About Hidden Trails

Hidden Trails is owned and operated by nature enthusiasts who love horses and adventure activities. We have been involved with riding and other outdoor vacations for over 20 years.

With our partners Voyage du Cheval (France), Pegasus (Germany) as well as Equitour (Switzerland and France) we have collected the best riding destinations all over the world in some hidden places we would like to share with you.

These rides are about galloping on endless beaches, forging rivers, cantering through forests, trotting along age-old trails, gazing at beautiful vistas and encountering foreign cultures. But most of all, these trips are about getting away from the cycle of too much work and never enough free time.

Escape from the rituals, which long ago froze our nights and days into little more than routine and away from the worries of our new tense times. It is so satisfying when we take the plunge of adventure - it's unfortunate that we invent so many reasons to put aside living our dreams of adventure. It is sometimes a tangled web that we weave through life. Some of the threads reveal a work-a-day world of commitments, duties and obligations. Other threads are of a quiet fabric of hope, responsibility and refreshment.

On our adventures you see the real country, its back country and meet the locals. The love for horses has no boundaries but possesses a common language we all speak and understand. The majority of the overseas rides are from inn to inn, some from castle to castle and a few are camping rides.

You will experience new countries and their customs and make new friends. The Hidden Trails trips are the best you can find.

They have been tested by our staff or associates and received our stamp of approval. If you are considering a special riding vacation anywhere in the world, call us first and let our experienced consultants match the perfect trip with your dream.

We will listen to you and give you objective advice to help you choose the best destination and adventure.

Your vacation is the most precious time of the year and we are committed to making it the most memorable time of your life. Wherever you go, have a great time and bring back some peace of mind.

Thank you for your continued support.

Introduction

East Coast, Scotland

This wonderful self-guided cycling holiday of the Scottish Borders takes you from the border town of Berwick upon Tweed upstream along the Tweed River staying in Kelso and Melrose. What makes the Scottish Borders so special for a cycle tour is its many little country roads and lanes and the regions low population.

The region of the Scottish Borders is a relatively flat region but full of historic buildings, including 4 famous ancient abbeys: Kelso, Jedburgh, Dryburgh and Melrose. Many historic houses (Sir Walter Scott's Abbotsford House, Paxton House, Manderston House...) are also worth a visit.

Take a cycle ride to Lindsfarne on Holy Island (tides permitting) along the ancient causeway which is covered at high tide. The island was the final stage of the route taken by St Cuthbert in the 6th century which then started the Celtic Christianity on the Island.
