About Hidden Trails

Hidden Trails is owned and operated by nature enthusiasts who love horses and adventure activities. We have been involved with riding and other outdoor vacations for over 20 years.

With our partners Voyage du Cheval (France), Pegasus (Germany) as well as Equitour (Switzerland and France) we have collected the best riding destinations all over the world in some hidden places we would like to share with you.

These rides are about galloping on endless beaches, forging rivers, cantering through forests, trotting along age-old trails, gazing at beautiful vistas and encountering foreign cultures. But most of all, these trips are about getting away from the cycle of too much work and never enough free time.

Escape from the rituals, which long ago froze our nights and days into little more than routine and away from the worries of our new tense times. It is so satisfying when we take the plunge of adventure - it's unfortunate that we invent so many reasons to put aside living our dreams of adventure. It is sometimes a tangled web that we weave through life. Some of the threads reveal a work-a-day world of commitments, duties and obligations. Other threads are of a quiet fabric of hope, responsibility and refreshment.

On our adventures you see the real country, its back country and meet the locals. The love for horses has no boundaries but possesses a common language we all speak and understand. The majority of the overseas rides are from inn to inn, some from castle to castle and a few are camping rides.

You will experience new countries and their customs and make new friends. The Hidden Trails trips are the best you can find.

They have been tested by our staff or associates and received our stamp of approval. If you are considering a special riding vacation anywhere in the world, call us first and let our experienced consultants match the perfect trip with your dream.

We will listen to you and give you objective advice to help you choose the best destination and adventure.

Your vacation is the most precious time of the year and we are committed to making it the most memorable time of your life. Wherever you go, have a great time and bring back some peace of mind.

Thank you for your continued support.

Introduction

Cappadocia, Turkey
Discover Cappadocia, its culture and its magical landscape...

During this relaxed holiday, you will have the opportunity to spend time with beautiful Arabian horses, improving riding skills and learning about natural horsemanship techniques, surrounded by the rocky valleys of Cappadocia. You will also be able to go on walks and sightseeing trips to learn more about the local culture.

This program is flexible and can be adapted according to your needs and wants, which makes it ideal for family getaways!

Accommodation

Accommodations

These trails are all progressive rides where nights are spent at various locations.

Description

The traditional habitat of Cappadocia is mainly troglodyte: rooms are carved in the rock. Most of the hotels are beautifully restored old houses and offer caves rooms.

Most people enjoy this amazing experience. But some guests have complained about the lack of windows and the rough (unfinished) walls in their bedrooms. Please let us know if you would have an issue with this type of accommodation.

Most nights are at the same guesthouse in Mustafapasa and 2 nights are spent in Uchisar.

Room Occupancy

Single room accommodations are possible depending on availability. A single supplement fee applies for those nights if you are not willing to share room with other riders.

If we are unable to find another rider to share the room with you, a single supplement fee applies.

Meals

All breakfasts and dinners are included for this trip.

A continental and Turkish breakfast option is available at the accommodations. Dinner vary everyday and feature local specialities.

Tea, coffee and mineral water are included; wine, beer and soft drinks are available as an option, for an extra cost.

Dietary Restrictions

Vegetarian options are available upon request.

Riding

Physical Condition and Riding Ability

Riders must be able to tack up and mount their horse unassisted. You must be able to stay in control on spirited horses and tack up your horse yourself. Before coming to Turkey, go for a few rides and get adequately fit in order to avoid muscular pain or irritations during the trail.

This program may be suitable for riders who lack a bit of confidence, but it is NOT suitable for beginners or novices. The trail includes 4 riding days with about 2 to 3 hours in the saddle each day. We cover 20 km a day on average, on varied terrain.

Tack

The riding equipment includes standard bits and pelhams as well as McClellan light trailing saddles and saddles made by ourselves. These are fitted with two saddlebags for you to carry the picnic and personal belongings for the day.

Horses

Our stable is composed of forward-going Arab, and cross-Arab horses who will surprise you with their robustness and their agility. They are 1,50 m tall on average - the ideal size for trailing on tortuous paths! All our horses are responsive, well balanced and respectful of the rider and they are extremely sure-footed.

We have put a lot of time and investment into the quality of our horses. Since 2015 more than half of our cavalry has been renewed with pure Arabian endurance horses. Most of our horses have qualified in national endurance races.

We have invested in a horse walker and in an arena in order to continue to offer riders well trained horses.

Our horses live together as a herd and all spend their days outside grazing in our fields when not on the trail.

Horses are assigned according to riding levels and riders' preferences, but the size and the weight of the rider are also important criteria.

Our team will groom and prepare the horses, so no participation is required by the rider.

Weight Restriction

Riders cannot be over 85kg. We will weigh riders on arrival and those over will not be able to participate in the riding program.

Guide

We will provide 1 guide for every 4 riders.

Travel Insurance

You must have appropriate travel insurance to take part in our trails. Make sure your policy covers horse-riding activities abroad. Your insurance details will be requested on arrival.

Riders 12 yrs and older can participate, but anyone under 18 years must be accompanied by an adult!
