About Hidden Trails

Hidden Trails is owned and operated by nature enthusiasts who love horses and adventure activities. We have been involved with riding and other outdoor vacations for over 20 years.

With our partners Voyage du Cheval (France), Pegasus (Germany) as well as Equitour (Switzerland and France) we have collected the best riding destinations all over the world in some hidden places we would like to share with you.

These rides are about galloping on endless beaches, forging rivers, cantering through forests, trotting along age-old trails, gazing at beautiful vistas and encountering foreign cultures. But most of all, these trips are about getting away from the cycle of too much work and never enough free time.

Escape from the rituals, which long ago froze our nights and days into little more than routine and away from the worries of our new tense times. It is so satisfying when we take the plunge of adventure - it's unfortunate that we invent so many reasons to put aside living our dreams of adventure. It is sometimes a tangled web that we weave through life. Some of the threads reveal a work-a-day world of commitments, duties and obligations. Other threads are of a quiet fabric of hope, responsibility and refreshment.

On our adventures you see the real country, its back country and meet the locals. The love for horses has no boundaries but possesses a common language we all speak and understand. The majority of the overseas rides are from inn to inn, some from castle to castle and a few are camping rides.

You will experience new countries and their customs and make new friends. The Hidden Trails trips are the best you can find.

They have been tested by our staff or associates and received our stamp of approval. If you are considering a special riding vacation anywhere in the world, call us first and let our experienced consultants match the perfect trip with your dream.

We will listen to you and give you objective advice to help you choose the best destination and adventure.

Your vacation is the most precious time of the year and we are committed to making it the most memorable time of your life. Wherever you go, have a great time and bring back some peace of mind.

Thank you for your continued support.

Accommodation

Accommodations

This is a progressive ride, so nights will be spent in various locations.

Description

Most nights will be spent at the ranch, and 2 nights will be spent at the Nipika Mountain Resort, in British Columbia.

Accommodation Itinerary - subject to changes

Night 1 to 4: Ranch
Night 5 & 6: Nipika Mountain Resort
Night 7: Ranch

Ranch

The ranch lies in the foothills of the Rocky Mountains, 13km south of the picturesque hamlet of Bragg Creek and roughly 60 kilometers southwest of Calgary - a wilderness area stretching to the Continental Divide! Landscape changes from one of rolling ridges and open forests to one of high alpine meadows, thick primal forests, and sheer limestone cliffs.

The heart of the guest quarters is a large, bright communal space where we socialize, eat, cook, listen to stories or just enjoy the view over the horse pasture.

The guesthouse has 5 rooms (1 single room with one double bed, 1 room with one queen bed, and 3 rooms with two beds (one king and one double bed). There are 2 full bathrooms, which are shared amongst all guests. We

king bed, two twins, or two double beds). There are 2 full bathrooms, which are shared amongst all guests. We provide all bed linen and towels, but please bring your own soap and shampoo. There is a hairdryer in each bathroom.

Smoking is prohibited anywhere on the property except for around the outdoor fire pit. There is no TV or cell service in the guest house, but there is complimentary WIFI. You are welcome to use the i-pod docking station, board games, and a large selection of books and magazines available. There is a telephone in the guest house that can be used for local calls or long distance if you bring a calling card.

Laundry is available for an additional fee at certain times of the day.

Nipika Mountain Resort

For two nights, we will stay in cozy cabins at the scenic Nipika Mountain resort in British Columbia. Here, you will enjoy stunning views of Kootenay National Park! This is an eco-resort which makes use of the natural resources around the lodge in order to reduce its impact on the environment. Each of the cabins has been hand built using log from the local forest and they all come equipped with a fireplace, a patio and a full kitchen. Number of rooms and bathrooms vary from unit to unit.

Room Occupancy

Starting 2026, solo travelers must be willing to share since there is only one single room at the ranch. Thank you for understanding.

Meals

All meals are included from dinner on Day 1 to breakfast on the last day.

At the Ranch: Full breakfast and dinner, prepared with local and fresh ingredients. Breakfast is typically served around 8.30 AM, dinner around 6.30 PM.

Please note that we do not serve alcohol, but feel free to bring your own as well as any other favourite drink you like.

Dietary Restrictions

We cater to most dietary restrictions with prior notice. Gluten-free requests are \$10 extra per day.

Riding

Riding Experience

This vacation is for riders with intermediate or better experience and a keen sense for adventures. The horses have been chosen for their endurance, spirit, and sure-footedness in the mountains. Since the pack train uses different trails we will often canter where the trail is suitable. This is why it is important you are well balanced and comfortable at trots and canters! Over the duration of the trek you will learn the basics of horse packing, wilderness horsemanship, low impact horse camping and a myriad of other skills to fully enjoy horse trekking. There are some trails we use where it is necessary to hike over rocky terrain, either to avoid undue risk or to enjoy a vista that cannot be ridden to. For most people this is a refreshing change that allows them to stretch their legs. We recommend that you bring or wear comfortable footwear that you can hike for a kilometer or two in.

Horses

The horses have been chosen for their endurance, spirit, and reliability in the mountains. Our horses are trained western style (neck-reining), but most English trained riders adapt very quickly to this style of riding with a bit of instruction and advice! The guests are expected to help in tending to the horses and other camp duties. Most horses will be fitted with western style saddles but those with a distinct preference for English riding may be

accommodated.

Guides

Interesting and entertaining guides share their knowledge of the different areas we visit. You can learn about horsemanship, back-country navigation, survival skills, and living in nature. Depending on the group size you will have one or two backcountry guides with you at all times. Wranglers lead the packhorses with your gear into camp, usually on a different, easier and less scenic route than the one the group takes. We all share the same love and pride for this country and are delighted to pass it on to our guests.

Requirements

We consider 8 to be optimal maximum group size for our back-country trips, but can handle groups as large as 10 if you are one big group who book together!

The minimum age for pack trips is 8 years old. Anyone under 15 should be a regular and enthusiastic rider and be adventurous, and must be accompanied by a parent or guardian. We have also had people in their 70's on pack trips, but again, they were fit, in good health, and rode regularly prior to their holiday. We ask that you judge yourself (and your children) honestly in this regard, as we will take your word for it and plan the trip accordingly.

The maximum weight for riders is 220 lbs. Exceptions may be made for very experienced/athletic riders!

For all age groups: It is important that you feel fit and healthy before going on the trail. We are traveling in the wilderness, and medical services (beyond first aid) will not be readily available.
