About Hidden Trails

Hidden Trails is owned and operated by nature enthusiasts who love horses and adventure activities. We have been involved with riding and other outdoor vacations for over 20 years.

With our partners Voyage du Cheval (France), Pegasus (Germany) as well as Equitour (Switzerland and France) we have collected the best riding destinations all over the world in some hidden places we would like to share with you.

These rides are about galloping on endless beaches, forging rivers, cantering through forests, trotting along age-old trails, gazing at beautiful vistas and encountering foreign cultures. But most of all, these trips are about getting away from the cycle of too much work and never enough free time.

Escape from the rituals, which long ago froze our nights and days into little more than routine and away from the worries of our new tense times. It is so satisfying when we take the plunge of adventure - it's unfortunate that we invent so many reasons to put aside living our dreams of adventure. It is sometimes a tangled web that we weave through life. Some of the threads reveal a work-a-day world of commitments, duties and obligations. Other threads are of a quiet fabric of hope, responsibility and refreshment.

On our adventures you see the real country, its back country and meet the locals. The love for horses has no boundaries but possesses a common language we all speak and understand. The majority of the overseas rides are from inn to inn, some from castle to castle and a few are camping rides.

You will experience new countries and their customs and make new friends. The Hidden Trails trips are the best you can find.

They have been tested by our staff or associates and received our stamp of approval. If you are considering a special riding vacation anywhere in the world, call us first and let our experienced consultants match the perfect trip with your dream.

We will listen to you and give you objective advice to help you choose the best destination and adventure.

Your vacation is the most precious time of the year and we are committed to making it the most memorable time of your life. Wherever you go, have a great time and bring back some peace of mind.

Thank you for your continued support.

Introduction

Utah, USA

Located at the heart of the Dixie National Forest, Boulder Mountain consists of alpine meadows and forest that overlook the picturesque red rock and rugged canyons of Capitol Reef National Park and Grand Staircase Escalante National Monument.

Enjoy riding through Aspen and Conifer trees and mountain meadows. Every day, we stop for a picnic break at beautiful high elevation fishable lakes. Explore intricate trails established by native Americans, herdsman and outlaws during the day, then hear stories about these trailblazers while relaxing around the campfire at night.

Accommodation

Accommodations

This is a wilderness ride where most nights are spent camping.

Description

On this ride we spend the first night in a hotel or Inn in Torrey (you will be notified the selection at the time of booking) and the 3 remaining nights are spent camping at one basecamp.

Accommodation Itinerary

Night 1: Hotel in Torrey

Nights 2-4: Camping

It is possible to ask to book a hotel night for after the tour (extra fee applies).

Camping

All our rides utilize a base camp arrangement with daily forays to different points of interest. This allows us to spend less time packing and unpacking, and more time riding and seeing the country. Basecamps are located in primitive, backcountry areas, which we seldom use more than once or twice each season. Camp elevations are typically situated in higher elevations in mid-summer and lower elevations in spring and fall seasons.

Sensitive to the fragile environment, we employ low-impact camping techniques, small group sizes and well-maintained equipment. All camping equipment is provided (cots, mattresses, inflatable pads, freshly laundered sleeping bags, blankets, chairs and showers). Guests stay in tents (similar to wall tents, but with floors with adequate standing room) for single or double occupancy.

Our basecamps are supported by four-wheel drive vehicles, bringing what is needed for cooking, eating, a shower tent, luggage, as well as feed for the horses.

Room Occupancy

A single supplement fee applies for single travelers.

Meals

All meals from lunch on day 2 through lunch on day 5 are included. Dinner on the first and last day is not included.

Prepared at camp, a varied menu of fresh foods awaits, including beef from the owners Cattle Ranch.

Some examples of meals served during this trip include: smoked salmon crepes, Street tacos, steak and potatoes, bbq pork sandwiches, pastas, corn on the cob, Dutch Oven cornbread and cobblers,...

Cooks prepare fresh and locally sourced foods and offer grass fed, hormone free beef and pork.

Dietary Restrictions

Our great camp cooks can accommodate to most diets with prior notice.

Riding

Suitability

While no previous riding experience is required, participants should be in good health and physical condition. And although the minimum age of eight years is required, the important point you should understand is that we do not want to put any participant in a situation which they are physically or emotionally unable to handle. An appreciation of the outdoors is the only prerequisite for joining a trip.

You'll ride at a pace that is comfortable for the group, sometimes splitting into two groups, one faster for the hearty rider, and one well-paced but leisurely for those who wish to take time relishing the beauty and wonder of the sights. All riders will then regroup and make a lunch stop together. Following the afternoon ride you will return to camp with plenty of time to clean up and relax before dinner.

Horses

Our remuda consists of ranch raised Quarter Horses with a few Thoroughbreds, Arabians and Mustangs. Most of the horses we've bred and raised ourselves.
