About Hidden Trails

Hidden Trails is owned and operated by nature enthusiasts who love the outdoors and adventure activities. We have been involved with outdoor vacations for over 20 years. We have collected the best outdoor vacation destinations all over the world in some hidden places we would like to share with you.

These vacations are about forging rivers, biking along canals and through forests, hiking along age-old trails, gazing at beautiful vistas and encountering foreign cultures. But most of all, these trips are about getting away from the cycle of too much work and never enough free time.

Escape from the rituals, which long ago froze our nights and days into little more than routine and away from the worries of our new tense times. It is so satisfying when we take the plunge of adventure - it's unfortunate that we invent so many reasons to put aside living our dreams of adventure. It is sometimes a tangled web that we weave through life. Some of the threads reveal a work-a-day world of commitments, duties and obligations. Other threads are of a quiet fabric of hope, responsibility and refreshment.

On our adventures you see the real country, its back country and meet the locals. The love for the outdoors has no boundaries but possesses a common language we all speak and understand.
You will experience new countries and their customs and make new friends.

These trips have been tested by our staff or associates and received our stamp of approval. If you are considering a special outdoor vacation anywhere in the world, call us first and let our experienced consultants match the perfect trip with your dream.
We will listen to you and give you objective advice to help you choose the best destination and adventure.

Your vacation is the most precious time of the year and we are committed to making it the most memorable time of your life. Wherever you go, have a great time and bring back some peace of mind.

Thank you for your continued support.

Introduction

Arizona, USA
Just outside of Tombstone a new Western guest ranch has opened. Experience the Wild West and all that it entails, from the gunfight with Doc Holliday to a horseback ride into the sunset. Let stage coaches pass you by in the vast countryside. Enjoy great views and listen to the coyotes howl. Here your dreams of the Old West come true! The Western program includes trail riding to your heart's desire, movie nights under the open sky, live country music around the campfire, western shows in the original saloon with international artists, Can-Can, stagecoach rides, pool parties, and much more.

This unique ranch offers everything a horse lover could wish for. Dried out river streams - also called 'washes' - drag on for miles through the country and perfect for nice canters. Novice riders will quickly learn in the arena the gentle Native riding style, characterized by respect and trust. We will guide you through some of the most beautiful country you've ever experienced, where the extraordinary scenery changes every few minutes. These trail rides are for all levels of riding skill in addition to offering unique photo opportunities for those who want to capture the beauty of the desert. Morning rides are long enough to enjoy the scenery, with as many rest or photo stops as the riders desire, and are accompanied with stories of nature and local history shared by the wranglers. Interested in some cattle work, we can set this up for you as well.

Lodgings are provided in luxurious guest rooms like "Wyatt Earp" or "Doc Holliday" along a special Western-theme street of the 1880s. Vacation in Jail? Or maybe at the Grand hotel? You can select between 17 different guest houses. Each Western theme is special and individually equipped with authentic interior of that time - and of course an authentic Western Saloon is there for your evening entertainment -- you may even play a 'round of Poker' with Doc Holliday as the dealer. We also organize trips to into the Dragoon Mountains or into Tombstone, the saloons, the gunfight, shopping, Old Tucson Film-Studios, Tucson Desert Museum, and the Old Bisbee Mining Town.

We can also provide riding lessons for an extra fee.

Slow rides
For all levels of rider (walking only). Exploring the Tombstone hills, the rides are scenic and cover a variety of terrains including sandy desert washes, abandoned railroad grade, old jeep trails and hills once mined for silver. Take in spectacular views of surrounding mountain ranges, Tombstone town and of the land where Apaches, cowboys and prospectors once rode.

Fast Rides (mandatory to join at least 1 slow ride before joining a fast ride)
For a more challenging riding adventure. Walking, trotting and loping through the high desert terrain and a chance to really ride your horse.

Half Day ride
This ride takes guests on an adventure in the Tombstone Hills. With breathtaking views of the Huachuca Mountains and many prospectors monuments and abandoned mines to spot this ride covers beautiful country.

Cattle work in Arena
Try your hand at moving cattle in the arena!

Obstacle Course
You and your horse work together to perform different activities, crossing a bridge, going over logs, opening and closing a gate, and even getting the mail.

Specialty rides
- *Trail to the 1800s*: Our Wranglers take you back in time to visit local history. Petroglyphs, hand dug wells, mine shafts, rock cabin ruins, abandoned railroad trestles and the hidden valley are just some of the places to ride by.
- *Ride to Tombstone*: Ride to town just like Wyatt Earp and the gunslingers of the past. Through old ranches and along washes, step off your horse in an old Bull Riding arena and head to Allen street for an opportunity to look around the town, take in the sights, do a little Western shopping or have a beer at Big Nose Kate's. Mount up and ride back to the ranch down Schieffelin Monument road.
- *Beer and Cheetos ride*: Wash away the dust with a cold refreshing beer, taste some empty calorie snack foods and share stories with good company, in the Arizona desert.
- *Tequila Taster*: Raise a red solo shot cup to your favorite western hero all while sitting on your horse on the desert trail.
- *Winter Gathering*: Ride through dry riverbeds, rocky desert hills, slot canyons and mesquite groves to find and gather our herd of Criollo cattle and drive them to the ranch, then back out to pasture. Trail riding if there is spare time.
