About Hidden Trails

Hidden Trails is owned and operated by nature enthusiasts who love horses and adventure activities. We have been involved with riding and other outdoor vacations for over 20 years.
With our partners Voyage du Cheval (France), Pegasus (Germany) as well as Equitour (Switzerland and France) we have collected the best riding destinations all over the world in some hidden places we would like to share with you.

These rides are about galloping on endless beaches, forging rivers, cantering through forests, trotting along age-old trails, gazing at beautiful vistas and encountering foreign cultures. But most of all, these trips are about getting away from the cycle of too much work and never enough free time.

Escape from the rituals, which long ago froze our nights and days into little more than routine and away from the worries of our new tense times. It is so satisfying when we take the plunge of adventure - it's unfortunate that we invent so many reasons to put aside living our dreams of adventure. It is sometimes a tangled web that we weave through life. Some of the threads reveal a work-a-day world of commitments, duties and obligations. Other threads are of a quiet fabric of hope, responsibility and refreshment.

On our adventures you see the real country, its back country and meet the locals. The love for horses has no boundaries but possesses a common language we all speak and understand. The majority of the overseas rides are from inn to inn, some from castle to castle and a few are camping rides.
You will experience new countries and their customs and make new friends. The Hidden Trails trips are the best you can find.

They have been tested by our staff or associates and received our stamp of approval. If you are considering a special riding vacation anywhere in the world, call us first and let our experienced consultants match the perfect trip with your dream.
We will listen to you and give you objective advice to help you choose the best destination and adventure.

Your vacation is the most precious time of the year and we are committed to making it the most memorable time of your life. Wherever you go, have a great time and bring back some peace of mind.

Thank you for your continued support.

Introduction

Montana, USA
Come and visit with a real Montana guest ranch family. This is an authentic fifth generation working cattle ranch resting in the Clarks Fork Valley, between the Pryor Mountains and the Beartooth Mountains. From the rustic lodge you can enjoy beautiful sunrises and sunsets, watch white tail and mule deer, an occasional elk, mountain sheep or moose, the howl of the coyotes and the fleeting sight of the red fox. You are invited to participate in the day to day activities of this working ranch and family, with plenty of riding to fill each of your days. And after the work is done, there is always time to have a little fun! Ask Nicholas Evans, author of the "Horse Whisperer". Mr. Evans stayed at the ranch while doing the research for his best selling novel turned motion picture. The Lonesome Spur was the original model for Tom Booker's grandparents' homestead, looking out over the Clarks Fork of the Yellowstone River. "From its crest you could see the river curving around like a castle moat and in the distance the snowy peaks of the Pryor and Beartooth Mountains."

Guests are invited to join the wranglers on daily checking the cattle, water holes and fences and the condition of the grass on the range. The summer and fall ranges consist of approximately 30,000 acres and the home ranch is approximately 1,200 acres. In addition to the everyday ranching activities, our guests are also given the opportunity to participate in exciting horseback activities such as team penning, cutting, sorting, team roping and fun games.

Accomodation

Accommodations
This is a stationary ride, so all nights are spent at the same location (except for one night out camping).

Description
The lodging on the ranch is varied and is decorated in the western theme with log furniture. Ranch guests can relax in the Cookhouse with satellite TV, and a large deck to eat and/or sit on. A bathroom is also available. There are 3 log cabins with deck area and a bunkhouse with 3 rooms. All of our ranch accommodations have air-conditioning, heating, a refrigerator, and private bathrooms. Gift packs of toiletries are provided for our guests' comfort. Some rooms do have Satellite TV available.
Laundry is also available. There is no wifi internet available, but there is cell service in the area which allows guests to use their own phone's connection.

Cabins
- The Big Sky cabin has queen bed and a Jacuzzi bathroom.
- The Cottonwood, Beartooth, and Pryor cabins each have a queen, a twin bed, and a private external bathroom.

Bunkhouse
The Bunkhouse has two twin beds in each of the 3 rooms. All bunkhouse rooms have ensuite bathrooms. Two of the rooms can be adjourned and there is a TV with DVD player. There is also a washer/dryer in the kitchen/sitting room area of the bunkhouse for our guests use.

During the week, we will spend one night out camping in the Pryor Mountains. For that overnight, we provide you with sleeping bags and sleeping pads. There is a bathroom with hot shower available for our use.

Room Occupancy
Single supplement is mandatory during high season (June and September). The rest of the year, if we have a single traveler and have spare rooms we will waive the single supplement fee.

Meals
All meals are included on this trip from dinner on Day 1 to breakfast on the last day.

