About Hidden Trails

Hidden Trails is owned and operated by nature enthusiasts who love horses and adventure activities. We have been involved with riding and other outdoor vacations for over 20 years.

With our partners Voyage du Cheval (France), Pegasus (Germany) as well as Equitour (Switzerland and France) we have collected the best riding destinations all over the world in some hidden places we would like to share with you.

These rides are about galloping on endless beaches, forging rivers, cantering through forests, trotting along age-old trails, gazing at beautiful vistas and encountering foreign cultures. But most of all, these trips are about getting away from the cycle of too much work and never enough free time.

Escape from the rituals, which long ago froze our nights and days into little more than routine and away from the worries of our new tense times. It is so satisfying when we take the plunge of adventure - it's unfortunate that we invent so many reasons to put aside living our dreams of adventure. It is sometimes a tangled web that we weave through life. Some of the threads reveal a work-a-day world of commitments, duties and obligations. Other threads are of a quiet fabric of hope, responsibility and refreshment.

On our adventures you see the real country, its back country and meet the locals. The love for horses has no boundaries but possesses a common language we all speak and understand. The majority of the overseas rides are from inn to inn, some from castle to castle and a few are camping rides.

You will experience new countries and their customs and make new friends. The Hidden Trails trips are the best you can find.

They have been tested by our staff or associates and received our stamp of approval. If you are considering a special riding vacation anywhere in the world, call us first and let our experienced consultants match the perfect trip with your dream.

We will listen to you and give you objective advice to help you choose the best destination and adventure.

Your vacation is the most precious time of the year and we are committed to making it the most memorable time of your life. Wherever you go, have a great time and bring back some peace of mind.

Thank you for your continued support.

Introduction

Alto Alentejo, Portugal

Lazy rivers and babbling creeks meander through the rolling hills and pastures of Portugal's largest breeding area of fighting bulls, providing enough fresh water to make this central region the greenest of Portugal. This is classic horse country with soft trails through a scenic, lush countryside. You will overnight in beautifully renovated private estates, once the homesteads of European nobles. Lots of antique furniture and a very special atmosphere make them a true cultural and historical highlight of the Royal Horse Trails ride.

The journey takes you over hilly meadows without fences or roads to the Maranhão Lagoon. You cross several bridges, most of which had been built by the old Romans until you reach Alter do Chão and visit one of the two National Stud Farms that has its headquarters here. This is certainly a highlight for all lovers of Portuguese horses, but the view from the farm over the surrounding countryside is no less impressive. Hundreds of mares and their colts graze on huge meadows. Travel through meadows and fields, where only a few remote farmhouses remind you of the presence of people.

No doubt - this is one of the best rides in Europe!

Riding

Horses

You will be riding pure-bred and part-bred Lusitano Horses. The Lusitanos, which come from the same origin as the famous Andalusians, can be considered as some of the finest horses in Europe. Together with their Spanish brothers, the Lusitanos were the first horses which were brought to the New World and thus became ancestors of all American breeds. They are known for their splendid abilities and glamour performing the collected movements. You can indeed look forward to getting a mount which is not only well tempered and of a docile character but who will allow you to explore the great feeling of riding a well-trained horse.

Tack

The saddles that you will be using are mostly Portuguese Army saddles covered with sheep skin which are very comfortable and well-suited for the purpose of long distance rides. English style bridles are used. We do not provide saddle bags. There is a bottle holder provided with each saddle.

Weight Limit

The weight limit for this ride is 85 kg / 190 lbs, but we can accept riders exceeding this weight if they are experienced (under confirmation).

For lunch, a delicious picnic will be prepared with grilled meats or fish with salad accompanied by fresh bread and local wine. This is often a highlight and not only for horse-lovers. In this idyllic location, hundreds of mares and their colts graze on large meadows filled with flowers.
