About Hidden Trails

Hidden Trails is owned and operated by nature enthusiasts who love horses and adventure activities. We have been involved with riding and other outdoor vacations for over 20 years.
With our partners Voyage du Cheval (France), Pegasus (Germany) as well as Equitour (Switzerland and France) we have collected the best riding destinations all over the world in some hidden places we would like to share with you.

These rides are about galloping on endless beaches, forging rivers, cantering through forests, trotting along age-old trails, gazing at beautiful vistas and encountering foreign cultures. But most of all, these trips are about getting away from the cycle of too much work and never enough free time.

Escape from the rituals, which long ago froze our nights and days into little more than routine and away from the worries of our new tense times. It is so satisfying when we take the plunge of adventure - it's unfortunate that we invent so many reasons to put aside living our dreams of adventure. It is sometimes a tangled web that we weave through life. Some of the threads reveal a work-a-day world of commitments, duties and obligations. Other threads are of a quiet fabric of hope, responsibility and refreshment.

On our adventures you see the real country, its back country and meet the locals. The love for horses has no boundaries but possesses a common language we all speak and understand. The majority of the overseas rides are from inn to inn, some from castle to castle and a few are camping rides.
You will experience new countries and their customs and make new friends. The Hidden Trails trips are the best you can find.

They have been tested by our staff or associates and received our stamp of approval. If you are considering a special riding vacation anywhere in the world, call us first and let our experienced consultants match the perfect trip with your dream.
We will listen to you and give you objective advice to help you choose the best destination and adventure.

Your vacation is the most precious time of the year and we are committed to making it the most memorable time of your life. Wherever you go, have a great time and bring back some peace of mind.

Thank you for your continued support.

Introduction

Wyoming, USA
The folks at Two Creek have been sharing our ranch with guests since 1987 and we invite you to spend time with our family.

If one of your dreams is to be part of the western lifestyle and see some western scenery not shared with too many folks, then come spend some time with the crew at the Two Creek Ranch.

Two Creek Ranch is a family-owned working cattle ranch. We run 700+ mother cows on 30,000+ acres of land. The winter and spring range is located 8 miles south of Douglas, nestled along the North Platte River, with the LaBonte and Wagonhound Creeks winding through parts of the rolling pastureland. The Oregon Trail straddles a portion of the range, where the ruts remain visible today.

We have three summer ranges, one 15 miles North of Douglas, one 20 miles East of Glendo and the other 75 miles Southwest of Douglas on the Laramie Plains. We are one of the last working cattle ranches offering an authentic western cattle drive. We invite you to share this life with us on seven different cattle-moving experiences, or you may prefer to come and share some "Daly" ranch life.

See the itinerary section for more details on the different ranch events every year. We hope some activity will catch your western spirit and you will join us.

Guests must provide their own favorite beverage/alcohol, which can be purchased prior to arriving a the ranch.

Dietary Restrictions
Sorry, we do not cater to special diets.

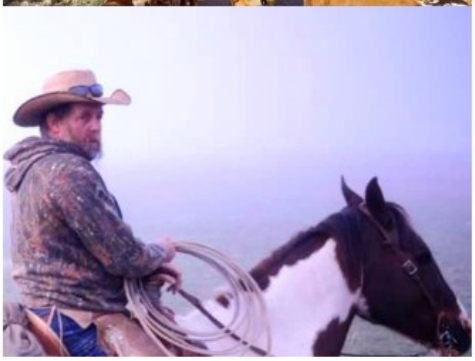

Riding

On real cattle drives no special accommodations are made for paying guests, you pay to be treated the same as the help. Travel trailers are provided along the trail, several pickup trucks also make the trip and you may choose to ride in a vehicle for a day. For more comfort, though perhaps a bit less adventure, choose an event where we

return to the lodge at night, or one that offers a variety of cattle ranching events in addition to trailing the cows. A shower and other plumbing facilities may be near at hand, or clean-up possibilities may consist of water dipped from an icy brook. All of that is incidental. You are here to accomplish a purposeful job with the cowboys, and you may as well decide in advance that however they do it is good enough for you.

Itinerary

Sample Itinerary - *subject to changes*

February to April (minimum 4 days 3 nights -- please inquire for rates and availaiblity)
Our year's activities start with calving. We start calving in February and continue through April. To join us during calving season would be a unique experience. Plan to stay at least 3 nights and 4 days. You will be staying at our guest lodge.

April 25 - 31 (7 days and 6 nights)
If you like to be outside and enjoy seeing the awakening of spring then this event is for you. We will round up 250+ mother cows and their calves and trail them 10 to 15 miles to spring pasture where green grass awaits them. We take smaller groups as the calves are slower to move. We usually cross the LaBonte Creek and trail on the cliff trail, or if the creek is too high we'll trail to the bridge. We also travel to our place on Cottonwood Creek to brand the calves.

May 13-16 in 2027 (4 days and 3 nights) - second Thursday to Sunday in May of every year
Branding week: For the ranch this is the social event of the year , as neighbors join together for branding. We brand in the traditional western way, by roping off of horseback and wrestling the calves. We invite you to join and share with us this western experience.

July 25-29 (5 days and 4 nights)
We will roundup cows and calves and trail them to new pastures. The bulls will be removed and trailed to a separate pasture or trucked home. Riding will take place on the Laramie Plains and at the main ranch.

August 1-7 (7 days, 6 nights)
We will gather the heifers and pregnancy test at the cow camp corrals. We will also pregnancy test at our Medicine Bow pasture and then haul the open heifers back to Douglas.

September 1-8 (8 days and 7 nights)
We will be getting our calves ready for market at this time. Cows and calves will be gathered, calves weighed, and shots given preparing them for shipping. Time will be spent at cow camp, at the main ranch, and our place on Cottonwood Creek where we also pregnancy test the cows.

September 21 - 28 (8 days and 7 nights)
Cattle are gathered and trailed to corrals where steers will be weighed and loaded on the trucks to be sold. Time will be spent on the Laramie Plains, Cottonwood Creek and the main ranch.

Note: This is an actual working ranch - because of the weather and other considerations, any of the events may change
