vilalba, a beautiful city.

Day 4: Vilalba to Baamonde

Today's destination is Baamonde.

Day 5: Baamonde to Sobrado

To go out from Baamonde, we must take the N-VI highway, which runs parallel to the tram, to the river and Parga. The trail then goes on to Ponte Leijosa Miraz, and Marco Pedramaior the Pías. From here, we reach Esgueva in Sobrado dos Monx (A Coruña).

Day 6: Sobrado to Arzúa

Today's route goes through Carelle before ending in Arzúa, where the northern route is ultimately united with the French way.

Day 7: Arzúa to Santiago de Compostella

From Arzúa, we cross through eucalyptus, oaks and beautiful meadows. We circle the little villages of Calzada, Salceda and A Rua. The pilgrim route reaches Lavacolla, near Monte do Gozo a little hill, offering for the very first time, the vision of the Santiago's cathedral towers far away.

Day 8: Santiago de Compostella

Today, we will visit of course the city and its cathedral before we will accompany you to the airport or corresponding train station (departure around noon).

Note: The regular 8-day ride starts at Mondoñedo while the 9-day ride starts in Ribadeo or Vegadeo (170 km to Santiago).
