About Hidden Trails

Hidden Trails is owned and operated by nature enthusiasts who love horses and adventure activities. We have been involved with riding and other outdoor vacations for over 20 years.
With our partners Voyage du Cheval (France), Pegasus (Germany) as well as Equitour (Switzerland and France) we have collected the best riding destinations all over the world in some hidden places we would like to share with you.

These rides are about galloping on endless beaches, forging rivers, cantering through forests, trotting along age-old trails, gazing at beautiful vistas and encountering foreign cultures. But most of all, these trips are about getting away from the cycle of too much work and never enough free time.

Escape from the rituals, which long ago froze our nights and days into little more than routine and away from the worries of our new tense times. It is so satisfying when we take the plunge of adventure - it's unfortunate that we invent so many reasons to put aside living our dreams of adventure. It is sometimes a tangled web that we weave through life. Some of the threads reveal a work-a-day world of commitments, duties and obligations. Other threads are of a quiet fabric of hope, responsibility and refreshment.

On our adventures you see the real country, its back country and meet the locals. The love for horses has no boundaries but possesses a common language we all speak and understand. The majority of the overseas rides are from inn to inn, some from castle to castle and a few are camping rides.
You will experience new countries and their customs and make new friends. The Hidden Trails trips are the best you can find.

They have been tested by our staff or associates and received our stamp of approval. If you are considering a special riding vacation anywhere in the world, call us first and let our experienced consultants match the perfect trip with your dream.
We will listen to you and give you objective advice to help you choose the best destination and adventure.

Your vacation is the most precious time of the year and we are committed to making it the most memorable time of your life. Wherever you go, have a great time and bring back some peace of mind.

Thank you for your continued support.

Introduction

Mallorca/Menorca, Spain
Visit the most beautiful and unspoiled countryside and beaches of Menorca on horseback on this equestrian escape, based at a beautiful 4-star country estate. Enjoy high grade purebred horses out of the own breeding farm on daily excursions to explore the breathtaking surrounding.

Menorca, the smallest and most eastern of Spain's Balearic Island, has a long standing history with horses. In fact, some might say that Menorca has no history without its equestrian friends. The horses on this program are the finca's own breed of the infamous Menorcan horse: a harmonious animal, it has a peaceful character and is smart and obedient. With a sleek silhouette and a handsome black coat, this noble horse has led explorers around this gem of an island for centuries.

The Menorcan Riding Program takes advantage of Cami de Cavalls, the island's ancient route once used to defend the island and allow military officials surveillance of the coastline. Today, it is an efficient and rewarding way to discover the beauty of this island. Following the entire Menorcan coastline and occasionally crossing through farms, the Cami de Cavalls is a path that resourcefully takes the equestrian traveler to diverse areas of dynamic topography. The Menorcan Riding Program also takes advantage of the Menorca Biosphere Reserve, declared as such by UNESCO in 1993.

However, what would a great riding program be without a venture off the beaten path? The Menorcan riding tours one dip in and out of the interior to discover plentiful and great ravines and caves, unique flora and fauna, isolated and pristine beaches, and historical and beautifully preserved churches and buildings, all nestled among breathtaking landscapes and views across the Mediterranean. When all the riding has worn you out, you can relax at the ancient Menorcan farm, redone as a 4 star country hotel. Here, no amenity is out of your reach: the onsite restaurant prepares local flavors and dishes in a charming atmosphere, the swimming pool is delightfully refreshing and several beaches lie within 3 kilometers. Located amongst nature in the centre of the island, the restored accommodations are easily accessible from each coastal area.

On the way, you will cross the Barranc de Son Fideu, a famous ravine where you will actually ride into one of the most impressive caves on Menorca: Sa Cova d'es Coloms, also known as "the Cathedral cave".
The ride will finish back at the stables of the hotel.
Riding approx. 4 hours

Day 3 (Monday): Ravines Trail
Today's ride is long but magnificent. After breakfast, you walk down to the stables where the horses will be waiting. The ride will take you through the major ravines of the island: Algendar, Trebaluger and Albranca.
Following the Cami de Cavalls, you will find that the path goes inland through woods and fields to avoid some of the steep slopes caused by the cascading water. During the morning, you will venture off the Cami de Cavalls to visit some of the most beautiful and wild beaches of the area: Escorxada, Fustam and Cala Mitjana.
After our visit to the stunning Cala Mitjana, our lunch will be delivered to us, along with tables and chairs, by van. A 3-course lunch will be served sitting under the trees alongside the horses. In the afternoon we will ride back to the stables of the stud.

