About Hidden Trails

Hidden Trails is owned and operated by nature enthusiasts who love horses and adventure activities. We have been involved with riding and other outdoor vacations for over 20 years.
With our partners Voyage du Cheval (France), Pegasus (Germany) as well as Equitour (Switzerland and France) we have collected the best riding destinations all over the world in some hidden places we would like to share with you.

These rides are about galloping on endless beaches, forging rivers, cantering through forests, trotting along age-old trails, gazing at beautiful vistas and encountering foreign cultures. But most of all, these trips are about getting away from the cycle of too much work and never enough free time.

Escape from the rituals, which long ago froze our nights and days into little more than routine and away from the worries of our new tense times. It is so satisfying when we take the plunge of adventure - it's unfortunate that we invent so many reasons to put aside living our dreams of adventure. It is sometimes a tangled web that we weave through life. Some of the threads reveal a work-a-day world of commitments, duties and obligations. Other threads are of a quiet fabric of hope, responsibility and refreshment.

On our adventures you see the real country, its back country and meet the locals. The love for horses has no boundaries but possesses a common language we all speak and understand. The majority of the overseas rides are from inn to inn, some from castle to castle and a few are camping rides.
You will experience new countries and their customs and make new friends. The Hidden Trails trips are the best you can find.

They have been tested by our staff or associates and received our stamp of approval. If you are considering a special riding vacation anywhere in the world, call us first and let our experienced consultants match the perfect trip with your dream.
We will listen to you and give you objective advice to help you choose the best destination and adventure.

Your vacation is the most precious time of the year and we are committed to making it the most memorable time of your life. Wherever you go, have a great time and bring back some peace of mind.

Thank you for your continued support.

Grizzly Mountain Pack Trip - Canada, North America

Tour Code: RTYT10
8 days / 7 nights ~$0.00
Dates: June & September

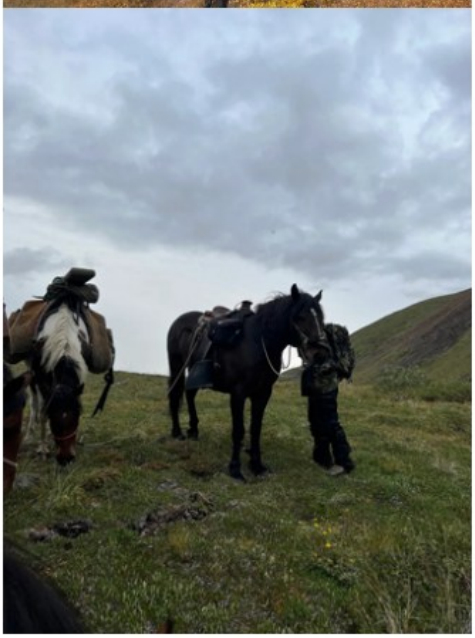

Trip Rating :
Difficulty :
Lodging: BASIC

Tack: Western
Horses: Draft cross
Pace: Approx. 5 hours in the saddle per day
Walk,

Airport: Erik Nielsen Whitehorse International Airport (YXY)

Introduction

Yukon, Canada
Just a short drive north of Whitehorse, explore the Grizzly Valley.

As you ride up from the valley, you will get a beautiful view over Lake Laberge, and if you are lucky you will be able to spot some local wildlife (moose, mountain sheep, bear...).
This short pack trip is the perfect escape from everyday life for those who wish to get a taste of the Yukon wilderness.

Accomodation

Accommodation
This is a progressive pack trip so nights will be spent in several camps in the mountains plus some nights at the home base depending on the itinerary.

Description
We will spend our nights camping in tents and under tarps, cooking over campfires.
As we are sleeping in the wilderness, there are no toilets or showers available during the ride. We usually wash ourselves with a sponge to freshen up.

Single travelers will have their own tent.

Meals
All your meals are included.

We usually carry along a box of wine with us for the duration of the trip.

Dietary Restrictions
Dietary concerns or differences will be acknowledged and accommodated if notified in advance.

Riding

Our pack trips are not like travelling on a clean park trail with wood chips. There are wild trails which involve; steep inclines, rocky terrain, hummocky terrain, river crossings, willow patches and rain, even snow. A person must be physically fit and want to have and enjoy a wilderness experience, and be comfortable around horses. Sponge bathing and helping with chores are also part of the experience!