Meals are served in the lodge, family style. You may need to let your belt out a notch or two after spending time

Meals are served in the lodge, family style. You may need to let your belt out a notch or two after spending time here! Mouth-watering and decadent desserts, salads, locally grown garden vegetables and fruit in season, and good Montana beef and buffalo are on the menu. For the light eater, we have fruit, muffins, salads and many veggies. We also provide complementary snacks and drinks in each room for our guests' enjoyment, as well as coffee makers.
Supper is usually served around 6:30 PM.

Alcoholic drinks are not included but guests are welcome to bring their own alcoholic beverages.

Meals and drinks outside the ranch are not included in the tour package during activities like extra excursions outside the ranch.

Dietary Restrictions
If you have special dietary requests, please let us know in advance, and we will make every effort to accommodate you. But please remember that we are a beef ranch, and most all of our meals are centered around meat.

Riding

Riding Level
We try to match our horses to suit our guests' riding abilities so we have a variety of types of horses from gentle geldings for beginner riders to high performance roping and cutting horses for our more advanced riders. We ask all of our guests to participate in a rider safety lesson in our arena which helps us to find a suitable match of horse for each rider. We invite you to catch and saddle your horse, we can lend a hand to help you do this of course, and then ride the range with us while you are here, daily rides are between 4 to 6 hours.

Horses
The horses are mostly American quarter horses; some are home-bred. We also have a Pryor mountain horse as part of our riding herd.

Itinerary

Sample Itinerary - *subject to changes*

We usually have cattle work happening May, June, September, and October Only. This happens when the cattle need to be worked (ie. gathered, sorted, branded, and cattle drives to new grazing, etc.) and guests are encouraged to get involved. For the safety of both the guests and the horses, this activity is very much weather dependent and is totally at the discretion of the ranch.

The timing of all rides may vary depending on weather conditions and temperatures. If the forecast is for a really hot day we may depart very early, or later in the evening, when the temperatures are cooler for the safety of our guests and our horses.

It is the ranch owners decision when to make changes to a ride and whether ground conditions are dangerous for the guests and horses. Rides may be cancelled where necessary. However we have the opportunity to ride in an indoor arena if this happens.

During the Spring and Fall, events maybe changed around because of branding and gathering cattle.
In summer months the camp out may change to Friday night, which means you will be departing for Billings or the airport straight from camp. We do have shower facilities so guests will be able to take a shower on day of departure, with all their luggage which you will take with you to camp.

Rides usually starts around 9 AM and return to the ranch at about 3 PM.

Day 1 (Sunday): Arrival
Pick up at the airport, or your hotel and quick trip to the Big R western outfitters for anyone who needs boots etc. We also stop at Walmart for you to stock up on drinks and snacks for your room.
After arriving at ranch between 1:00pm and 4:00pm (check-in is at 4:00pm for those who are driving to the ranch), we have the ranch orientation meeting and sign riding liability forms. We have a horse safety talk and saddles will be fitted for each of our guests.
Supper will be served at 6:00pm at the Local Bar & Grill, supper on us, drinks on you!

Day 2 (Monday): First Ride & Cody Visit
After breakfast we will select a suitable horse for our guests and we will ride in the arena and around the ranch to get you acquainted. We will be back at the ranch for lunch before we set off for shopping and sightseeing in Cody. In the summer (June to August), we spend the evening at the famous Cody Nite Rodeo. Departure is from the ranch mid-afternoon and we return after the rodeo around 11:30pm. As an off-ranch activity we will make supper reservations at the Historic Buffalo Bill Irma Hotel. Supper and rodeo tickets are at guests own expense.

Day 3 (Tuesday): Ride to Cottonwood
We will take a ride to Cottonwood, a high desert area, for a full day ride to see the Indian Pictographs and the famous Weatherman draw.
We'll picnic in some of the most dramatic scenery in the American West.
Supper will be back at the ranch.

Day 4 (Wednesday): Cattle Ride
After a camp breakfast we head out for another ride on the range, checking the cattle. On our return journey we call in to Chief Plenty Coups museum, a small but must see museum.
We arrive back at the home ranch late in the afternoon. Supper at the ranch.

Day 5 (Thursday): Riding & Pig Races
After breakfast we saddle up and have an all day ride. After an early supper we head off to the Bear Creek Saloon Pig Races. You can have fun betting on the pigs, you might even win! The races start at 7:00 pm.

Day 6 (Friday): Departure
Morning ride then an excursion to the Custer battlefield. Drop off in Billings in the evening to a hotel (not included in the 2025 tour package but we can book it for you if you like).