Day 4 (Tuesday): Natural Reserve of S'Albufera d'Es Grau
After breakfast, you and the horses will be transported to the north coast to begin your day of riding. Today's path runs entirely within the boundary of the Natural Reserve of S'Albufera (meaning 'marsh') d'Es Grau (the centre of the Biosphere Reserve) and it covers some of the most impressive cliffs on the island. You will see several wetlands (Tamarells Cove, Sa Torreta creek, Arenal de Morella) and also some of the Watch Towers which, in the past, safeguarded Menorca from attacks and sieges.
This stretch will lead you to Favàritx Lighthouse, one of the seven lighthouses which surround Menorca's coastline. Here you will enjoy a delicious 3-course picnic lunch while the horses relax nearby. After lunch the route alternates between cultivated farm land and more wild and remote landscapes.
At the end of the trail, the path enters a new ecosystem: the Port of Addaia wetlands, combining salt marshes and

At the end of the trail, the path enters a new ecosystem: the Port of Addaia wetlands, combining salt marshes and aquatic vegetation. Both in autumn and spring, this is a good place for bird watching.
Riding approx. 5.5 hours
Meals included: Breakfast, Lunch & Dinner
Overnight at Farmhouse

Day 5 (Wednesday): Rest Day (no riding)
An optional excursion (not included in the price) will be organized to enable you to discover more about Menorca.
Meals included: Breakfast & Dinner
Overnight at Hotel

Day 6 (Thursday): North Coastline
After breakfast, you be transported to the start of your ride through one of the most unspoilt, hidden and beautiful stretches along the north coastline. The starting point is the beach of Binimellà. The path through the dunes will take you to one of the most beautiful beaches on the island, Cala Pregonda, where you will discover a unique landscape, a beautiful cove with a golden-sand beach with offshore rock formations. Following the coast, you will ride parallel to Menorca's Northern Marine Reserve, created in 1999, which safeguards an area of around 5.2 marine hectares of reef along the northern coast. You will ride along several steep, rocky cliffs in order to reach Ets Alocs, where you and the horses will have a well-deserved break, and you will enjoy a delicious picnic lunch while the horses have a rest tied under the trees.
Moving on, you will pass Cala Pilar, with its red dyed slopes, and then come to Arenal d'Alfurí, which has a high concentration of important endemic plants and floral species. Next, you will traverse Es Pla de Mar with its fantastic pebble cove, before turning inland through the flatter agricultural area of La Vall where some faster riding should be possible.
Riding approx. 5.5 hours
Meals included: Breakfast, Lunch & Dinner
Overnight at Hotel

Day 7 (Friday): Winding South
Today will be your final journey; you will ride through the Cami de Cavalls, heading toward the east side of the island. Today's ride will begin in a gentler landscape but soon progresses to the rugged, ravine studded terrain for which this region of Menorca is best known. Passing through Talis farm, you will arrive at the longest beach on the island, Son Bou, and its associated wetlands. This is an ideal spot for bird spotting as it is one of the most bio diverse habitats on Menorca. At certain times of the year it is possible to ride on the beach itself, but during the summer months (from May to October inclusive) this is forbidden by Menorcan law. You will then take the path back, via Sant Tomas, to where you started your ride: the stud of San Adeodato. Lunch will be taken at the beach restaurant overlooking the sea.
In the afternoon you will have the option of having a 1-hour classical dressage lesson on a Menorcan stallion which will include learning to perform the famous Menorcan dressage move "the Bot". The Menorcan horse is one of the only breeds in the world that is able to perform this upright movement where the horse stands (and sometimes even walks) on its hind legs!
* Please note that this lesson is not compulsory and you can certainly opt-out. However, clients do really enjoy the experience, and some have described it as one of the highlights of the trip. No alternative riding will be offered if you choose not to do take part.
