About Hidden Trails

Hidden Trails is owned and operated by nature enthusiasts who love horses and adventure activities. We have been involved with riding and other outdoor vacations for over 20 years.

With our partners Voyage du Cheval (France), Pegasus (Germany) as well as Equitour (Switzerland and France) we have collected the best riding destinations all over the world in some hidden places we would like to share with you.

These rides are about galloping on endless beaches, forging rivers, cantering through forests, trotting along age-old trails, gazing at beautiful vistas and encountering foreign cultures. But most of all, these trips are about getting away from the cycle of too much work and never enough free time.

Escape from the rituals, which long ago froze our nights and days into little more than routine and away from the worries of our new tense times. It is so satisfying when we take the plunge of adventure - it's unfortunate that we invent so many reasons to put aside living our dreams of adventure. It is sometimes a tangled web that we weave through life. Some of the threads reveal a work-a-day world of commitments, duties and obligations. Other threads are of a quiet fabric of hope, responsibility and refreshment.

On our adventures you see the real country, its back country and meet the locals. The love for horses has no boundaries but possesses a common language we all speak and understand. The majority of the overseas rides are from inn to inn, some from castle to castle and a few are camping rides.

You will experience new countries and their customs and make new friends. The Hidden Trails trips are the best you can find.

They have been tested by our staff or associates and received our stamp of approval. If you are considering a special riding vacation anywhere in the world, call us first and let our experienced consultants match the perfect trip with your dream.

We will listen to you and give you objective advice to help you choose the best destination and adventure.

Your vacation is the most precious time of the year and we are committed to making it the most memorable time of your life. Wherever you go, have a great time and bring back some peace of mind.

Thank you for your continued support.

Introduction

Wyoming, USA

The Ranch is located in the North-East region of Wyoming in the famous Black Hills, not far from Montana and South Dakota borders. Nothing can describe the beauty of these places. During your stay here, you will not be considered a tourist but one of us and you will live a real ranch life experience.

Accommodation

Accommodation

This is a stationary ride where all nights are spent on the ranch.

Description

You will stay in an authentic working ranch set on a 30000 acres property. Guests are accommodated in a lodge made completely out of wood and fitted with 8 bedrooms. Each room has a private bathroom with hair dryer and a comfortable bed. There is also a small cabin, separated from the main building with its own bathroom.

Please, note that there are no TVs on the ranch. Instead, there is a saloon with a pool-table and a foosball table. The saloon has a warm and welcoming atmosphere and is decorated with several Western-themed objects. There is Wi-Fi access and cellphone service at the ranch.

After a long riding day, you can go for a swim in the lake or simply relax in our hot tub.

There is a small shop on the ranch where you can buy western clothes and tack.

Room Occupancy

The single supplement fee is mandatory for all solo travelers.

Meals

All meals are included with this package and a lot of attention is brought to the kitchen.

Please, note that meal times may vary depending on the daily program.

When moving herd or doing cattle work we may stay for lunch outside the ranch. On these occasions we'll have a buffet table with cold cuts, cheeses, sources for everyone to make sandwiches at their leisure. Drinking water will also be available.

The day begins with a good buffet breakfast including coffee/tea, fresh fruit, yoghurt, cereal, ham, cheese, cookies, eggs, toasts, ham etc.

Lunch and dinner are also buffet style and feature a variety of dishes: pasta, meat, vegetables, bread and homemade cakes etc.

Dietary Restrictions

We can cater to most dietary restrictions with prior notice.

Riding

Animals

There are about 100 horses and 2,000 heads of Black Angus Cattle on the Ranch. Some wildlife can be encountered on the ranch, including pronghorns, deer, raccoons, beavers, marmots, prairies dogs and much more!

Horses

The ranch has 35-40 saddle horses that are between 3 and 15 years old. Our horses are mostly Quarter Horses, but we also have a few Paints and Mustangs, all with great cow-sense. The ranch has an exceptional Registered Quarter Horses breeding program, of which we are very proud of! Most of our horses are raised and trained by our ranch cowboys, ensuring that we have horses we can trust. From April to October, we begin the training of our 2/3 years old that then become our new saddle horses. We have a horse to match every level of riders from beginner to advanced.

Riding Terrain

The ranch property is about 30,000 acres and consist of a mix of hills, forests, canyons, lakes and open fields. The Ranch is located in the North-East region of Wyoming in the famous Black Hills, not far from Montana and South Dakota borders.

Children Policy

Children that are 10 years old or younger can stay for free but must stay with their parents. Parents must accompany children on all ranch activities. Children must have their own helmet and riding vest when riding. We do not supply these items.

Safety

All riders under 18 years old must wear a helmet and riding vest. We do not supply these items.

Insurance

Adults and children are required to have medical insurance that covers horse riding activities. This is mandatory to anyone that wishes to participate in horse riding activities. You must show proof of insurance to the ranch at check-in.

Itinerary

Each morning, during breakfast, our cowboys will explain the plan for the day. Before breakfast, they have gathered the horses from their pasture and put them into the corrals, where a horse will be assigned to every guest for the day. During your stay with us, you will have the chance to try several horses.

We usually ride for 3-4 hours in the morning, return to the ranch for lunch and ride again in the afternoon for another 3-4 hours.

Please, note that there is not set program as the work that needs to be done will vary depending on the time of the year. There may be times when no cattle work is required. In that case, we will just ride for fun, enjoying the beautiful landscape.

April-June: Calving Season

We need to ride to the herd to check on the babies every day to be sure that they are ok. At the end of the calving season, we will have a branding which we still do like in the "old west" with horses, ropes, sweat and dust.

July-August: Cattle Drives for pasture management

At that time, we usually have about 1200 head of cattle. The cowboys will explain to the guest the cattle drive techniques.

August-October: Cattle Round-Up

We will begin our roundup of cattle and choose which ones to keep and to sell before winter. The cattle we keep will be moved to the winter pasture. This is a period of hard work which involves long riding days.

Apart from cattle work, you can ride in our arena and practice team penning , breakaway roping , barrel racing and/or cutting horse.

Non-Riding Activities

During the week, we may have a free day off the ranch where we will go and visit local sites. Non-riding days are decided from time to time together with all guests. During rainy days, more excursions are offered to guests to make the most of the vacation.

There are many attractions worth visiting around the ranch, including Devils Tower (First national monument of America), which is a few miles from ranch, the Black Hills, Mount Rushmore, Badlands National Park, Deadwood etc.

During that day, transportation is included but meals need to be paid extra.

When possible we will also go see Rodeos, Horse auction and other interesting local events.

Rodeos program 2025