Off-Ranch Activities

While vacationing with us, guests have opportunity for off-ranch activities. The availability of these activities depends on the season. No meals are provided by the ranch whilst on these off-ranch activities. We usually visit a selection of these activities once weekly, group transportation (minimum of 4 guests) is provided by the ranch in our own ranch vehicles. If our guests require any private guided off-ranch tour, these are available with ranch vehicles. Guests may also arrange their own taxi with a local company.

In the summer months we visit the famous Cody Nite Rodeo from the 1st of June through 31st of August *. We usually depart from the ranch mid-afternoon and return after the rodeo around 11:30pm. Located at Stampede Park in Cody, this is fun entertainment for the whole family. Offering the full range of rodeo events, bareback, saddle bronc, tie-down roping, steer wrestling, barrel racing, and of course the fan favorite of bull riding. For the kids, there is also the calf scramble, which is one of the highlights of the night. Doors open at 7:00pm with the rodeo starting at 8:00pm.
Another option on our Cody excursion is to visit the Buffalo Bill Historical Museum, which has 5 museums under one roof. The Buffalo Bill Museum celebrates the life and legend of Buffalo Bill himself. The Whitney Gallery of Western Art displays art from the western lifestyle. The Native American culture, art, and heritage are all celebrated in the Plains Indian Museum. The last two areas of the museum are the Cody Firearms Museum and the Draper Museum of Natural History, which displays the greater Yellowstone ecosystem and their interactions with humans and nature.
*Please note that May, September, and October we take our guests to the Historic Custer Battlefield and Museum instead of Cody.

Examples
- Viewing the Wild Horse Range in the Pryor Mountains.
- Visiting the town of Cody touring the Buffalo Bill Museum and visiting the Old Trail Town.
- Rodeos: either watch a local rodeo or whilst visiting Cody, see the Cody nite rodeo.
- Experiencing the breathtaking Beartooth Highway driving thru Red Lodge up to Cooke City.
- White water rafting: Cody, Wyoming.
- Golfing: an excellent 18-hole course is only 23 miles from the Lonesome Spur, right in the shadow of Beartooth mountains.
- Guided Tours of Yellowstone park are available at additional cost and must be pre-booked with the ranch. The tour leaves the ranch after breakfast and returns in the evening. Prices can vary depending on which time of year you choose to see the park. Minimum party to do this tour is 4 persons.
- 4th July Home of Champions Rodeo: The festivities start on 2nd July thru 4th July. At the ranch owners' discretion, guests can ride with us at the Red Lodge Parade on horseback and join us as we watch the 4th July Home of Champions rodeo. Evening entertainment is a campfire party and fireworks!

Seasons

May - June
Riding on the Open range, check the cattle on the pastures and help doing some branding and gathering of cattle but this activity is dependent on weather permitting – we cannot brand or gather in wet weather please be aware of this.

June - August
Cody Nite rodeo starts June 1st through the end of August. Our guests get the opportunity to go once a week to see the rodeo or explore the historic town of Cody- founded by the famous Buffalo Bill!
We also have 100,000 acres of various landscapes to ride in both mountain and high desert trial rides. The home ranch is approximately 400 acres so we will be trailering guests and horses to some of our riding areas. In addition to everyday ranching activities, we also offer our guests the opportunity of participating in weekly horseback activities such as team penning, sorting, barrel racing, and poles. Our wranglers will also be happy to teach you how to rope our roping dummies. Every week in the summer month's our guests will help gather in the roping steers from the pastures, sort, and check them. Later in the day the wranglers will team rope the steers.

June - September
We also have a weekly mountain one night overnight camp trip – weather permitting.
The timing of all rides may vary depending on weather conditions and temperatures and may depart either with an early morning start or later in the evening when temperatures are more suitable for the safety of our guests and horses. We also need to make our guests aware that it is the ranch owner's decision when to make changes to a ride and if ground conditions are dangerous for the guests and horses, ride may be cancelled and other ranch activities will be offered instead if possible.

September
Is usually a great month to see more wildlife during our beautiful fall rides and can be cooler than our summer months. We will also start to gather cattle from the mountain pastures from Mid-September.

October
We will be gathering cattle in mountain terrain, as well as doing some daily rides in the high desert. The Nile Stock Show, pro rodeo, and horse sale is in October. We will be attending the evening Ranch rodeo and will also go to the rodeo later in the week. We will leave mid-morning to attend the horse sale and other Nile events and horse clinics. The VIP dinner before the Rodeo in the early evening is optional for guests. This takes place in the early evening and is followed by the by the rodeo itself.

The timing of all rides may vary depending on weather conditions and temperatures and may depart either with an early morning start or later in the evening when the temperatures are more suitable for the safety of our guests and horses. We also need to make aware that it is the ranch owner's decision when to make changes to a ride. If ground conditions are dangerous for the guests and horses, rides may be canceled.
