## About Hidden Trails

Hidden Trails is owned and operated by nature enthusiasts who love horses and adventure activities. We have been involved with riding and other outdoor vacations for over 20 years.

With our partners Voyage du Cheval (France), Pegasus (Germany) as well as Equitour (Switzerland and France) we have collected the best riding destinations all over the world in some hidden places we would like to share with you.

These rides are about galloping on endless beaches, forging rivers, cantering through forests, trotting along age-old trails, gazing at beautiful vistas and encountering foreign cultures. But most of all, these trips are about getting away from the cycle of too much work and never enough free time.

Escape from the rituals, which long ago froze our nights and days into little more than routine and away from the worries of our new tense times. It is so satisfying when we take the plunge of adventure - it's unfortunate that we invent so many reasons to put aside living our dreams of adventure. It is sometimes a tangled web that we weave through life. Some of the threads reveal a work-a-day world of commitments, duties and obligations. Other threads are of a quiet fabric of hope, responsibility and refreshment.

On our adventures you see the real country, its back country and meet the locals. The love for horses has no boundaries but possesses a common language we all speak and understand. The majority of the overseas rides are from inn to inn, some from castle to castle and a few are camping rides.

You will experience new countries and their customs and make new friends. The Hidden Trails trips are the best you can find.

They have been tested by our staff or associates and received our stamp of approval. If you are considering a special riding vacation anywhere in the world, call us first and let our experienced consultants match the perfect trip with your dream.

We will listen to you and give you objective advice to help you choose the best destination and adventure.

Your vacation is the most precious time of the year and we are committed to making it the most memorable time of your life. Wherever you go, have a great time and bring back some peace of mind.

Thank you for your continued support.

## Introduction

Wyoming, USA

The Two Creek Ranch is a family owned working cattle ranch. Currently running 600 mother cows on 25,000+ acres of land. The winter and spring range is located 8 miles south of Douglas, nestled along the North Platte River, with the LaBonte and Wagonhound Creeks flowing through.

The Oregon Trail straddles a portion of the range, where the ruts are still visible today. The ranch has two summer ranges, one 15 miles North of Douglas and the other 75 miles SW of Douglas, on the Laramie Plains. The Laramie Peak and Medicine Bow National Forest are the areas we can see from the ranch and from Cow Camp.

From February through October, you can experience life as a true working cowboy. Calving, branding, gathering, sorting, trailing and shipping cattle is what Two Creek Ranch is all about. This trip is not for the faint hearted - only real cowboys or cowgirls need to apply!

## Itinerary

**Sample Itinerary - subject to changes**

### April 24 - 30 (7 days and 6 nights)

If early spring is your time to be outside and enjoy seeing the awakening of spring, then this event is for you. We will round up the 650 mother cows and their calves and trail them 10-15 miles to the spring pasture where green grass awaits them. We take smaller groups of them as the calves are slower to move. We usually cross the La Bonte Creek and go on the cliff trail. Be sure to bring your camera and take some pictures of the cliff trail. Then on to the spring grass.

**May 9-12 (4 days and 3 nights)**

Branding week: For the ranch this is the social event of the year , as neighbors join together for branding. We brand in the traditional western way, by roping off of horseback and wrestling the calves. We invite you to join and share with us this western experience.

**July 25-29 (5 days and 4 nights)**

Lot of riding rounding up cows and calves and trail them to new pastures. The bulls will be removed and trailed to a separate pasture. Riding will take place on the Laramie Plains on our ranch and the Laramie Ranch River. We will stay at the Cow Camp.

**August 1-7 (7 days, 6 nights)**

We will gather the heifers and trail them to the corrals for Pregnancy testing and then trail them back to fresh pastures. During this time we also help our neighbor gather and trail pairs from Hamilton Springs to Sheep Creek. This week includes a 22 miles cattle drive to the Prager pasture on the Laramie Peak. We will be staying at Cow Camp.

**September 1-8 (8 days and 7 nights)**

We will be getting ready to market our calves during this time. We will gather cows and calves, weight all calves and give them shots and prepare them for shipping. We will pair calves with their mothers and sort them as to sex. This involves a day of Cutting. We will spend our time on the Laramie Plains at Cow Camp, and 1 day will be spent at main ranch working north of Douglas. It will take us a week to complete the job.

**September 21 - 28 (8 days and 7 nights)**

It is time to sell our steer calves. We will gather the pairs and trail them 10 miles to where they will be weighed and put on trucks. We will trail cattle from our pastures north of Douglas, through the town of Douglas to the home ranch. We will have other activities for a couple of days and return to move the cows back to our pasture. Time will be spent at Cow Camp on the Laramie Plains.

*Note: This is an actual working ranch - because of the weather and other considerations, any of the events may change*
