About Hidden Trails

Hidden Trails is owned and operated by nature enthusiasts who love horses and adventure activities. We have been involved with riding and other outdoor vacations for over 20 years.
With our partners Voyage du Cheval (France), Pegasus (Germany) as well as Equitour (Switzerland and France) we have collected the best riding destinations all over the world in some hidden places we would like to share with you.

These rides are about galloping on endless beaches, forging rivers, cantering through forests, trotting along age-old trails, gazing at beautiful vistas and encountering foreign cultures. But most of all, these trips are about getting away from the cycle of too much work and never enough free time.

Escape from the rituals, which long ago froze our nights and days into little more than routine and away from the worries of our new tense times. It is so satisfying when we take the plunge of adventure - it's unfortunate that we invent so many reasons to put aside living our dreams of adventure. It is sometimes a tangled web that we weave through life. Some of the threads reveal a work-a-day world of commitments, duties and obligations. Other threads are of a quiet fabric of hope, responsibility and refreshment.

On our adventures you see the real country, its back country and meet the locals. The love for horses has no boundaries but possesses a common language we all speak and understand. The majority of the overseas rides are from inn to inn, some from castle to castle and a few are camping rides.
You will experience new countries and their customs and make new friends. The Hidden Trails trips are the best you can find.

They have been tested by our staff or associates and received our stamp of approval. If you are considering a special riding vacation anywhere in the world, call us first and let our experienced consultants match the perfect trip with your dream.
We will listen to you and give you objective advice to help you choose the best destination and adventure.

Your vacation is the most precious time of the year and we are committed to making it the most memorable time of your life. Wherever you go, have a great time and bring back some peace of mind.

Thank you for your continued support.

Introduction

Mallorca/Menorca, Spain
Dedicated to the world of horses, this beautiful estate has become a compelling visit for the horse enthusiast and admirer of the peaceful Mallorcan countryside. Surrounded by the idyllic natural beauty of the Levante hills, the finca offers the natural terrain and luxury embellishments to make this your best riding holiday, including professional instruction and gorgeous, well-trained Andalusian horses.

The riding estate is located in the southeastern part of the island. Wonderfully close to protected wildlife areas with utterly undisturbed nature and a colourful, varied landscape, yet only four miles from the sandy beaches of Es Trenc and Cala Mondrag. The hotel, which has become the heart of the estate, has 12 comfortable private rooms and a clubhouse (with a bar, restaurant, swimming pool, terraces and small spa facility). It is built in the traditional Spanish style: a country home decorated in a functional yet rustic way with all the necessary facilities for a relaxing vacation. It is your home for the week while you immerse yourself in skilled instruction and scenic trail rides.

There is an arena available for the dressage enthusiast or lover of show jumping, instructions available for both disciplines as well as lessons for the beginner rider. Extra rides and lessons can be added on and paid for locally. All mounts are well schooled and well taken care of, a beautiful selection of Andalusians as well as other Spanish and Mallorcan horses, most of which have been bred and raised on this reputable stud farm. There are many other activities and excursions available nearby - we recommend renting a car for the week for greatest flexibility.

Accomodation

Accommodations
This is a stationary ride, so you will be staying in the same location during the trip.

Description
The finca started in 1993 as a stud farm. The finca was built as a low-rise building in order to blend harmoniously into the lowland environment and with the historic farmhouse construction, which is over 50 years old. Our buildings are surrounded by gardens of native vegetation thus reducing our impact on the surrounding landscape. Almost all landscaping on the premises is carried out using indigenous species. This approach not only promotes and preserves the natural flora but also minimises water usage.
Today, we have a country hotel, a riding school with more than 70 horses, a restaurant where we highlight our own Dexter meat and wine, and a swimming pool and spa.

The pool is open every day from 9 am to 8 pm.

The on-site spa offers a range of treatments to riders and is a great way to relax at the end of the day. Bikes are available onsite for rental for an added fee.
We also offer a laundry service for an extra cost. If you would like to use this service, you can leave a bag with your clothes (with a name and room number) at the reception. They will be washed within 48 hours.

The finca is about 20 minute drive away from the beach (rental car needed). Our purpose is to enhance an active, high-quality tourism on our island in a natural and friendly environment.

In 2017 and 2018, we have made renovations and improvements to our bedrooms, riding arenas, and vineyards.

Room Options
Each room has a private bathroom with towels, a mini-bar, phone, satellite TV, WIFI, hairdryer, a safe, a kettle, a safe and climate control. Each room is designed to reflect the local culture. Laundry is available onsite (extra fee).

Our standard rooms have been upgraded recently. They combine a rustic aesthetic with modern comforts, remaining true to the authentic Majorcan style.
They are fully equipped with satellite TV, telephone, WI-FI, climate control, a water kettle, safety deposit box, bathroom with bathtub, towels and amenities.

Superior room (29 m2 + balcony) - Upgrade
- 6 rooms total

These rooms are located next to the main building and above the restaurant's dining room. Each room is equipped with satellite TV, telephone, WI-FI, climate control, a water kettle, safety deposit box, bathroom with shower, towels and amenities and a balcony. These rooms have a modern décor.

Triple and quad occupancy are available in the superior room (additional fee for extra beds).
The single supplement fee applies if you are willing to share and we are unable to find another rider to share.

Meals
All meals from dinner on the first day to breakfast on the last day are included.

The restaurant serves Mediterranean food and local dishes.
We cultivate a variety of fresh local produce – seasonal fruits and vegetables, wine, and Dexter beef – which we then serve in our restaurant. We care about the health of our customers and of our land, cultivating without any chemical additives and prioritising quality over quantity. Any raw products or materials we cannot produce are purchased, with priority given to other local produces in order to reduce CO2 emissions owing to transport and supporting local, quality agriculture and livestock.

During the summer, meals are served on the terrace and we have barbecues in the garden.

Breakfast is usually served between 8 am and 10 am.
Lunch service is available between 1 pm and 3 pm.
Dinner is taken between 7 pm and 9:30 pm.

Please, note that our restaurant "à la carte" is closed on Wednesday. We will provide a special lunch menu on that day and the dinner will include a BBQ meal that day.

Dietary Restrictions
We can cater to all dietary restrictions if given prior notice.

Riding

Horses
The PRE breeding program was created in 1981. Our stockbreeding bases originated in the offspring of two horses (Ischia G. and Apocalipsis). Later on, we have bred our horses with different stallions. Nowadays, we have over 100 horses.
We also breed and tame Baskhir Curly Horses, the only hypoallergenic horses. The character of the Curly is soft, friendly and confident. Its tranquility and serenity hide a living intelligence and an exceptional strength.

Facilities
The facilities include a walker (for up to 4 horses), 42 stalls and boxes, 1 paddock, 12 pens, 1 covered arena and 2 outdoor arenas (50m x 70m and 20m x 40m).

Guides & Instructors
Our instructors and guides are all very professionals with many years of experience. Their goal is that you learn in an intuitive way and, above all, that you enjoy the experience.

Itinerary

All programs can be extended and it is possible to add extra lessons to the program (enquire about extra cost). There are lessons for everyone in the arena to improve your general riding, whether it be dressage and/or show jumping lessons.

All riders must arrive 15 minutes before the start of their class in order to prepare their horse.
