

About Hidden Trails

Hidden Trails is owned and operated by nature enthusiasts who love horses and adventure activities. We have been involved with riding and other outdoor vacations for over 20 years.

With our partners Voyage du Cheval (France), Pegasus (Germany) as well as Equitour (Switzerland and France) we have collected the best riding destinations all over the world in some hidden places we would like to share with you.

These rides are about galloping on endless beaches, forging rivers, cantering through forests, trotting along age-old trails, gazing at beautiful vistas and encountering foreign cultures. But most of all, these trips are about getting away from the cycle of too much work and never enough free time.

Escape from the rituals, which long ago froze our nights and days into little more than routine and away from the worries of our new tense times. It is so satisfying when we take the plunge of adventure - it's unfortunate that we invent so many reasons to put aside living our dreams of adventure. It is sometimes a tangled web that we weave through life. Some of the threads reveal a work-a-day world of commitments, duties and obligations. Other threads are of a quiet fabric of hope, responsibility and refreshment.

On our adventures you see the real country, its back country and meet the locals. The love for horses has no boundaries but possesses a common language we all speak and understand. The majority of the overseas rides are from inn to inn, some from castle to castle and a few are camping rides.

You will experience new countries and their customs and make new friends. The Hidden Trails trips are the best you can find.

They have been tested by our staff or associates and received our stamp of approval. If you are considering a special riding vacation anywhere in the world, call us first and let our experienced consultants match the perfect trip with your dream.

We will listen to you and give you objective advice to help you choose the best destination and adventure.

Your vacation is the most precious time of the year and we are committed to making it the most memorable time of your life. Wherever you go, have a great time and bring back some peace of mind.

Thank you for your continued support.

Introduction

Turkey, Turkey

Discover the Mediterranean coast of Turkey on horseback.

This itinerant ride along the southern coast of Turkey, in the province of Mugla, offers a wide panel of landscapes: forests, hilly paths, canals, lakes, beaches, the historical site of Kaunos and streams of the famous Dalyan lagoon. Emjoy many gallops in the forests, walk on thousand years-old paths, cross flowered villages, and go on mountainous walks leading your horse on narrow paths.

This is a fast paced trip that offers the opportunity to swim every day with or without your horse, on deserted beaches and in the hot water sources of Sultaniye.

Important note: because there are many beehives in the area, we cannot accept riders who are allergic to bees.

The camps includes a large communal tent like those used by the last nomadic families in the country. You will be sleeping in double tipi-tents with floor mats and single camp mattresses (provided). The camp also includes a shower tent with a bucket and a gas stove for heating the water. For the washroom, you need to dig a hole in the ground.

You will set up and take down your own tent, and replace the equipment in the trailer each morning. You must bring a suitable sleeping bag, a torch, towels and toiletries.

At the camp, dinner is a traditional dish cooked on the wood fire, along with salad and fruits. Dinners are taken the Turkish way, on the floor, sitting on a carpet around a large round tray set in the communal tent or outside by the campfire.

Tea, coffee and mineral water are included; wine, beer and soft drinks are available as an option, for an extra cost.

Dietary Restrictions

We can cater to vegetarians given prior notice.

Riding

Physical Condition and Riding Ability

You must have a competent riding level to take part in our trails. This trip is designed for strong intermediate and experienced outdoor riders, looking for a fun and fast ride in beautiful nature.

Our horses are forward-going and you must be able to stay in control during group canters. Before coming to Turkey, go for a few rides outdoor and exercise yourself in order to avoid muscular pain or irritations during the trail.

Riders must be in good physical condition. The circuit includes a few difficult ways where riders will be asked to dismount and lead their horse.

Pace

This trail includes 6 riding days with 5.5 to 6 hours on horseback per day, covering approximately 20-35km per day on varied terrain. The day basically start with pace at walk in order to warm up the horses, then you will trot, canter, walk, trot.

Tack

The riding equipment includes standard bits and pelhams as well as McClellan light trailing saddles and saddles made by ourselves. These are fitted with two saddlebags for you to carry the picnic and personal belongings for the day.

Horses

Our stable is composed of forward-going Arab, and cross-Arab horses who will surprise you with their robustness and their agility. They are 1,50 m tall on average - the ideal size for trailing on tortuous paths! All our horses are responsive, well balanced and respectful of the rider and they are extremely sure-footed.

We have put a lot of time and investment into the quality of our horses. Since 2015, more than half of our cavalry has been renewed with pure Arabian endurance horses. Most of our horses have qualified in national endurance races.

We have invested in a horse walker and in an arena in order to continue to offer riders well trained horses. Our horses live together as a herd and all spend their days outside grazing in our fields when not on the trail. Horses are assigned according to riding levels and riders' preferences, but the size and the weight of the rider are also important criteria.

Our team will groom and prepare the horses, so no participation is required by the rider.

Weight Restriction

Riders cannot be over 85kg. We will weigh riders on arrival and those over will not be able to participate in the riding program.

Guide

We will provide 1 guide for every 4 riders.

Travel Insurance

You must have appropriate travel insurance to take part in our trails. Make sure your policy covers horse-riding activities abroad. Your insurance details will be requested on arrival.
